Piner-Olivet Union School District Addendum

ADDENDUM TO CONTRACT DATED APRIL 8, 2020, FOR DR. TINA RASORI TO SERVE AS DIRECTOR OF INNOVATIVE LEARNING FOR THE PINER-OLIVET UNION SCHOOL DISTRICT

The April 8, 2020, Contract between Dr. Tina Rasori ("Director") and Piner-Olivet Union School District ("District"), provided the Director would be employed by the District for a one year term from July 1, 2020, to June 30, 2021, serving a .50 Full Time Equivalent ("FTE") position and complete 103 days of service and be compensated at a prorated (for the .50 FTE) Step 10 of the Management Salary Schedule along with \$2,200 for two Masters Degrees and \$1,100 for a Doctorate Degree.

The purpose of this Amendment to the Contract is to reduce the service amount from .50 FTE to .40 FTE, which will result in a reduction from 103 days of service to 82.4 days of service during the 2020-2021 school year on the same salary terms as the Contract, except prorated at .40 based on the reduced number of service days. The days the Director will be required to work will be scheduled by the District Superintendent and may result in an unequal number of service days per calendar month (e.g. there may be more service days scheduled at the beginning of the school year for programmatic planning purposes).

Furthermore, this Addendum provides notice, in accordance with Section 5.b. of the Contract, the Contract for services will not be renewed for the 2021-2022 school year.

A. The following COVERAGE E. - SEXUAL MOLESTATION INSURANCE, is added to SECTION I - COVERAGES.

1. Insuring Agreement

- a. We will pay those sums the insured becomes legally obligated to pay as damages because of any "molestation" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages to which this insurance does not apply. We may at our discretion investigate and settle any claim or "suit" that may result. But:
 - (1) The amount we will pay for damages is limited as described in SECTION III -LIMITS OF INSURANCE; and
 - (2) Our right and duty to defend end when we have used up the Aggregate Limit of Insurance in the payment of judgments or settlements under Coverage E.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under SUPPLEMEN- TARY PAYMENTS - COVERAGE A. and B. amended to apply to Coverage E.

- All claims of damages because of "molestation" to the same person, including damages claimed by any person or organization for care or loss of services resulting at any time from the "molestation", will be deemed to have been first made at the time the first of these claims is made in writing against the insured.
- e. The Retroactive Date is the policy effective date unless another date is shown in the Schedule.

2. Exclusions

This insurance does not apply to:

The reserved Director Representatives, representing each of the schools in the POUSD, will not negate a quorum if a Director is absent, but will be included in the quorum if the Director is in attendance.

Every act, or decision done, or made by a majority of the Directors present at a meeting duly held at which a quorum is present shall be the act of the Board of Directors, unless the Articles, these By-Laws, or the Nonprofit Corporation Law specifically require a greater number.

In the absence of a quorum at any meeting of the Board of Directors, a majority of the Directors present may adjourn the meeting as provided in Section 4.16 of these By-Laws. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of enough Directors to leave less than a

Section 4.15 Adjournment

Any meeting of the Board of Directors, whether or not a quorum is present, may be adjourned to another time and place by the vote of a majority of the Directors present. Resolution Declaring Instructional Method for 2020-2021 School Year

Resolution No.539

WHEREAS, Section 34 of Senate Bill 98 ("SB 98"), signed by the Governor on June 29, 2020, addresses the ability of Local Educational Agencies ("LEAs") to offer distance learning in the 2020-2021 school year; and

WHEREAS, Education Code Section 43503 subparagraph (2) of subdivision (a) was added by SB 98 to allow LEAs to offer distance learning under either of the following circumstances:

"(A) On a local educational agency or schoolwide level as a result of an order or guidance from a state public health officer or a local public health officers.

(B) For pupils who are medically fragile or would be put at risk by in-person instruction, who are self-quarantining because of exposure to COVID-19."; and

WHEREAS, on June 26, 2020, both the State Senate and Assembly issued letters to the Senate Journal for the purpose of clarifying the intent of SB 98, as it relates to distance learning ("Clarifying Letters"); and

WHEREAS, the Clarifying Letters state that Section 34 of SB 98 was intended to provide LEAs with flexibility in determining how K-12 instruction would be provided to meet the needs of students, families and the community during the COVID-19 pandemic such that LEAs would have discretion to adopt a distance learning, hybrid, or mixed-delivery instructional model; and

WHEREAS, both the State Senate and Assembly acknowledged in the Clarifying Letters that while the intent of the Legislature was for LEAs to offer in-person instruction in the 2020-2021 school year to the greatest extent possible, Education Code Section 43503(a)(2)(A) was not intended to require an LEA to seek out or receive approval from a state or local public health officer prior to adopting a distance learning model, but to simply consult and collaborate with state or local public health officials in making this determination; and

WHEREAS, the Clarifying Letters also stated that it was not the Legislature's intention to prevent an LEA from adopting a distance learning, hybrid or mixed-delivery instructional model to ensure safety, but rather to give LEAs flexibility to determine what instructional model the LEA will adopt during the COVID-19 pandemic, taking into account the needs of their students and staff, and their available infrastructure, provided the model adheres to an applicable state or local public health order or guidance; and

WHEREAS, the June 12, 2020, Sonoma County Roadmap to Reopening Schools incorporates the state and local public health guidance that Sonoma County LEAs must follow; and

WHEREAS, the Governing Board of the Piner-Olivet Union School District ("District") has reviewed the Sonoma County Roadmap to Reopening Schools in determining which

instructional model best meets the needs of the District, its students and staff, in light of the District's available infrastructure and safety concerns.

NOW THEREFORE, BE IT RESOLVED THAT, the Governing Board of the Piner-Olivet Union School District has determined that at this time in-person direct instruction cannot be provided in compliance with the Sonoma County Roadmap to Reopening Schools.

BE IT FURTHER RESOLVED THAT, the Governing Board of the Piner-Olivet Union School District has determined that in-person direct instruction will not be offered as an available instructional model August 17, 2020 through October 2, 2020.

BE IT FURTHER RESOLVED THAT, the Governing Board of the Piner-Olivet Union School District will be offering the following instructional methods during the 2020-2021 school year:

Virtual Learning during August 17, 2020 through October 2, 2020. [Synchronous Learning and Asynchronous Learning]

CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION AND ITS PINER-OLIVET 45 AND THE PINER-OLIVET UNION SCHOOL DISTRICT MOU REGARDING RETURN IMPACTS AND EFFECTS ON THE CSEA BARGAINING UNIT

Piner-Olivet School District (District) and CSEA Chapter 45 representing Piner-Olivet Classified Employees (CSEA) (collectively referred to as the Parties) enter into this Memorandum of Understanding to address impacts and effects on working conditions in responding to the COVID-19 pandemic in the 2020-2021 school year.

The District will reopen its schools in compliance with current requirements and guidelines established by the California Department of Education (CDE) and the Sonoma County Public Health Department (SCPHD). Maintaining flexibility at all levels will be paramount to our success as we collectively engage in instructional and work models that are new. We must also remain responsive to ongoing safety guidance and the needs of our students and families.

The Parties will follow the CSEA Collective Bargaining Agreement (CBA) except as otherwise agreed upon in this MOU due to Covid-19 (COVID-19) that will have universal impacts, in addition to impacts specific to each job classification. Further, the Parties affirm that all provisions of the Educational Employment Relations Act ("EERA") *California Government Codes 3540 et seq.* apply and remain in effect, and further affirm that the provisions of this MOU are intended to comply with, and shall be interpreted consistently with the requirements of law including but not limited to SB 98 (2020) and the Individuals with Disabilities Education Act (IDEA).

This agreement represents a commitment to prioritize the health and safety of staff and students in order to minimize the risk of COVID-19 spread while providing for the education of all students.

Agreement

To these ends, the District and CSEA agree as follows:

Bargaining unit employees shall not be required to respond to screening questionnaire questions that are not based on CDC/SCPHD recognized symptoms (i.e. fever, chills, cough, difficulty breathing, sore throat). Temperature checks shall be performed daily, and the District shall not maintain records of the temperature checks. Screenings are not reason for discipline and shall be considered part of the standard work day.
- 2. The District shall provide each unit member with written COVID-19 safety guidelines from Sonoma County Office of Education (SCOE) / SCPHD for their school site prior to the start of school in the 2020-21 year. The District shall provide CSEA with the written safety guidelines prior to sharing with unit members. These safety guidelines shall include a statement that both CSEA and the District encourage unit members to get tested for COVID-19 prior to returning to work and throughout the school year. The guidelines will be accompanied with basic information about where to get tested in Sonoma County.

C. <u>Health, Safety and Testing:</u>

- The District shall adhere to the COVID-19 guidelines publicly issued by the Center for Disease Control (CDC), California Department of Public Health (CDPH), California Department of Education (CDE), the California Department of Industrial Relations Division of Occupational Safety and Health (CAL/OSHA)and the Sonoma County Public Health Department_(SCPHD), with priority given to directives, orders, and guidance from the State of California and SCPHD. The parties agree to meet as soon as possible to negotiate the impacts and effects of any revisions or updates to those guidelines that result in a change in working conditions to classified employees.
- 2. The District shall require the use of face coverings for all persons who enter the district and/or school facilities, consistent with State and SCPHD requirements.
- 3. The District shall comply with the following hand washing requirements:
 - a. Students, employees and visitors shall be required to wash their hands or use hand sanitizer upon entering District and/or School facilities and each time a classroom is entered.

- 4. If classrooms and/or workspaces are not already equipped with handwashing stations and are not within reasonable vicinity of an employee bathroom, then the District shall provide portable handwashing stations.
- 5. The District shall ensure that all classrooms, restrooms, and workspaces are cleaned and disinfected daily, including but not limited to desks, doorknobs, light switches, faucets and other high touch fixtures using the safest and most effective disinfectant necessary, as recommended by state and/or local health officials.
- 6. Upon notification that an employee or student has been infected with COVID-19, the District shall initiate contact tracing procedures by notifying the SCPHD. CSEA agrees to assist in whatever manner is necessary in this effort.
- 7. The District shall provide all unit members with information for locations that offer COVID-19 testing.

When the District requires a particular kind of facial covering or protective equipment the District will provide the appropriate personal protective equipment (PPE) to accommodate this requirement. 1. In the interest of protecting community and workplace health, all employees shall report, in writing, any unsafe condition in the working environment that comes to their attention, or work issue related to COVID-19 to the immediate supervisor without fear of discipline. The supervisor shall, within two (2) working days, respond in writing to the employee, with simultaneous copy to CSEA, stating what has been done to make the condition safe or, if no action will be taken, the reason(s) why. This method of resolving safety concerns shall not displace the right to file OSHA or other administrative complaints or to bring a grievance for violation of this agreement.

- 2. All employees shall have the right, without retaliation, to bring to the District's attention any working condition which they believe unreasonably presents a risk to health or safety, by notifying their supervisor in writing of such condition and the basis therefor. Employees may be directed to complete alternate work or work under modified conditions as directed until conditions are made safe for the completion of the original assignment, provided modification sufficiently addresses safety concern(s).
- 3. Concerns regarding lack of adherence to social distancing protocols by District staff; parents; volunteers, students or members of public should be directed to the unit member's immediate supervisor or Human Resources whenever appropriate.

E. Workload and Staffing Ratios

- 1. The District will develop reasonable staffing plans and use of equipment/supplies to ensure increased frequency of routine cleaning and disinfecting as well as social distancing.
- 2. Employees will be provided an opportunity to the give direct feedback to their supervisor on a daily basis regarding workload concerns and will make a good faith effort to resolve informally before escalating it to a grievance.

- b. <u>Family Care Leaves</u>. Pursuant to FFCRA qualifying reason #4 (see attached), bargaining unit employees may be eligible to utilize up to 80-hours of paid leave at 2/3 pay up to \$200 per day and \$2,000 in the aggregate (over a 2-week period) for the purposes of caring for an individual who is subject to quarantine or has

been advised by a healthcare provider to quarantine due to COVID-19 related reasons.

- i. Pursuant to Section K of this agreement, an employee may utilize accrued sick leave (and upon its exhaustion "Extended Sick Leave," where available and applicable) or vacation to provide the employee with 100% of the employee's regular rate of pay.
- ii. Upon the expiration of the two-week FFCRA paid leave or for similar leave which may commence after December 31, 2020, the parties recognize that employees may use sick leave (and upon its expiration "extended sick leave," where available and applicable) and/or vacation for this purpose. This liberal leave usage policy shall also apply to employees who wish to remain home to take care of a family member whose health has been compromised due to COVID-19 related reasons. The District may require medical verification of such a condition and/or medical verification of the need for the employee to remain home to take care of their health-compromised family member.

5. Other COVID-19 Absences:

- a. When an employee is not permitted to work due to safety screening (e.g., high temperature or positive report of key symptom), or the employee reports to work and during their work shift, demonstrates COVID-19 symptoms which are unusual for that employee, the employee will be placed on paid or unpaid leave status until permitted to return to work, consistent with leave rights under the FFCRA and the CBA. If however an employee without COVID-19 symptoms is ready, willing, and able to work, but the site supervisor directs the individual not to work, then the employee will not be placed on unpaid leave.
- b. The use of sick leave to secure an individual's own health, or the health of their family, shall not be grounds for discipline or negative evaluations.
- c. The Parties recognize that the District has the responsibility to provide accurate and complete information to the workers' compensation authorities. District agrees not to contest workers' compensation claims that are related to COVID-19 exposure at work.
- d. District will initiate the interactive process for employees whose physician designates them as "high risk" or "vulnerable" to COVID-19 symptoms, and consistent with identifying reasonable accommodations, may offer options (such as telework, modified job responsibilities) for these at-risk employees that limit their risk to exposure.
- e. The District will inform CSEA of any order to quarantine student cohorts; District personnel; and/or District facilities, in the event a quarantine order from the State,

- or County Department of Public Health is issued, subject to the confidentiality rights of any individuals. The District will provide CSEA with the name of all school site location(s) ordered to quarantine.
- f. The District will inform CSEA as soon as practicable should it learn of a confirmed or likely COVID-19 infection of District employees or students and at which campus or worksite said infection was found. The District shall not be required to disclose any information which is considered private, such as personal, medical or confidential student information.
- g. The District shall work with any employee placed in quarantine following symptoms and/or exposure to a verified COVID-19 illness to identify any reasonable accommodations that can be made to enable the employee to continue to work remotely. If no such accommodation can be made, the employee shall be on paid leave for the duration of the quarantine order consistent with leave rights under the FFCRA and the CBA. Quarantine due to workplace exposure may be covered by workers compensation payments. If all such paid leave is exhausted, the employee's position will still be protected during any unpaid leave time that is necessary.

G. Remote Work Assignments, Equipment and Services

1. <u>Remote Work Assignments.</u>

Employees may be permitted to work remotely for some or all of their weekly working days depending upon District need, feasibility of performing work remotely, and availability of necessary equipment and materials, with approval from the District. If multiple employees in the same job classification and/or at the same worksite request remote work assignments and the District can accommodate some but not all of the requests, then preference will be given to employees in the following order:

- (1) <u>First priority</u> will be given to employees with underlying health conditions in accordance with Section F (2) of this agreement;
- (2) <u>Second priority</u> will be given to employees with childcare or family care related needs in accordance with Section F (3) and (4) of this agreement;
- (3) <u>Third priority</u> will be given to employees in other job classifications who have requested remote assignments and been approved by their Supervisor.

If multiple employees within the same classification (and/or at the same worksite) have been approved to work remotely, but employees are still needed to at a

worksite, the Supervisor shall rotate the remote work as equally as possible between the approved employees.

Employees authorized to work remotely who prefer to work on the premises may access and work from an assigned classroom/office workspace with approval of their supervisor. Such employees shall provide their work site schedule to their site administration. When employees report to a District worksite pursuant to this provision, they will inform the site supervisor and shall be responsible for following all safety and health requirements as set forth in this MOU.

2. Equipment and Services.

If an employee is approved or assigned to work remotely or who is permitted to work remotely due to a medical accommodation or family/childcare (pursuant to this agreement), employee may request from their supervisor equipment reasonably necessary to perform their work.

- i. In lieu-of the District providing actual equipment and/or services to employees, the District will provide timely 100% reimbursement to employees for the purchase of reasonably necessary equipment or services consistent with the District's purchasing process. This shall include the requirement that, in advance of any purchase, written approval must be obtained from the employee's supervisor and the CBO or designee. After approval, requests for reimbursement must be submitted with an itemized receipt. Such reimbursement shall be compensated up to \$500 per unit member for the 2020-2021 school year.
- ii. Employees will be expected to keep equipment in good operational order and shall promptly return the equipment to the District upon the end of the remote work assignment.
- iii. The District shall provide all remote employees with written information from the District's Workers' Compensation provider regarding office ergonomics.

H. <u>Temporary Duties</u>

—1. The District and CSEA acknowledge that California Education Code §45101(a) requires that all classified positions have a specific statement of the duties required to be performed. However, due to the current unforeseen and unprecedented nature for the current conditions CSEA and the District recognize that some CSEA bargaining unit positions may be asked to perform duties not currently contained within their current job description and are in agreement with the additional duties and other information set forth in the attached chart, "*Reopening Schools 2020: POUSD/CSEA Classified Position Expectations.*"

1. <u>School Closures, curtailment or modification:</u>

Should the District be directed by the State or Sonoma County Health Officers to close, curtail or modify instruction for some or all schools or worksites due to a surge of the COVID-19 in the County, or the District Board of Education otherwise orders such closure, curtailment, or modification, and the impact is there are no work assignments for some or all active bargaining unit employees, the Parties shall as soon as practicable meet and negotiate the impact and effects upon bargaining unit employees.

MEMORANDUM OF UNDERSTANDING BETWEEN PINER-OLIVET UNION SCHOOL DISTRICT AND PINER-OLIVET EDUCATORS' ASSOCIATION REGARDING THE COVID-19 PANDEMIC AND SCHOOL OPENING DURING THE 2020-2021 SCHOOL YEAR.

EFFECTIVE AS OF JULY 1, 2020

Piner-Olivet Union School District (POUSD) and Piner-Olivet Educators' Association (POEA), jointly known as the Parties ("Parties") enter into this Memorandum of Understanding ("MOU") regarding the issues related to COVID-19 and the opening of schools virtually during the 2020-2021 school year. The Parties shall reconvene as soon as practical following the start of the 2020-21 school year once virtual learning is underway, in order to complete negotiations on the impacts on working conditions of a change from 100% Virtual Learning to a hybrid or in-person model.

The "Navigating a Safe Return to School: POUSD Fall Re-Opening Plan", presented to the POUSD Board on July 7, 2020, is the articulation of a vision, not a binding document. It shall not be used as a directive to unit members to work beyond the scope defined within the POUSD and POEA Collective Bargaining Agreement and MOU. The POUSD and POEA Collective Bargaining Agreement and MOU. The POUSD and POEA Collective Bargaining Agreement and MOU. The basis of any unit member discipline, and as a standard for evaluations. The Re-Opening Plan shall not be used as a precedent beyond the 2020-2021 school year.

As of the date of this MOU, the Parties recognize that the COVID-19 pandemic necessitates significant modifications to the operation of schools to minimize the health risks associated with COVID-19 infection for all students, their families, and staff while also providing equitable access to education for students.

The Parties acknowledge that students and staff may need to self-quarantine, become quarantined, and/or the District may need to close a learning cohort or close school(s) on an emergency basis to slow the spread of infection and illness arising from COVID-19 during the 2020-2021 school year.

As a minimum standard, the Parties shall adhere to the State's and Sonoma County's highest protective standards of student, educator and community health of the COVID-19 guidelines, directives, and requirements as of August 1, 2020, issued by the Centers for Disease Control and Prevention ("CDC"), California Department of Public Health ("CDPH"), the California Department of Education ("CDE"), and the Sonoma County Public Health ("SCPH") department. The parties agree to meet as soon as possible if necessary, to negotiate the impact and effects of any changes in working conditions as a result of revisions or updates to those guidelines. The parties will adhere to the Sonoma County Roadmap to Safe Reopening as of the document

dated July 8, 2020. (see link) https://www.scoe.org/blog_files/Sonoma%20County%20Road%20Map%20to%20Safe%20Reop ening%20FINAL%20v5.pdf

Unless otherwise noted below, the provisions of this MOU shall supersede any provisions of the Collective Bargaining Agreement between the Parties that are in conflict for the duration of this MOU, or until modified by mutual agreement of the District and the Association. The Parties affirm the obligation to comply with all provisions of the Collective Bargaining Agreement ("CBA") not in conflict with this MOU. Further, the Parties affirm that all provisions of the Educational Employment Relations Act ("EERA") *California Government Codes 3540 et seq.* apply and remain in effect, and further affirm that the provisions of this MOU are intended to comply with, and shall be interpreted consistently with the requirements of law including but not limited to SB 98 (2020) and the Individuals with Disabilities Education Act (IDEA).

The Parties agree to the following:

1.0 DEFINITIONS

1.01 "Classroom" – is any academic, learning, assessment, or instructional space used by students, certificated, classified, parents, administrators, or other adults on a school campus. This applies to both indoor and outdoor learning spaces, and includes libraries, computer or scientific laboratories, study halls, or any other common space on a school campus.

1.02 "Common Equipment" – is any school equipment or structures that is designed to be used or shared by more than one individual. This includes, but is not limited to, technology, books, computers, recess/playground equipment, physical education equipment, pens, pencils, etc.

1.03 "Common Space" – is any indoor or outdoor space on a school campus designed or commonly used by more than one group of individuals. This includes, but is not limited to, school offices, nurse stations, playgrounds, blacktops, quads or outdoor gathering spaces, hallways, bathrooms, etc.

1.04 "Face Coverings" – cloth face coverings or masks as recommended by the CDC, state, and local public health guidance to ensure the State's and SCPH's highest protective standards of student, educator and community are adhered to.

It is also commonly referred to as Essential Protective Equipment or Essential Protective Gear and includes face coverings, masks, N95 masks, face shields, neck guards, barriers, gloves, goggles, etc.

1.07 "Physical Distancing" – also known as social distancing to help decrease the spread of the virus by increasing the space between people to at least six (6) feet and reducing the number of different people with whom a person interacts. However, unless there is mutual agreement to change the distancing guidelines, the six (6) feet guidelines shall remain in place.

1.08 "Virtual Learning" means distance learning, i.e., instruction in which the pupil and instructor are in different locations, and pupils are under the general supervision of a District teacher.

2.0 Meetings and Gatherings

2.01 The parties intend that all meetings shall be held virtually during 100% Virtual Learning (including but not limited to, staff meetings, 504s, IEPs, SSTs, professional development, committee meetings, district meetings, staff gatherings, parent meetings, and parent-teacher conferences). However, such meetings shall be conducted in person if required by law; the parties agree to meet in advance in case circumstances arise affecting this. Unit members shall reserve the right to attend all meetings virtually. All meetings shall be scheduled during non-instructional time.

2.02 Large in-person gatherings (i.e. school assemblies) are prohibited, unless the parties have reconvened to address large in-person gatherings in the event applicable health guidelines change and have agreed they may be held.

2.03 Notwithstanding sections 2.01 and 2.02, all other provisions of the CBA regarding meetings apply.

3.01 The District shall ensure all HVAC systems operate on the mode which delivers the most fresh air changes per hour, including disabling demand-controlled ventilation, and open outdoor air dampers to the maximum capacity that an individual HVAC unit can handle without damage.

3.01.1 Air filters shall be MERV-13 at locations where HVAC units can accommodate this filter they shall be changed at the recommended intervals. No unit member will be required to work in a room without MERV-13

or comparable filtration. The District shall identify specific units that can accommodate MERV-13 and those that cannot accommodate MERV-13. This information will be provided prior to the first day of instruction.

3.01.2 A log of each site's completed HVAC filter change will be maintained and available to each site's Association representative.

3.01.3 Portables and/or other rooms without adequate central HVAC and windows or doors that open directly to the outside, shall be equipped with low noise HEPA air filters with a large enough capacity and flow rate for the square footage of the room.

3.02 The Parties affirm that public health officials indicate that proper ventilation is necessary to minimize the transmission and infection from COVID-19 especially for individuals in a closed space for extended periods of time by reducing the airborne concentration of the virus and thus the risk of transmission and infection of COVID-19 through the air. All locations with functioning windows shall be encouraged to keep them open depending on weather, temperature, or air quality conditions.-

4.0 Health Screening, Testing, Notification, and Contact Tracing

4.01 The District shall require that all employees and visitors conduct a daily selfassessment for symptoms associated with COVID-19 infection prior to entering school. Non-unit District employees and/or the District nurse shall perform temperature checks prior to employees and/or visitors entering campuses.

4.01.1 Health screening, testing, notification, and quarantine protocols and procedures will be created prior to in-person learning occurring.

4.01.2 All students and staff will be trained on these protocols and procedures prior to in-person and/or hybrid learning occurring.

4.02 Staff and visitors with any symptoms consistent with COVID-19 or who have had close contact with a person with COVID-19 shall not be permitted on District sites.

4.03 Upon notification that an employee, visitor, or student has been infected with COVID-19, the District shall initiate contact tracing procedures by notifying the Sonoma County Department of Health Services, which shall direct notification of all persons who may have come in contact with the infected individual. The District shall notify the Association President of the location(s) where the infected individual was present on the school campus during the suspected incubation/active infection period.

5.0 VIRTUAL LEARNING

5.01 Consistent with *Education Code Section 43503* as amended by SB 98, if as a result of the orders and guidelines issued by the CDC, state, or local public health officers, the District is unable to provide a safe and healthy in-person learning environment for all students, distance learning may be offered for students.

5.02 Regardless of the District's ability to operate in-person learning, virtual learning is permitted five days per week for students who are medically fragile or would be put at risk by in-person learning instruction, or who are self-quarantining because of exposure to COVID-19.

5.03 Under a 100% virtual learning model all students will receive synchronous and asynchronous instruction and content five days per week through virtual learning. The lesson design and type of instruction provided shall be at the discretion of the classroom teacher consistent with existing practices and policies on District and site supervision input and guidance.

5.03.1 All content shall be aligned to grade-level standards that is provided at a level of quality and intellectual challenge substantially equivalent to in-person instruction.

This interaction may take the form of internet or telephonic communication, or by other means permissible under public health orders and consistent with this MOU.

5.03.3 This daily live interaction shall be designed to meet the needs of students.

5.03.4 If daily live interaction is not feasible as part of regular instruction, the District shall develop, with input from parents, the Association, and other stakeholders, an alternative plan for frequent live interaction that provides a comparable level of service and school connectedness. Alternative plans shall not require unit members to work beyond their contract hours without their consent.

5.04 The District shall ensure equitable access to education for all students and shall confirm and/or make provisions so that all pupils have adequate access to connectivity and technological devices to participate in the educational program and complete assigned work.

5.05 The District shall provide academic and other supports in virtual learning that are designed to address the needs of pupils who are not performing at grade level, or need support in other areas, such as English learners, pupils with exceptional needs, pupils in foster care or experiencing homelessness, and pupils requiring mental health support.

5.05.1 In order to provide equitable access to the educational program, special education and other related services, for pupils with an individualized education plan (IEP), the District shall ensure that all IEPs can be executed in a virtual learning environment.

5.06 According to *Education Code 43501* as amended by SB 98 the minimum daily instructional minutes for grades TK-K (180 daily minutes), 1-3 (230 daily minutes), and 4-12 (240 daily minutes) are in effect for the 2020-2021 school year.

5.06.1 When providing virtual learning, academic content, classwork, independent work, assignments, projects, synchronous instruction, asynchronous instruction, and live interaction shall all be combined to meet the daily minimum minutes per grade level. Daily lesson plans, assessments, and instructional methodologies used shall be at the discretion of the classroom teacher, consistent with existing practices and policies on District and site supervision input and guidance.

5.07 Bargaining unit members shall determine the means and methods for providing virtual learning based on appropriate standards-based instruction, their resources, and their students' abilities to access the curriculum, consistent with existing practices and policies on District and site supervision input and guidance. Bargaining unit members shall be responsible for planning appropriate standards-based instruction, responding to parents and students in a timely manner, supporting diverse learners, building rapport and connections with students, regularly monitoring student work completion and participation, providing students feedback, and reporting non-participation to the site administrator for additional outreach and follow-up.

5.08 Bargaining unit members are expected to work and be available during their normal contractual workdays. To provide students and parents with consistency and to avoid conflicts, office hours/interactive instruction shall be scheduled during the same times each week. Bargaining unit members shall have time each week designated to provide student support, feedback, and clarification and may be conducted via phone, email, and/or other virtual platforms.

5.09 Interactive instruction should include content that requires student interaction with their teacher/classmates, content that engages a student in making a response, content that engages students in a visual way, and provides the bargaining unit member opportunities to provide the student encouragement and feedback.

5.10 Bargaining unit members providing service in a total (non-hybrid) virtual learning model may work remotely or may access and work from their assigned classroom/office workspace as they deem necessary. Site administrators may request notice from members who may be coming to a worksite. Unit members will use reasonable efforts to comply. Bargaining unit members shall check in upon arrival to any District site and shall be responsible for following all safety and health requirements as set forth in this MOU.

5.11 Members shall not be required to record lessons or live instruction. Any recording of live/synchronous virtual instruction is required to have the consent of the teacher and the principal.

5.12 The District shall provide all bargaining unit members the necessary equipment and supplies in order to provide virtual learning, including but not limited to technology, laptop computers, display boards, video/recording devices, headphones, and any other items normally provided during in-person learning, as requested.

Following the teacher's attempt to re-engage pupils, these procedures shall require school site administrators or non-certificated District staff to make contact with the pupil's parents or guardians pursuant to the requirements of *Education Code Sections 43504(f)*.

6.01.3 Classroom teachers shall regularly communicate with parents and guardians regarding a pupil's academic progress consistent with established practices and procedures for traditional in-person learning.

7.0 LACK OF SUBSTITUTE COVERAGE

7.01 In the event a virtual class is without a teacher or a substitute teacher, the school site administrator will cover the class or assign appropriate coverage from the bargaining unit not primarily assigned to teach a virtual class to provide any necessary instructional minutes to students, to provide daily live interaction, or to assist students as needed.

7.02 If no certificated bargaining unit member is available to provide substitute teaching coverage, the cohort may be instructed by an administrator until such time as a bargaining unit member or certificated substitute teacher becomes available. Classified employees shall not substitute teach a cohort or virtual class but may be used to assist students already assigned work by their regular classroom teacher.

8.0 Classroom Preparation Days and Professional Development

8.01 In addition to what is already provided for in the CBA, bargaining unit members shall be provided one additional Classroom Preparation Day prior to the start of the return of students. All distribution of materials shall be scheduled and coordinated by the site administrator. Materials such as technology devices which may be used by another student will be sanitized before re-distribution. 8.06 All student supplies and materials distributions shall be done by site administrators. Unit members will not be required to distribute supplies and materials; those doing so shall coordinate with the site administrator.

8.07 Any and all in-person adjunct duties, committee assignments, or extra-duty positions shall be cancelled unless such duties, assignments, or positions can be reasonably performed in a virtual setting.

9.0 2020-2021 Academic Calendar

9.01 The Parties agree to meet immediately to review and revise the current 2020-2021 school year calendar to schedule all necessary days based on the academic instructional model(s) adopted by the Board.

9.02 The first day of instruction on August 17, 2020 under 100% Virtual Learning will include a teacher-led orientation for parents and students to virtual learning, learning platforms, software programs, etc.

These leaves can be used in addition to or instead of a unit member's regular leave options, depending on whether certain criteria are met as set forth in the FFCRA.

12.0 TRANSFERS AND ASSIGNMENTS

12.01 The following procedures shall apply to the assignment of distance learning remote work:

12.01.1 The District shall post and notify all bargaining unit members of remote assignment vacancies via district email. Vacancies shall also be posted on the District website. The vacancy shall contain the title and brief description of the position, the credential requirements for the position, and a closing date which is at least three (3) instructional days following the posting date.

13.0 PAY AND BENEFITS

13.01 Unit members shall continue to receive their contractual compensation and benefits provided they are performing duties as assigned and consistent with the rights and responsibilities set forth in this MOU. If extracurricular duties can still occur remotely, bargaining unit members shall continue to receive stipends and/or additional pay, as provided for under the collective bargaining agreement.

13.02 Reimbursement to bargaining unit members for reasonable costs associated with purchasing equipment, improving home internet bandwidth, or instructional materials not provided by the District directly related to providing virtual learning shall be made consistent with the District's purchasing process. This shall include the requirement that, in advance of any purchase, written approval must be obtained from the principal, and from the CBO or designee. After approval, requests for reimbursement for the supplies and equipment must be submitted with an itemized receipt. Such reimbursement shall be compensated up to \$500 per unit member for the 2020-2021 school year.

14.0 EVALUATION

14.01 Article XI of the CBA on Evaluations remains in effect except as set forth herein. Evaluation forms for the 2020-2021 school year shall include preprinted prominent notation that the evaluation is to be viewed in the context of working under the COVID-19 pandemic, which has greatly affected teaching and working conditions. These circumstances shall be considered and documented in the final evaluation document. Administrators retain the right to visit in-person classes. Upon notification in advance, administrators will be provided access both to learning platforms and to virtual classes when the unit member is engaged in live instruction, in order to support teachers with growth in instructional practices.

15.0 SPECIALISTS/ELECTIVES

15.01 Specialists and elective teachers shall prepare daily lesson plans based on academic content standards that provide an equivalent level of rigor as in-person learning for stable student cohorts engaged in virtual learning.

15.02 Daily work schedules, for programs other than regular daily instruction, shall be provided by the District or school site administration.

15.03 Until a transition to hybrid or in-person instruction occurs, assignments that typically have large performance-based classes (e.g., music) shall be taught virtually.

16.0 SPECIAL EDUCATION, COUNSELORS, AND PSYCHOLOGISTS

16.01 The District and POEA agree to meet via video or tele-conference at the request of either party to address implementing guidance from the CDE and/or federal Department of Education in order to provide equitable and appropriate education for students with special needs. The Parties intend to protect the health of all unit members and see that special education services remain consistent with the requirements of the IDEA, and in compliance with Education Code 56345 as amended by SB 98.

16.02 Special education teachers will meet the needs of their students, working on progress towards IEP goals, through the use of a virtual platform. During 100% virtual learning, the parties intend that meetings will be held virtually unless such meetings are required by law to be in person; the parties agree to meet in advance in case circumstances arise affecting this. Services pursuant to an IEP may be required by law to be in-person. Unit members shall reserve the right to attend all meetings virtually. Lessons will be adapted to meet the needs of students in a digital learning environment and ensure that lessons and activities are appropriate, as documented in the student's IEP.

16.03 Related Service Providers (Adaptive PE, OT, etc.), will prepare appropriate virtual learning activities that can be performed at home, if feasible and consistent with the requirements of Section 5.05.

16.04 Virtual tools shall be used to hold necessary IEP meetings and to meet and collaborate on a student's IEP. The parties intend that during 100% virtual learning, meetings shall be held virtually unless required by law to be in person; the parties agree to meet in advance in case circumstances arise affecting this. Members will be consulted regarding their availability prior to the scheduling of an IEP. Unit members shall reserve the right to attend all meetings virtually.

16.05 During 100% virtual learning, School Psychologists shall provide virtual and/or telephone appointments for students for social emotional and/or behavioral needs as deemed necessary by the psychologists, as well as communicate with families to provide support. Any appointments scheduled shall be conducted by telephone or virtual tools.

16.06 During 100% virtual learning, Counselors shall provide virtual or telephone appointments to students for academic counseling, monitoring, and guidance. These appointments or conversations shall be conducted via email, telephone, or other virtual tools, as appropriate.

16.07 During 100% virtual learning, Speech and Language Pathologists shall provide individual and/or group virtual lessons. These lessons shall be conducted via email, by telephone, or other virtual tools, as appropriate.

17.0 PUPIL PERSONNEL SERVICES STAFF AND OTHER STAFF NOT ASSIGNED A CLASS ROSTER

17.02 During 100% virtual learning, Staff described in Section 17.01 shall provide their services virtually.

17.03 Physical distancing and PPE requirements are to be maintained in all workstations and office settings. If physical distancing of 6 feet is not possible due to office/room size limitations, and in order to maintain student confidentiality or privacy, alternative and effective safety devices shall be used such as plexiglass barriers and/or face shields with neck drapes. Time spent in proximity of less than six (6) feet between individuals shall be minimized to the extent possible and strictly limited to no more than 15 (fifteen) minutes daily.

18.0 COVID-19 EXPOSURE AND COHORT/SCHOOL SITE CLOSURE

18.01 Staff, administrators, and visitors who are sick are expected to remain home and shall not be permitted on a District site while sick.

18.02 The District will work with the SCPH Sonoma County Department of Health Services to ensure that all staff and students being quarantined are given information or other resources on how to properly quarantine and provide access to medical professionals if illness manifests itself. 18.03 Upon direction by the State of California or SCPH, the District shall close the entire school site or entire District as necessary and the academic program shall transition to a total virtual learning model until such time as it is deemed reasonably safe to return to an in-person or hybrid learning model.

18.04 All closed classroom spaces, worksites, rooms, school sites, or other District facilities shall be thoroughly cleaned and disinfected prior to being re-opened for inperson learning.

18.06 The District shall communicate any and all decisions about closures and reopening to all bargaining unit members at a school site or district wide as appropriate. Such communication shall be by email or by telephone.

19.0 TRAINING

19.01 Consistent with SB 98 requirements and SCPH, CDC, and state guidelines, all staff unit members shall be trained in the COVID-19 related topics and protocols that are relevant for the duties of their positions, including but not limited to:

19.01.1 Reinforcing the importance of health and safety practices and protocols;

19.01.2 Cleaning and disinfecting protocols;

19.01.3 Physical distancing requirements, personal protective equipment, and stable classroom cohort protocols;

19.01.5 Protocols on responding to individuals who manifest symptoms associated with COVID-19 while at school;

19.01.6 Protocols on responding to individuals with a family member or someone in close contact with a student or staff member who tests positive for COVID19;

19.01.7 Protocols on responding to a student or staff member testing positive for COVID-19; and

20.02 The Association's rights of access shall not be limited by the above except to the extent consistent with safeguarding the health and safety of students and staff, consistent with Sonoma County Roadmap to Safe Reopening as of July 8, 2020.

21.0 GRIEVANCE AND EXPEDITED ARBITRATION

21.01 While all provisions of this MOU are subject to the negotiated grievance procedure in the CBA, it is the Parties' mutual intent to expeditiously, efficiently, and effectively address any issues or concerns as they arise. The Parties recognize and acknowledge that COVID-19 conditions and altered working conditions as a result are fluid and potentially change rapidly. The Parties commit to each other that the best interests of students, compliance with the law, service to the school community, and health and safety are paramount interests, and they pledge to cooperate in addressing and resolving problems as collaboratively and timely as possible.

21.02 Due to the potential urgency of disputes that cannot be resolved as set forth above, and that are connected to providing and maintaining safe and healthy schools for all students, staff, and their families, according to the provisions of this MOU, an expedited arbitration process may be requested by either Party. If so requested, the expedited process can be initiated only into by mutual agreement of both Parties, to proceed as follows:

21.02.1 The expedited process will skip all levels after an informal conference and move directly to binding arbitration before an arbitrator mutually selected by the Parties.

21.02.2 At least ten (10) workdays prior to the hearing, the Parties shall exchange a list of witnesses each intends to call as well as any documents or other material the party expects to be introduced not previously provided.

21.02.3 Time limits for the hearing shall be mutually agreed upon by the Parties. The following shall be prohibited unless required by the arbitrator for a written decision: written briefs, court reporters and electronic transcription.

21.02.4 The arbitrator shall issue oral decisions at the close of the hearing unless the parties mutually request a written decision, and decisions of the arbitrator shall be binding and final and shall not constitute precedent in other cases.

21.02.5 Each party shall bear its own expenses, and the arbitration fees shall be shared equally by both parties.

22.0 CONSULTATION RIGHTS AND RESERVE RIGHT TO FURTHER NEGOTIATE

22.01 The District and Association agree to meet monthly if needed during the pandemic to discuss issues that arise in connection with this MOU or COVID-19 conditions affecting the workplace. The Association retains the right to consult on textbooks, curricula, educational methods, standards, and assessments. The Parties share the goal of evaluating the instructional models being used and to improve student learning outcomes. The Association may select a representative from each school site. The Association team shall meet virtually with a District team of three to four members in a consultation committee. Meetings shall be conducted pursuant to agendas set jointly in advance by the Parties, and held at mutually-agreeable times.

22.02 The District shall consult with teachers and POEA in developing its "Learning Continuity and Attendance Plan" for the 2020-2021 school year as required by SB 98. The District shall provide a copy of the "Learning Continuity and Attendance Plan" in draft format at least 24 hours prior to adoption of the plan by the Board of Trustees.

22.03 The District shall provide all bargaining unit members at a school site with the District COVID Coordinator's name, cell phone number, and work email address designated as the single point of contact who will work with Sonoma County Department of Health Services based on Sonoma County Roadmap to Safe Reopening as of the (July 8, 2020)

22.04 Due to the evolving nature of the pandemic, the Association reserves the right to negotiate safety and/or any impacts and effects related to the COVID-19 pandemic as needed.

23.0 DURATION

23.01 The Parties share joint interests in keeping communications open and working collaboratively for the benefit of students, staff, parents, and the District community as events continue to unfold during the pandemic.

Attachment:	Staff Report			

Presented by: Felicia Koha, CBO

Background

The District's 2020-21 Budget was initially adopted at the June 17, 2020 meeting. Since the District budget adoption, Governor Newsom has signed the State Adopted Budget on June 29, 2020.

lssue(s)

Plan/Discussion/Detail

The Adopted State Budget has some notable differences from the May Revised Budget that was used to build the District 2020-21 Budget. The major differences are a change in the COLA%, additional revenues to assist with the impact from the pandemic, and the deferral of state apportionments. The attached 2020-21 Multi Year Projection will be reviewed.

North Coast Teacher Induction Program

Memorandum of Understanding COAST Between Sonoma County Superintendent of Schools as the Local Educational Agency For the North Coast Teacher Induction Program, Participating County Offices of Education, And Participating School Districts and Employing Agencies

A. General

This Memorandum of Understanding (MOU) is between the Sonoma County Superintendent of Schools, serving as the Local Education, Agency (LEA) for the North Coast Teacher Induction Program ("Program"), and the County Offices of Education, districts, schools, employing agencies, and independent charter schools (collectively "District") signing below. The term of this MOU commences on **July 1, 2020**, and terminates on **June 30, 2021**.

B. Purpose

The purpose of the MOU is to establish a formal working relationship between the parties. The Program will provide and coordinate services and support to guide Candidates in meeting California credential requirements through the state-accredited Teacher Induction Credential Programs including General Education Clear, Education Specialist Clear Credential Program, Designated Subjects Credential Programs: Career Technical Education (CTE), Adult Education (AE), and the university-based Intern Program. Throughout this document, new teachers from all of the credential areas are referred to as "Candidates" and veteran teachers are referred to as "Mentors."

C. Eligibility

Eligible "Candidates" are those hired within the NCTIP regional "Consortium" defined as the following counties: Del Norte, Humboldt, Lake, Marin, Mendocino, Napa, Nevada, Sonoma, and Trinity Counties. The following credential programs are available to "Candidates" within the Consortium: **Intern Program:** Candidates who have obtained an Intern Credential from an accredited partner university. **Preliminary Credential Program:** Designated Subjects (CTE) and (AE) candidates who meet the industry experience and pre-requisite CCTC requirements. **Clear Credential Program:** Candidates holding preliminary Multiple Subject, Single Subject, or Education Specialist Credential, Out of State and Out of Country trained teachers, and Designated Subjects (CTE) and (AE) candidates. **Note:** Adult Education, Career Technical Education, General Education, Special Education and Intern candidates who are outside the Consortium *may* be eligible to participate in the Program components on a full fee-for-service basis. Candidates who hold a preliminary credential and need to obtain their Clear Credential who are beyond their first two years of teaching, and/or are teachers in Private Schools, are eligible to participate in the program components on a fee-for-service basis.

D. LEA Responsibilities

- 1. Employ an Executive Director whose primary duty is to administer the Program and employ support staff whose primary duty is to support the administration of the Program.
- 2. Provide sufficient and appropriate workspace for the Executive Director, Program support staff, Program Coordinators, Curriculum Specialist, Registrar and Credential Advisors.
- 3. Provide office support services for the Consortium, including, but not limited to, mail service, phone, fax, Internet services, technology support, and meeting space for Program activities.
- 4. Provide business and legal services required for Program implementation for the region.

- 6. Provide a process for equitable distribution of mentoring, support, formative assessment, and credential services to Candidates and Mentors in all participating Districts and COEs within the region.
- 7. Convene Program Regional Advisory Board meetings a minimum of two times per year, District Coordinators' meetings two times per year, and Regional Leadership Team meetings a minimum of five times per year.
- 8. Develop and provide Professional Development for Candidates and their Mentors to be held in multiple locations within the geographical region served by the parties.
- 9. Assume overall fiscal responsibility for the administration of the program budget, including submission of year-end expenditure reports and any other documentation required by CCTC and/or CDE in relation to the Program.
- 10. Establish a Budget Agreement and reporting requirements for the transfer of funds to Districts. The amount of funds distributed shall be based on the *actual* number of eligible Candidates and Mentors who enrolled in each calendar year.
