## Jack London Families By-Laws

### Article I: Name

The name of the organization shall be Jack London Families PTO (JLF PTO).

### Article II: Purpose

Jack London Families PTO shall promote the well being of children in home, school and community. They shall promote and facilitate interaction between parents, students and charitable and educational purposes.

### Article III: Members

Any parent or legal guardian of a student at the school may be a member and shall have voting rights. The principal and any teacher employed at the school may be a member and have voting rights.

### Article IV: Officers & Elections

Section 1a. Officers- The officers shall consist of President, Vice President, Secretary and Treasurer.

- a. President – The President shall preside over and preserve order at all meetings of the organization and serve as the primary contact for the Principal, represent the organization at meetings outside the organization, and coordinate the work of all the officers and committees so that the purpose of the organization is served.
- b. Vice President – The Vice President shall assist the President and carry out the President’s duties in his or her absence or inability to serve.
- c. Secretary – The Secretary shall keep all records of the organization, take and record minutes, prepare the agenda, handle correspondence, send notices of meetings to the membership, and prepare and distribute notices of all PTO events.
- d. Treasurer – The Treasurer shall receive all funds of the organization, keep an accurate record of receipts and expenditures, and pay out funds in accordance with the approval of the PTO officers and members. He or she will present a financial statement at every meeting and at other times of the year when requested by the executive board, and make a full report at the end of the year. He or she will also be responsible for filing the non-profit State and Federal tax returns as necessary.

Section 1b. Officers Duties- The officers shall transact business in the intervals between meetings and other business as may be referred to Jack London Families. They are to create event committees, present a report at the general meetings, and approve bills within the limits of the budgets.

Section 2- Nominations & Elections- Nomination ballots will be distributed following the second to last meeting of the year with a requested return date of one week prior to the last meeting of the year. At the last meeting nominations may be made if the nominee is present to accept the

nomination. During the last meeting voting shall take place by voice vote unless multiple candidates are running for a position and in that case voting will be done by ballot vote.

Section 3. Terms of Office- Jack London Families officers' terms shall coincide with the School District fiscal year. Officers are elected for a two year term. The offices of President and Treasurer may serve no more than two consecutive terms of the same person in the same position. Each person elected shall hold only one office at a time. In the event an officer is replaced during their term the replacement may serve out the remainder of that term and the time fulfilled will not be included as time served if elected again.

Section 4. Vacancies- If there is a vacancy in the office of President, the Vice President will become the President. At the next regularly scheduled meeting a new Vice President will be elected. If there is a vacancy in any other office, members will fill the vacancy through an election at the next regularly scheduled meeting.

Section 5. JLF PTO prefer to have single representation on all board positions, but should it be necessary, the board approves the use of co-chairs on any/all board positions when single representation is not available.

Section 6. Removal From Office- Officers, when charged with a breach of duties, can be removed from office by a two-thirds majority vote, including two officers.

#### Article V: Meetings

Section 1. Regular Meetings- The regular meeting of the organization shall be held in the Teacher's Lounge on the second Tuesday of each month during the school year at 6:30 p.m., or at a time and place determined by the officers at least one month before the meeting.

Section 2. Special Meetings- Special meetings may be called by the President or two other officers submitting a special request to the Secretary. Previous notice of the special meeting shall be sent to the members at least 48 hours prior to the meeting by flyer and phone call.

Section 3. Quorum- The quorum shall be no less than 6 members of the organization, including two officers.

#### Article VI: Committees

Committees may consist of members, officers, and other parent volunteers from the school, with the President acting as an ex officio member of all committees. The committees will be in charge of any and all necessary tasks to assist putting on a JLF PTO event.

#### Article VII: Business & Finances

Section 1. JLF PTO shall maintain a bank account at a Federally Insured financial institution with the President, Vice President, Secretary, Treasurer and school Principal as signatories, with two signatures required.

Section 2. JLF PTO may deposit funds from their own hosted activities and spend their own net proceeds to benefit their own school and/or students.

Section 3. Minutes of each JLF PTO meeting shall record items of official business, i.e., allocations, budget items, elections, etc.

Section 4. Upon the dissolution of the organization, any remaining funds should be used to pay any outstanding bills and, with the membership's approval, spent for the benefit of the school.

#### Article VIII: Parliamentary Authority

Any procedural item not covered in the By-Laws is to be done in accordance with Robert's Rules of Order.

#### Article IX: Fiscal Year and Tax ID Number

Section 1. The fiscal year for the JLF PTO shall begin on July 1<sup>st</sup> and end on June 30<sup>th</sup>.

Section 2. The IRS EIN for JLF PTO is 33-1071375.

Section 3. The name Jack London Families and/or its tax ID number shall only be used and/or cited in the conduct of official business and activities of Jack London Families and its committees.

#### Article X: Dissolution

The organization may be dissolved with previous notice (14 calendar days) and a two-thirds vote of those present at the meeting.

#### Article XI: Additions

The By-Laws may be amended by a two-thirds majority of votes cast at any general meeting, provided notice has been given at the previous general meeting, or thirty days written notice has been given to the members.

## Agenda Item Summary

Action Item: **17.2 Approval of Resolution #550 Authorizing the District and Charter Schools to Make Transfers Between Fund Balances and Expenditures at Close of Year**

---

Regular Meeting of: June 9, 2021

Action Item

Report Format: Oral

---

Attachment: Resolution

---

**Presented by:** Kay Vang, CBO

### **Background**

Education Code 42603 allows the District's Governing Board to authorize District staff to make budget transfers at year-end without bringing the specific amounts of each transfer to the Board before the transfer can be made. This is to allow staff to make the necessary transfers in July after final costs are known. This is a practice the District has followed for the past six fiscal years.

### **Plan/Discussion/Detail**

Prior to the use of the process allowed by Education Code 42603, it had become increasingly difficult and time-consuming to make the specific budget transfers needed without being able to utilize the fund balances or cross major object codes. This resolution allows the use of the various fund balances and the crossing of major object codes to balance each budget transfer.

### **Fiscal Impact**

None

### **Recommendation**

Approve as presented

**RESOLUTION OF THE GOVERNING BOARD OF THE PINER-OLIVET UNION SCHOOL DISTRICT  
AUTHORIZING TRANSFERS BETWEEN FUND BALANCES AND EXPENDITURES AT CLOSE OF YEAR  
PER EDUCATION CODE 42601**

**WHEREAS**, Section 42601 of the Education code of the State of California provides that at the close of the school year a school district, may with the approval of the Governing Board, identify and request the County Superintendent of Schools to make transfers between the designated fund balance or the unassigned fund balance and any expenditure classifications of the budget of the district for that school year as necessary to permit payment of obligations of the district incurred during that school year, and shall notify the districts;

**NOW, THEREFORE, BE IT RESOLVED**, that in accordance with Education Code Section 42601, the district be and is hereby authorized to identify such additional transfers and the County Superintendent of Schools of Sonoma County be and is hereby authorized to make such additional transfers between the designated fund balance or the unassigned fund balance and any expenditure classification or classifications or balance of the Piner-Olivet Union School District, Northwest Prep Charter School, Olivet Elementary Charter School, Piner-Olivet Charter School, and Schaefer Charter School as are necessary and approved by the District’s Superintendent or CBO to permit the payment of obligations incurred during the 2021-22 fiscal year. This Resolution applies to all funds operated by the district.

The foregoing resolution was introduced by Board Member \_\_\_\_\_ who moved its adoption, seconded by Board Member \_\_\_\_\_ and adopted on roll call on June 9, 2021, 2021:

## Agenda Item Summary

Action Item: **17.3** *Approval of Updated Measure L Bond Citizen's Bond Oversight Committee Member List*

---

Regular Meeting of June 9, 2021	<b>Action Item</b>	Report Format: Oral
Attachment	<b>None</b>	

---

**Presented by:** Dr. Steve Charbonneau, Superintendent

### **Background**

Thanks to the voters within the Piner-Olivet service boundary, the Measure L Bond for school facility improvements was approved for the Piner-Olivet Union School District (POUSD) in 2010. In Spring 2021, the district acquired approximately 6 million additional Measure L Bond dollars in order to complete bond projects that were not previously completed. The acquisition of additional Measure L Bond dollars prompted the need for the POUSD Citizen's Bond Oversight Committee to reconvene.

### **Citizen's Bond Oversight Committee Members:**

Dani Foster, Les Proteau, Roger Lueck, Andrea Correia (new), Jessica Crain (new)

### **District Bond Team**

The Measure L Bond team is composed of District staff as well as an operational team to execute and plan all projects.

#### District Staff

Steve Charbonneau, Superintendent

Kay Vang, Chief Business Official

Cathy Manno, Executive Assistant

### **Recommendation**

It is recommended that the Board of Trustees approve the updated POUSD Measure L Citizen's Bond Oversight Committee member list.

## Agenda Item Summary

**Action Item: 17.4 Public Hearing on 2021-2022 Budget for Piner-Olivet Union School District Including Olivet Elementary Charter School, Schaefer Charter School, Northwest Prep Charter and Piner-Olivet Charter School and Statement of Reasons for Excess Reserves**

---

Regular Meeting of: June 9, 2021

Action Item

Report Format: Oral

Attachment: Staff Report

---

**Presented by:** Kay Vang, CBO

### **Background**

Districts must adopt a balanced budget by June 30. The District's 2021-22 Budget was available for public inspection on June 2, 2021. Beginning in 2014-2015 and continuing in subsequent years, districts must hold public hearings on the LCAP first and then the budget. The LCAP and budget must then be adopted at a subsequent meeting and cannot be approved at the same meeting as the public hearings.

Since the inception of the Local Control Accountability Plan in 2014-2015, district budgets must align with the LCAP. The District and groups of stakeholders have been working on the LCAPs for the District and charter schools.

### **Plan/Discussion/Detail**

Information used to develop the budget is the most recent available, although that information changes on a daily basis. The budgets align with the LCAPs. The revenue for the budget is based on the Local Control Funding Formula. This revenue projection complies with the parameters given to districts by the Sonoma County Office of Education. The attached 2021-22 District Budget and Statement of Reasons for Excess Reserves will be reviewed.

### **Recommendation**

Hold the public hearing.

**ANNUAL BUDGET REPORT:**  
July 1, 2021 Budget Adoption

Insert "X" in applicable boxes:

This budget was developed using the state-adopted Criteria and Standards. It includes the expenditures necessary to implement the Local Control and Accountability Plan (LCAP) or annual update to the LCAP that will be effective for the budget year. The budget was filed and adopted subsequent to a public hearing by the governing board of the school district pursuant to Education Code sections 33129, 42127, 52060, 52061, and 52062.

If the budget includes a combined assigned and unassigned ending fund balance above the minimum recommended reserve for economic uncertainties, at its public hearing, the school district complied with the requirements of subparagraphs (B) and (C) of paragraph (2) of subdivision (a) of Education Code Section 42127.

ANNUAL CERTIFICATION REGARDING SELF-INSURED WORKERS' COMPENSATION CLAIMS

Pursuant to EC Section 42141, if a school district, either individually or as a member of a joint powers agency, is self-insured for workers' compensation claims, the superintendent of the school district annually shall provide information to the governing board of the school district regarding the estimated accrued but unfunded cost of those claims. The governing board annually shall certify to the county superintendent of schools the amount of money, if any, that it has decided to reserve in its budget for the cost of those claims.

To the County Superintendent of Schools:

## **Piner-Olivet Union School District -- Student Outcomes**

*Mastery of the following competencies is the cornerstone of the Piner-Olivet District program. In addition to the knowledge described in the California Content Standards, these competencies are the foundation of our culture and academic goals. We believe that students proficient in these skills and behaviors will be successful on any path they choose.*

### **Personal Integrity**

Students handle themselves with confidence and act with honesty and courage. They commit to their developing beliefs and are willing to assume roles as inquiring observers, active participants, and dynamic leaders. They demonstrate positive working relationships across diverse groups, accept personal responsibility for their actions, and remain open to learning from the feedback and guidance of others.

### **Productive Collaboration**

Students develop and use the skills necessary to plan and engage in group projects. They work to resolve social and logistical conflicts and devise solutions to meet diverse needs. They collectively set goals and develop strategies to meet those goals. They evaluate the effectiveness of their approach and constructively adapt to new understandings as they arise.

### **Critical and Creative Thinking**

Students identify problems and pursue opportunities from multiple perspectives. They locate, organize, analyze, and apply key information in inventive and imaginative ways. They design, evaluate, and employ a variety of strategies, tools, and skills to achieve innovative results. Students are independent, creative, and critical thinkers who question and connect to the world around them from both big picture and focused perspectives.

### **Effective Communication**

Students understand and practice effective communication using verbal and nonverbal language with intent, awareness, and accuracy. They are empathetic, emotionally intelligent, persuasive, and articulate. They are skillful self-advocates who effectively communicate their needs. Students internalize and present their understandings and ideas with confidence and clarity. Employing a variety of media, they use practical, academic, and artistic abilities to convey meaning in a clear and engaging fashion.

### **Reflective Learning**

Students excel at making critical observations about their own learning and potential. They formulate meaningful and relevant questions that inspire and encourage further inquiry. Students consistently take charge of their education by reflecting upon and revising their own practices.

### **Citizenship and Global Responsibility**

Students are engaged and informed citizens. They are empowered to create positive change in themselves, their communities, and the world. They are mindful and principled decision makers who understand the long and short-term effects of their actions on others and the environment. They practice compassionate, ethical, and active citizenship in local, global, and virtual settings. Students strive to achieve balance between their own needs and the needs of others.

### **Resiliency and Drive**

Students are adept at taking intelligent risks and view mistakes as necessary steps toward learning and growth. They consciously identify their intentions and desires. They possess the tenacity and determination to work individually and collaboratively. They are self-motivated and self-regulated. Piner-Olivet students confront challenges and persevere through adversity.

# BUDGET SUMMARY

# PINER-OLIVET UNION SCHOOL DISTRICT

To: The Governing Board  
From: Kay Vang, Chief Business Official  
Subject: The Budget for 2021-2022

The District's budget is a financial plan reflecting the District's Local Control Accountability Plan (LCAP) and Board designated essential services. The budget is not meant to be static, rather it is a fluid document that is updated several times each year to reflect changes in legislation, personnel, utility costs, etc. as new information is received on actual costs and revenues. It is important to remember that a budget is a best estimate at any given time as it was developed with the facts known at that specific time. This budget was developed using a technical process that included revenue forecasts, expenditure projections and identification of known carryovers. Reasonable average daily attendance (ADA), and cost of living adjustment (COLA) were used when planning and developing the budget. This process was applied to all district funds.

The May Revision is an opportunity for the Governor to recast his January State Budget proposals and present new proposals in view of a revised revenue outlook, legislative budget hearings, and stakeholder feedback. In this unprecedented public health crisis, 2021-22 is expected to be another very challenging year for school administration and finance staff. However, the Governor's May Revision is reflective of a strong economic turnaround, projecting unprecedented funding for K-12 public education. This budget provides for a super COLA and several one-time funding opportunities, with the creation of California for All Kids, a roadmap to address the gaps in early education, school nutrition, teacher support, class size, broadband access, and wraparound services.

The State of California is required to pass a balanced budget; in order to accomplish this, the State has made many adjustments that affect all Local Educational Authorities (LEAs). The Local Control Funding Formula (LCFF) COLA for 2021-22 projected at 1.7%, compounded with the deferred 2020-21 COLA of 2.31%, which equates to a 4.05% COLA. An additional 1.0% increase to the LCFF base calculates to a super COLA of 5.07% for 2021-22.

In 2020-21, a significant change that impacted the District budget was the deferral of the apportionment for February, March, April, May, and June to 2021-22. The impact will be no revenue received for those months of about \$2 million. The Governor's budget continues to propose paying off most of the K-12 cash deferrals.

## **General Fund** (District 43) (Funds 01, 04 and 05)

### *Overall Condition of the District*

The multi-year projection shows deficit spending in the 2021-2022 and 2022-23 fiscal years of \$942,540 and \$57,457, respectively. The District currently has sufficient reserves to maintain a positive financial status in the 2021—22, 2020-23 and 2023-24 fiscal years. The ending fund balance in the 2021-22, 2022-23, and 2023-24 fiscal years is \$5,247,718, \$5,091,912, and \$5,015,200, respectively.

The local control funding formula (LCFF) calculation generates funding for each district based on ADA, grade level and the percentage of EL, low SES, and foster youth students. This budget is based on receiving COLAs of 5.07% in 2021-2022, 2.48% in 2022-2023 and 3.11% in 2023-2024.

Piner-Olivet receives Basic Aid Supplement Funding based on the number of students attending District charter schools who would not otherwise be served by the District and based on the amount of property taxes the District must share with the charter schools. This calculation includes students who live outside of the District boundaries and students attending grades 7 – 12. The District is projected to receive \$2,500,000 for Basic Aid Supplement Funding in 2021-22 and \$2,400,000 in 2022-23 and 2023-24 fiscal years.

### *Enrollment/ADA Trends*

The District receives the majority of its funding based on average daily attendance which is typically 95% of enrollment. The projected enrollment for 2021-2022 is 915 and is budgeted to decline over the subsequent years to 894 and 868. The decline is due to a reduced enrollment from past years and the impact that has as each grade level decreases year over year. Part of the LCFF formula is based on classes in grades K-3 being at 24 or less; all of Piner-Olivet's K-3 classes have 24 or less students.

**Status of Negotiations**

Negotiations for 2021-22 have settled. The impact of settlement has been incorporated into all budget years.

**Retirement Packages**

The retirement packages offered to retirees are specified in the contracts with the bargaining units. Retirees have the dollar amount of the employee-only cost at the time of retirement contributed by the District towards a health premium until the retiree attains the age of 65. At that time, there is no longer any District contribution. The District is projected to have nine (9) retirees on this plan at a cost of \$49,757. The District budgets and expends a similar amount each year. The District also offered a retirement incentive program for 2016-2017. The retiree incentive program was fully paid during the 2019-2020 year.

**Encroachments**

Some restricted programs have higher expenditures than revenues. This is called an encroachment. There are two programs that have an encroachment at this time, Special Education and Cafeteria. The encroachment for special education is estimated to be \$1,801,156. The cafeteria program is anticipated to have an encroachment this year of \$98,349.

**Multiyear Commitments**

The District passed a General Obligation Bond measure in 1995 for \$10 million. Approximately half of those bonds were sold in 1995 and the remainder in 1998. The bonds were then refunded in 2003 when interest rates were lower. The bonds are being repaid from property taxes levied for that purpose. The bonds will be fully repaid in 2022. The District passed a second General Obligation Bond measure in 2010 for \$20 million. Approximately \$8.6 million of those bonds were sold in 2011, leaving approximately \$12 million in bonding authority. The bonds will be repaid from property taxes levied for that purpose. In 2020-21, the District executed the Forward Delivery Bond Purchase Agreement, dated January 6, 2021. The GO Refunding Bonds, Series 2021 with a principal amount of \$6,215,000 will be utilized for future bond projects such as security alarms, technology infrastructure, marquees, and school grounds.

**Local Control Funding Formula (LCFF)**

The District’s LCFF funding estimate for 2021-2022 is based on State budget information from the current School Services of California (SSC) Dartboard, which is used State-wide and is a County Office directive. The factors that drive the LCFF is enrollment multiplied by average daily attendance, the grade span of the student, K-3 class size, and students who are English Learners, low socio economic status, and foster youth.

**Other Revenues**

Federal revenue is being decreased by \$1,496,891 when comparing 2020-2021 to 2021-2022 due to one-time funding that will continue to be spent in 2021-22. Other State revenue has been decreased by \$464,295 in 2021-2022 due to one-time funding that will continue to be spent in the 2021-22 year. The SSC Dartboard was used to project lottery revenues for the budget and subsequent years. Local Revenue has remained comparative to prior year.

**Expenditures**

Salaries and benefits make up the majority of any educational agency’s budget. In developing the LCAPs for the District’s K-6 schools, some changes in personnel were made for the 2021-2022 budget. Those changes have been included in the projected expenditures for 2021-2022 and the two subsequent years. Changes in number of employees, statutory benefit rates, and changes in costs for health benefits packages are detailed on the Budget Assumption page. Overall, the expenditures budgeted for 2021-2022 are approximately \$623,715 more than 2020-2021. This is primarily due to expenses using one-time federal and state funds.

**Fund Balance** – At this point the budgeted year-end balance is \$6,288,607. Some portions of this balance are reserved or designated for specific purposes. A breakdown of the projected ending balance is as follows:

Revolving Cash	\$	3,000
Lottery/Restricted	\$	1,273,141
Designated for Technology & Special Education	\$	2,873,512
Designated for Economic Uncertainties (4.00%)	\$	601,987
Designated for Cash Flow (11.00%)	\$	1,536,967
Unassigned, Unrestricted	\$	0

### **Cash Position**

A cash flow analysis projected through this fiscal year-end has been completed and is attached. We anticipate that the District will not have negative cash flow during the 2021-22 year. However, the District is securing a line of credit with the County Treasure for safety measures.

### **Piner-Olivet Charter School Fund** (District 43) (Fund 07)

The District sponsors the Piner-Olivet Charter School. The Piner-Olivet Charter School's first year of operation was 1996-1997. The school serves students in grades 6 - 8. The Budget for the Piner-Olivet Charter School is included as part of this packet. The budget is based on the SSC May Revise Dartboard. The multi-year projection and cash flow analysis combine both Piner-Olivet Charter School and Northwest Prep as both Funds roll up to the Charter Fund 09 now.

### **Northwest Prep at Piner-Olivet Fund** (District 43) (Fund 09)

The District sponsors another charter school, Northwest Prep at Piner-Olivet. Northwest Prep's first year of operation was 2004-2005. The school serves students in grades 7 – 12. It is the only school in the District with a high school population. The Budget for Northwest Prep at Piner-Olivet is included in this packet. The budget is based on the SSC May Revise Dartboard. The multi-year projection and cash flow analysis combine both Piner-Olivet Charter School and Northwest Prep as both Funds roll up to the Charter Fund 09 now.

### **Cafeteria Fund** (Fund 13)

The Cafeteria Fund is utilized for depositing and expending funds related to the Food Service Program. Total revenue and expenditures budgeted for 2021-2022 is \$186,349, with a projected transfer in from the General Fund of \$98,349 to balance the fund. The program is projected to require a contribution every year in the future.

### **Deferred Maintenance Fund** (Fund 14)

The Deferred Maintenance Fund is utilized for maintenance or upgrades in facilities that are twenty years old or older. Until 2008-2009, the District would transfer ½ of 1% of the General Fund expenditures to the Deferred Maintenance Fund each year with the State matching that amount most years. The 2009 State Budget Act affected this program by allowing this revenue to be used for any educational purpose for 2008-2009 through 2012-2013 (extended to 2014-2015) as well as allowing districts to not make a contribution. For those years through 2012-2013, the District did not make a transfer to the Deferred Maintenance Fund and any revenue received from the State for the Deferred Maintenance Program was used to balance the District's General Fund or was added to the District's Cash Flow Reserve. For 2013-2014, the Board took action to transfer \$100,000 from the District's General Fund to the Deferred Maintenance Fund. During the 2019-20 year the Board took action to not make the transfer to the Deferred Maintenance fund for the 2020-21 through 2022-23 budget years in order to alleviate the stress on the General Fund balance and address deficit spending. For 2021-2022, the projected fund balance is \$269,324.

### **Special Reserve Fund** (Fund 17)

The Special Reserve Fund was initiated in 2009-2010. \$300,000 was transferred into this fund from the Deferred Maintenance Fund. Along with transferring these funds, the Board took action to designate these funds to be spent only on deferred maintenance items and only if necessary. The advantages of moving the funds from the Deferred Maintenance Fund to the Special Reserve Funds were that this could only be done in 2009-2010 and would not be possible in future years and that the funds could be used in the calculation of the District's Reserve for Economic Uncertainty. Most of the funds have been used for deferred maintenance projects. The fund was almost totally depleted in 2013-2014. For 2021-2022, the projected fund balance is \$9,821.

### **Special Reserve Fund (OPEB)** (Fund 20)

Fund 20, Special Reserve Fund for Other Post Employment Benefits (OPEB), was created in 2014-2015. \$600,000 was transferred into the fund from the General Fund's unassigned reserve to begin to fund the District's \$1.1 million unfunded OPEB liability. The fund balance in 2021-2022 is projected at \$651,760.

**Bond Fund** (Fund 21)

The Bond Fund was re-established in 2010-2011. \$8,033,000 was initially deposited into this fund from the sale of general obligation bonds. Bond funds may only be spent on items included in the Measure L language that was included on the November, 2010 ballot. Total revenue budgeted for 2021-2022 is \$5,834,941. It is projected that there will be bond project expenses made from this fund during 2021-2022.

**Capital Facilities Account Fund** (Fund 25)

The Capital Facilities Account Fund is utilized for depositing and expending developer fees. Total revenue budgeted for 2021-2022 is \$5,000, total expenditures budgeted are \$0 with a projected fund balance of \$780,559. Developer fees are not budgeted until they are received. It is anticipated that there will be developer fees collected and spent during 2021-2022 and that the budget would be updated periodically throughout the year to reflect those revenues and expenditures.

**CRITERIA AND STANDARDS**

**1. CRITERION: Average Daily Attendance**

STANDARD: Funded average daily attendance (ADA) has not been overestimated in 1) the first prior fiscal year OR in 2) two or more of the previous three fiscal years by more than the following percentage levels:

Percentage Level	District ADA	
3.0%	0	to 300
2.0%	301	to 1,000
1.0%	1,001	and over

**2B. Comparison of District Enrollment to the Standard**

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Enrollment was estimated above the standard for the first prior year. Provide reasons for the overestimate, a description of the methods and assumptions used in projecting enrollment, and what changes will be made to improve the accuracy of projections in this area.

**Explanation:**  
(required if NOT met)

The District historical average has included enrollment data from charters that are not reported in the General Fund. Only General Funds data will be utilized moving forward.

- 1b. STANDARD NOT MET - Enrollment was estimated above the standard for two or more of the previous three years. Provide reasons for the overestimate, a description of the methods and assumptions used in projecting enrollment, and what changes will be made to improve the accuracy of projections in this area.

**Explanation:**  
(required if NOT met)

The District historical average has included enrollment data from charters that are not reported in the General Fund. Only General Funds data will be utilized moving forward.

**3. CRITERION: ADA to Enrollment**

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the budget year or two subsequent fiscal years has not increased from the historical average ratio from the three prior fiscal years by more than one half of one percent (0.5%).

**3A. Calculating the District's ADA to Enrollment Standard**

DATA ENTRY: All data are extracted or calculated. Data should reflect district regular and charter school ADA/enrollment corresponding to financial data reported in the General Fund, only, for all fiscal years.

**3C. Comparison of District ADA to Enrollment Ratio to the Standard**

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD NOT MET - Projected P-2 ADA to enrollment ratio is above the standard for one or more of the budget or two subsequent fiscal years. Provide reasons why the projected ratio exceeds the district's historical average ratio by more than 0.5%.

**Explanation:**  
(required if NOT met)

The District historical average has included enrollment data from charters that are not reported in the General Fund; this is causing a low Historical Ratio of ADA to Enrollment. Current Year and Project Years are utilizing data that is reported in the General Fund only. This historical average will correct after a few years of reporting General Fund data only.

**4. CRITERION: LCFF Revenue**

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

<sup>1</sup> Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

**4A. District's LCFF Revenue Standard**

Indicate which standard applies:

LCFF Revenue

Basic Aid

Necessary Small School

The District must select which LCFF revenue standard applies.

LCFF Revenue Standard selected: LCFF Revenue

**4A1. Calculating the District's LCFF Revenue Standard**

DATA ENTRY: Enter data in Step 1a for the two subsequent fiscal years. All other data is extracted or calculated. Enter data for Steps 2a through 2b1. All other data is calculated.

Note: Due to the full implementation of LCFF, gap funding and the economic recovery target increment payment amounts are no longer applicable.

**Explanation:**  
(required if NOT met)

Charters schools do not have "hold harmless" ADA for 2021/22 and out years. These two charters (Schaefer and Olivet) roll up to Fund 01 skewing the data.

**5. CRITERION: Salaries and Benefits**

DATA ENTRY: Enter an explanation if the standard is not met.

- 1a. STANDARD MET - Ratio of total unrestricted salaries and benefits to total unrestricted expenditures has met the standard for the budget and two subsequent fiscal years.

Explanation:  
(required if NOT met)

**6. CRITERION: Other Revenues and Expenditures**

STANDARD: Projected operating revenues (including federal, other state, and other local) or expenditures (including books and supplies, and services and other operating), for any of the budget year or two subsequent fiscal years, have not changed from the prior fiscal year amount by more than the percentage change in population and the funded cost-of-living adjustment (COLA) plus or minus ten percent.

For each major object category, changes that exceed the percentage change in population and the funded COLA plus or minus five percent must be explained.

**7. CRITERION: Facilities Maintenance**

**STANDARD:** Confirm that the annual contribution for facilities maintenance funding is not less than the amount required pursuant to Education Code Section 17070.75, if applicable, and that the district is providing adequately to preserve the functionality of its facilities for their normal life in accordance with Education Code sections 52060(d)(1) and 17002(d)(1).

**Determining the District's Compliance with the Contribution Requirement for EC Section 17070.75 - Ongoing and Major Maintenance/Restricted Maintenance Account (OMMA/RMA)**

**NOTE:** EC Section 17070.75 requires the district to deposit into the account a minimum amount equal to or greater than three percent of the total general fund expenditures and other financing uses for that fiscal year. Per SB 98 and SB 820 of 2020, resources 3210, 3215, 3220, 5316, 7027, 7420, and 7690 are excluded from the total general fund expenditures calculation.

**DATA ENTRY:** Click the appropriate Yes or No button for special education local plan area (SELPA) administrative units (AUs); all other data are extracted or calculated. If standard is not met, enter an X in the appropriate box and enter an explanation, if applicable.

1. a. For districts that are the AU of a SELPA, do you choose to exclude revenues that are passed through to participating members of the SELPA from the OMMA/RMA required minimum contribution calculation? No
- b. Pass-through revenues and apportionments that may be excluded from the OMMA/RMA calculation per EC Section 17070.75(b)(2)(D) (Fund 10, resources 3300-3499, 6500-6540 and 6546, objects 7211-7213 and 7221-7223) 0.00

DATA ENTRY: Click the appropriate Yes or No button for items S1 through S4. Enter an explanation for each Yes answer.

**S1. Contingent Liabilities**

1a. Does your district have any known or contingent liabilities (e.g., financial or program audits, litigation, state compliance reviews) that may impact the budget?

1b. If Yes, identify the liabilities and how they may impact the budget:

**S2. Use of One-time Revenues for Ongoing Expenditures**

1a. Does your district have ongoing general fund expenditures in the budget in excess of one percent of the total general fund expenditures that are funded with one-time resources?

1b. If Yes, identify the expenditures and explain how the one-time resources will be replaced to continue funding the ongoing expenditures in the following fiscal years:

**S3. Use of Ongoing Revenues for One-time Expenditures**

1a. Does your district have large non-recurring general fund expenditures that are funded with ongoing general fund revenues?

1b. If Yes, identify the expenditures:

**S4. Contingent Revenues**

1a. Does your district have projected revenues for the budget year or either of the two subsequent fiscal years contingent on reauthorization by the local government, special legislation, or other definitive act (e.g., parcel taxes, forest reserves)?

1b. If Yes, identify any of these revenues that are dedicated for ongoing expenses and explain how the revenues will be replaced or expenditures reduced:

**S5. Contributions**

Identify projected contributions from unrestricted resources in the general fund to restricted resources in the general fund for the budget year and two subsequent fiscal years. Provide an explanation if contributions have changed from the prior fiscal year amounts by more than \$20,000 and more than ten percent. Explanation should include whether contributions are ongoing or one-time in nature.

Identify projected transfers to or from the general fund to cover operating deficits in either the general fund or any other fund for the budget year and two subsequent fiscal years. Provide an explanation if transfers have changed from the prior fiscal year amounts by more than \$20,000 and more than ten percent. Explanation should include whether transfers are ongoing or one-time in nature.

Estimate the impact of any capital projects on the general fund operational budget.

DATA ENTRY: Click the appropriate Yes or No button in item 1; if Yes, an explanation is required in item 2.

1. Will funding sources used to pay long-term commitments decrease or expire prior to the end of the commitment period, or are they one-time sources?

No

- 2.

No - Funding sources will not decrease or expire prior to the end of the commitment period, and one-time funds are not being used for long-term commitment annual payments.

**Explanation:**  
(required if Yes)

**S7. Unfunded Liabilities**

Estimate the unfunded liability for postemployment benefits other than pensions (OPEB) based on an actuarial valuation, if required, or other method; identify or estimate the actuarially determined contribution (if available); and indicate how the obligation is funded (pay-as-you-go, amortized over a specific period, etc.).

Estimate the unfunded liability for self-insurance programs such as workers' compensation based on an actuarial valuation, if required, or other method; identify or estimate the required contribution; and indicate how the obligation is funded (level of risk retained, funding approach, etc.).

**S7A. Identification of the District's Estimated Unfunded Liability for Postemployment Benefits Other than Pensions (OPEB)**

DATA ENTRY: Click the appropriate button in item 1 and enter data in all other applicable items; there are no extractions in this section except the budget year data on line 5b.

1. Does your district provide postemployment benefits other than pensions (OPEB)? (If No, skip items 2-5)

2. For the district's OPEB:  
a. Are they lifetime benefits?

b. Do benefits continue past age 65?

c. Describe any other characteristics of the district's OPEB program including eligibility criteria and amounts, if any, that retirees are required to contribute toward their own benefits:

Employees must have worked in the District for the prior 14 consecutive years to participate in the District's retiree health benefit program. The District provides the amount of the premium, or cap, at the time of the retirement for a single person only until the age of 65. The retiree pays any difference between what the District provides and the premium. The amount the District provides is a percentage based on the age of the employee at the retirement. The percentage ranges from 75% to 100%.

3. a. Are OPEB financed on a pay-as-you-go, actuarial cost, or other method?

b. Indicate any accumulated amounts earmarked for OPEB in a self-insurance or governmental fund

**S8. Status of Labor Agreements**

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

**If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:**

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.

The following fiscal indicators are designed to provide additional data for reviewing agencies. A "Yes" answer to any single indicator does not necessarily suggest a cause for concern, but may alert the reviewing agency to the need for additional review.

DATA ENTRY: Click the appropriate Yes or No button for items A1 through A9 except item A3, which is automatically completed based on data in Criterion 2.

- A1. Do cash flow projections show that the district will end the budget year with a negative cash balance in the general fund?
  
- A2. Is the system of personnel position control independent from the payroll system?
  
- A3. Is enrollment decreasing in both the prior fiscal year and budget year? (Data from the enrollment budget column and actual column of Criterion 2A are used to determine Yes or No)
  
- A4. Are new charter schools operating in district boundaries that impact the district's enrollment, either in the prior fiscal year or budget year?
  
- A5. Has the district entered into a bargaining agreement where any of the budget or subsequent years of the agreement would result in salary increases that are expected to exceed the projected state funded cost-of-living adjustment?
  
- A6. Does the district provide uncapped (100% employer paid) health benefits for current or retired employees?
  
- A7. Is the district's financial system independent of the county office system?
  
- A8. Does the district have any reports that indicate fiscal distress pursuant to Education Code Section 42127.6(a)? (If Yes, provide copies to the county office of education)
  
- A9. Have there been personnel changes in the superintendent or chief business official positions within the last 12 months?

When providing comments for additional fiscal indicators, please include the item number applicable to each comment.

**Presented by:** Kay Vang, CBO

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The annual update includes an analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP) and 2020-21 Learning Continuity Plan (LCP).

### **Fiscal Impact**

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All actions and services were implemented except professional consulting services and 21st century modernization project due to budget cuts.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Success:

- 51% of students feeling they had a caring relationship with an adult
- 5% increase in school connectedness
- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- 100% of students have instructional materials in 2019-2020

### Challenges:

- 20% decrease in meaningful participation
- 5% decrease in feeling safe at school
- 39% decrease in 6th grade students not feeling as a valued member of the school community
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 2

Implement teaching practices that support students in the achievement of California Content Standards and the District's Student Outcomes.

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All of the Actions/Services were implemented except additional math, writing and 21st Century Professional Development and conferences due to budget cuts and COVID-19.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Successes

- 100% of classrooms show evidence of core instructional practices aligned to the California Common Core Standards and the District's Student Outcomes.
- 4% increase of teachers who feel staff work in collaborative manner
- Technology Integration Coach to aid in success of distance learning
- Shortened Wednesdays and additional grade level planning days that helped teachers implement teaching practices that support students in the achievement of the California Common Core Standards and the District's Student Outcomes

### Challenges

- 10% decrease in positive teacher feedback on professional learning opportunities offered.
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

### Goal 3

All students will demonstrate proficiency in the skills and behaviors necessary for future success in college and careers.

State and/or Local Priorities addressed by this goal:

State Priorities:    Priority 4: Pupil Achievement (Pupil Outcomes)  
                          Priority 7: Course Access (Conditions of Learning)

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All of the Actions/Services were implemented except extended learning time for students during the summer due to COVID-19.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Successes

- 100% access for all students to a broad course of study
- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- Implementation of 2nd year of math curriculum

### Challenges

- Decrease in Star Reading and Math for 4th-5th grade students
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 4

Improve parent engagement.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

### Continuity of Instruction

- Success: We provided daily live interaction to all students and we provided various online resources to facilitate learning online.
- Challenge: Engaging students online was a challenge.

#### Access to Devices and Connectivity

- Success: All students were provided a device to engage in distance learning.
- Challenge: At the beginning of distance learning there were a lot of technology issues to figure out and a learning curve for students, parents and teachers that was overcome.

#### Pupil Participation and Progress

- Success: We developed a student of concern list that both teachers and principals contributed to and notified parents if students did not complete their work or were at risk of not meeting academic standards, we recorded daily participation of each student, time value met the number of instructional minutes required.
- Challenge: Developing and implementing taking attendance and communicating with student of concern families.

#### Distance Learning Professional Development,

- Success: We provided professional development or collaboration time to help navigate and improve distance learning practices.
- Challenge: The stress of the situation made it challenging to process and implement professional development opportunities. Varying teacher experience with technology and meeting their needs for professional development. Pivoting plans for professional development and being flexible for teacher needs.

#### Staff Roles and Responsibilities

- Success: The Director of Innovative Learning, library technician, Teacher on Special Assignment (technology teacher) developed a website that had daily lessons and resources for distance learning. Program assistants assisted teachers with small groups instruction on zoom.
- Challenges: Overall transition to a virtual environment for all staff members.

#### Support for Pupils with Unique Needs.

- Success: English learners were provided synchronous and asynchronous instruction as well as additional support through small group instruction, Special Education services continued to be provided virtually to students according to their IEP,
- Challenge: Providing special education services for some students was challenging.

# Pupil Learning Loss

## Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
1:1 tutoring	58,000	0	No
Student math kits for Virtual Learning (PO21-00048)	26,000	6121	No
Communication devices for staff to connect to families and students	2,300	500	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

All All of the Actions/Services were implemented except 1:1 tutoring goal due to COVID-19. However, program assistants and teachers providing small group instruction throughout the pandemic.

## Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

### Identifying learning loss

- Successes:
  - We routinely used formative assessments throughout the year to identify learning loss.
  - In Spring 2021, all students took STAR reading and math test to identify learning loss.
- Challenges:
  - Conducting formative assessments and summative assessments in the virtual learning environment.
  - Ensuring that the majority of students were assessed in STAR Reading and Math.

### Strategies

#### Successes:

- Utilizing differentiation to provide additional support to students through small group instruction.

- Providing individual student math manipulative kits and learning tool pick up dates for hands-on learning and instruction.

Effectiveness (April/May 2021)

- Star Math: 3rd grade has 54%, 4th grade has 47%, 5th grade has 54% of students at or above benchmark for the district.
- Star Reading: 3rd grade has 60%, 4th grade has 46%, 5th grade has 47% of students at or above benchmark for the district.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

### Successes

- Implementation of MTSS
- Implementation of Social-emotional learning in the classroom (Toolbox, Restorative Circles and Morning Meetings)
- Counseling sessions were provided to students as needed in various ways.
- Friendship groups for students to express ideas and feelings in a small, safe, and supportive environment.
- Support Groups for students to help them find success strategies for homework completion and motivation.
- Communication with students and parents to communicate about different issues to help the parent support their child at home.
- In-person learning: individual and small group student support groups to readjust to being on campus, including covid worries, anxiety around peer relationships, and lack of confidence.

### Challenges

- Our community has been faced with unprecedented trauma for the past 5 years (many fires, power shut off days, air quality closure days, floods, and a global pandemic). The importance of mental health and social and emotional well being is incredibly important and at times needs to be prioritized over academics.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

### Successes

- Teachers connected to students via daily live interaction
- Parents were contacted on a regular basis to provide information, direction and resources
- Teachers regularly communicated with parents and guardians regarding academic progress
- When students were not engaged we communicated with families through a student of concern document
- Held over 6 virtual meetings for varying purposes: input, reopening plan, etc.
- Outreach Worker helped communicate with families and translate meetings, communication, etc.
- Launched Parentsquare communication app that teachers, staff, principals and district office used to consistently communicate
- Launched Aeries Parent Portal for parents to view student grades, report cards, and other school information
- Conducted surveys through google forms for feedback and input

### Challenges:

- Communicating with student of concern families
- Constantly communicating with changing guidelines

## **Analysis of School Nutrition**

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

### **Successes**

- Sent Parentsquare messages weekly about grab and go meals and updates on nutrition information
- Provided grab and go meals to all students via drive through pick-up (from March 2019-June 2021)
- Provided breakfast and lunch to all students in hybrid learning model (April 2021-June 2021)

### **Challenges**

- Obtaining free and reduced lunch applications since all meals were free for students this year.
- Families remembering to collect their grab and go lunches each week.

# Additional Actions and Plan Requirements

## Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Additional Counseling Services to Promote Mental Health and Social/Emotional Wellbeing of Students: COUNSELOR	60,000	54,236	No
Pupil Engagement and Outreach	Improved Communication with EL Students/Families POUSD acquired "ParentSquare" (an AERIES product) which translates all outgoing and incoming messages to facilitate effective communication during virtual learning efforts. This has allowed us to provide significantly improved support for our Spanish speaking families. The program was on-boarded in fall 2020, specifically to augment the Virtual Learning experience of English Learners and to better support their families.	7,500	2,000	No
Distance Learning Program (Supports for Pupils with Unique Needs)	"Comfort Bags" for Homeless, Foster, Low Income Students 40 duffel bags were made available for homeless, foster, low income and struggling students. Distributed the first week of September 2020 out of Schaefer Elementary, these bags contained toiletries (shampoo, soap, toothbrush and toothpaste), a blanket, books, games/puzzles, coloring books and stuffed animals/toys.	2,300	500	No

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Distance Learning Program	Materials and equipment for teachers to work effectively in Virtual Learning	63,500	20,000	No

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

There were no substantive differences between the planned actions and budgeted expenditures except additional services spent on counseling to support and promote the mental health and social/emotional wellbeing of students.

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to assess the lessons learned from in-person and distance learning programs in 2020-2021. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person’s inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). This goal will be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

Pupil learning loss will be addressed through targeted instruction and responsive teaching based on common formative and summative district assessments. All metrics in Goal 1 will be monitored and reported on during the annual update cycle. These metrics assess pupil learning loss/ learning acceleration.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

There were no substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement except additional services spent on counseling to support and promote the mental health and social/emotional wellbeing of students.

# Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to analyze and reflect on the past two years. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person's inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). All of our goals will continually be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

---

**Presented by:** Kay Vang, CBO

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The annual update includes an analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP) and 2020-21 Learning Continuity Plan (LCP).

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All actions and services were implemented except additional hourly rates, maintenance repairs and KinderCare due to COVID-19.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Success:

- 5% increase in school connectedness, caring relationships with adults and feeling safe at school
- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- 100% of students have instructional materials in 2019-2020

### Challenges:

- 10% decrease in 6th graders feeling like a valued member in the school community and 3rd-5th grade students comfortable with asking questions.
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 2

Implement teaching practices that support students in the achievement of California Common Core Standards and the District's Student Outcomes.

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All of the Actions/Services were implemented except additional Professional Development, consulting, and conferences due to budget reduction.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Successes

- 100% of classrooms show evidence of core instructional practices aligned to the California Common Core Standards and the District's Student Outcomes.
- 5% increase of teachers who feel staff work in collaborative manner
- Technology Integration Coach provided excellent support facilitating the success of the transition and sustaining of distance learning
- Shortened Wednesdays and additional grade level planning days that helped teachers implement teaching practices that support students in the achievement of the California Common Core Standards and the District's Student Outcomes

### Challenges

- 5% decrease in teachers feeling like they were a valued member of the school community.
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 3

All students will demonstrate proficiency in the skills and behaviors necessary for future success in college and careers.

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All of the Actions/Services were implemented except extended learning time during summer, outdoor education and all in-person learning events for students due to COVID. In addition, STEAM Lab was discontinued due to budget reduction and COVID-19.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Successes

- 100% access for all students to a broad course of study
- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- Implementation of 2nd year of math curriculum

### Challenges

- Decrease in Star Reading and Math for 4th-5th grade students
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 4

Improve parent engagement.

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for distance learning program.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

### Continuity of Instruction

- Success: We provided daily live interaction to all students and we provided various online resources to facilitate learning online.
- Challenge: Engaging students online was a challenge.

#### Access to Devices and Connectivity

- Success: All students were provided a device to engage in distance learning. Hot spots were provided for families with connectivity issues.
- Challenge: At the beginning of distance learning there were a lot of technology issues to figure out and a learning curve for students, parents and teachers that was overcome.

#### Pupil Participation and Progress

- Success: We developed a student of concern list that both teachers and principals contributed to and notified parents if students did not complete their work or were at risk of not meeting academic standards, we recorded daily participation of each student, time value met the number of instructional minutes required.
- Challenge: Developing and implementing taking attendance and communicating with student of concern families.

#### Distance Learning Professional Development,

- Success: We provided professional development or collaboration time to help navigate and improve distance learning practices.
- Challenge: The stress of the situation made it challenging to process and implement professional development opportunities.

#### Staff Roles and Responsibilities

- Success: The Director of Innovative Learning, library technician, Teacher on Special Assignment (technology teacher) developed a website that had daily lessons and resources for distance learning. Program assistants assisted teachers with small groups instruction on zoom. Teachers created their own online learning platforms for their lessons and assignments.
- Challenges: Overall transition to a virtual environment for all staff members.

#### Support for Pupils with Unique Needs.

- Success: English learners were provided synchronous and asynchronous instruction as well as additional support through small group instruction, Special Education services continued to be provided virtually to students according to their IEP,
- Challenge: Providing special education services for some students was challenging. Engaging English Learners in a virtual learning environment.

# Pupil Learning Loss

## Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
1:1 tutoring (goal 1660)	16,860	0	No

- Reading: 3rd grade has 42%, 4th grade has 49%, 5th grade has 41%, 6th grade 40% of students at or above benchmark for the district.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

### Successes:

- Implementation of MTSS
- Implementation of Social-emotional learning in the classroom (Toolbox, Restorative Circles and Morning Meetings)
- Counseling sessions were provided to students as needed in various ways.
- Weekly lunch bunch groups for grades 4-6th for socialization time via zoom with school counselor
- Individual and in small groups (zoom) support groups with school counselor to provide emotional support
- School counselor provided classroom presentations (zoom) on SEL related topics
- School counselor recorded and uploaded SEL videos to Youtube channel for staff and parents to use for SEL lessons at home and in the classroom
- School psychologist met with students identified as needing social and emotional support

### Challenges:

- Our community has been faced with unprecedented trauma for the past 5 years (many fires, power shut off days, air quality closure days, floods, and a global pandemic). The importance of mental health and social and emotional well being is incredibly important and at times needs to be prioritized over academics.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

### Successes:

- Teachers connected to students via daily live interaction
- Parents were contacted on a regular basis to provide information, direction and resources
- Teachers regularly communicated with parents and guardians regarding academic progress
- When students were not engaged we communicated with families through a student of concern document
- Held over 6 virtual meetings for varying purposes: input, reopening plan, etc.
- Outreach Worker helped communicate with families and translate meetings, communication, etc.
- Launched ParentSquare communication app that teachers, staff, principals and district office used to consistently communicate
- Launched Aeries Parent Portal for parents to view student grades, report cards, and other school information
- Conducted surveys through google forms for feedback and input

### Challenges:

- Communicating with student of concern families
- Constantly communicating with changing guidelines

## **Analysis of School Nutrition**

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

### **Successes:**

- Sent ParentSquare messages weekly about grab and go meals and updates on nutrition information
- Provided grab and go meals to all students via drive through pick-up (from March 2019-June 2021)
- Provided breakfast and lunch to all students in hybrid learning model (April 2021-June 2021)

### **Challenges:**

- Obtaining free and reduced lunch applications since all meals were free for students this year.
- Families remembering to collect their grab and go lunches each week.

# Additional Actions and Plan Requirements

## Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Additional Counseling Services to Promote Mental Health and Social/Emotional Wellbeing of Students: COUNSELOR	35,000	10200	No
Pupil Engagement and Outreach	Improved Communication with EL Students/Families POUSD acquired "ParentSquare" (an AERIES product) which translates all outgoing and incoming messages to facilitate effective communication during virtual learning efforts. This has allowed us to provide significantly improved support for our Spanish speaking families. The program was on-boarded in fall 2020, specifically to augment the Virtual Learning experience of English Learners and to better support their families.	2,025	2500	No
Distance Learning Program (Supports for Pupils with Unique Needs)	"Comfort Bags" for Homeless, Foster, Low Income Students 40 duffel bags were made available for homeless, foster, low income and struggling students. Distributed the first week of September 2020 out of Schaefer Elementary, these bags contained toiletries (shampoo, soap, toothbrush and toothpaste), a blanket, books, games/puzzles, coloring books and stuffed animals/toys.	500	0	No

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Distance Learning Program	Materials and equipment for teachers to work effectively in Virtual Learning	20,000	20,000	No

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

There were no substantive differences between the planned actions and budgeted expenditures except a reduction on counseling due to budget reduction.

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to assess the lessons learned from in-person and distance learning programs in 2020-2021. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person’s inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). This goal will be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

Pupil learning loss will be addressed through targeted instruction and responsive teaching based on common formative and summative district assessments. All metrics in Goal 1 will be monitored and reported on during the annual update cycle. These metrics assess pupil learning loss/ learning acceleration.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

There were no substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement except reduction of services spent on counseling to support and promote the mental health and social/emotional wellbeing of students.

# Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to analyze and reflect on the past two years. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person's inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). All of our goals will continually be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

## Agenda Item Summary

Action Item: **17.7 Public Hearing on the 2019-20 and 2020-21 Annual Update for the Schaefer Charter School**

---

Regular Meeting of: June 9, 2021

Action Item

Report Format:**Oral**

---

Attachment : **Draft of Local Control Accountability Plan**

---

**Presented by:** Kay Vang, CBO

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The annual update includes an analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP) and 2020-21 Learning Continuity Plan (LCP).

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

The following is the local educational agency’s (LEA’s) analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP).

# Goal 1

Create a positive, learning focused environment and culture for all students.

State and/or Local Priorities addressed by this goal:

State Priorities:     Priority 1: Basic (Conditions of Learning)  
                           Priority 5: Pupil Engagement (Engagement)  
                           Priority 6: School Climate (Engagement)

Local Priorities:

## Annual Measurable Outcomes

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All actions and services were implemented except 21st Century Modernization project due to budget cuts.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Success:

- 5% increase of students feeling they had a caring relationship with an adult. feeling safe, having meaningful participation and feeling part of the school community.
- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- 100% of students have instructional materials in 2019-2020

### Challenges:

- 20% decrease in students feeling comfortable asking questions
- 30% decrease in 6th grade feeling that they are a valued member of the school community
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 2

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All of the Actions/Services were implemented except additional math, writing and 21st Century Professional Development and conferences due to budget cuts.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Successes

- 100% of classrooms show evidence of core instructional practices aligned to the California Common Core Standards and the District's Student Outcomes.
- 15% increase of classrooms using close reading, collaborative conversations, writing activities and math instructional strategies aligned to the Common Core.
- 10% increase of teachers stating the Professional Development important for learning
- Technology Integration Coach to aid in successes of distance learning
- Shortened Wednesdays and additional grade level planning days that helped teachers implement teaching practices that support students in the achievement of the California Common Core Standards and the District's Student Outcomes

### Challenges

- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 3

All students will demonstrate proficiency in the skills and behaviors necessary for future success in college and careers.

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All of the Actions/Services were implemented except extended learning time for students during the summer due to COVID and STEAM Lab not implemented due to budget cuts.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Successes

- 100% access for all students to a broad course of study
- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- Implementation of 2nd year of math curriculum

### Challenges

- Decrease in Star Reading and Math for 3rd-6th grade students
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 4

Improve parent engagement.

Portable hand washing stations	900	721	No
Temperature reading equipment (4310)	5,000	2725	No
Safety signage (obj4390)	1,000	1357	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for in-person instruction except additional PPE due to our county being in the purple tier the majority of the year.

### Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

**Successes**

- Our COVID-19 Safety Plan was approved by the Sonoma County Department of Public Health
- We opened for in person instruction on April 12th, 2021.

## Challenges

- Constantly changing guidelines
- Logistical challenges

# Distance Learning Program

## Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Educational software and equipment to support Virtual Learning	16,300	15357	No
Technology Devices - Chromebooks, Chromebook covers, and I-Pads for students	97,355	84048	No
Hot Spots for students	4,000	4,500	No

Website development to serve as primary source of information, foster contentedness, and provide tools for staff, parents, and students	1,575	1735	No
Aeries Software Suite, Aeries Professional Development, Aeries Enrollment	5,900	6,000	No
Professional development	4,200	0	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for distance learning program except additional professional development due to COVID-19.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

### Continuity of Instruction

- Success: We provided daily live interaction to all students and we provided various online resources to facilitate learning online.
- Challenge: Engaging students online was a challenge.

#### Access to Devices and Connectivity

- Success: All students were provided a device to engage in distance learning.
- Challenge: At the beginning of distance learning there were a lot of technology issues to figure out and a learning curve for students, parents and teachers that was overcome.

#### Pupil Participation and Progress

- Success: We developed a student of concern list that both teachers and principals contributed to and notified parents if students did not complete their work or were at risk of not meeting academic standards, we recorded daily participation of each student, time value met the number of instructional minutes required.
- Challenge: Developing and implementing taking attendance and communicating with student of concern families.

#### Distance Learning Professional Development,

- Success: We provided professional development or collaboration time to help navigate and improve distance learning practices.
- Challenge: The stress of the situation made it challenging to process and implement professional development opportunities.

#### Staff Roles and Responsibilities

- Success: The Director of Innovative Learning, library technician, Teacher on Special Assignment (technology teacher) developed a website that had daily lessons and resources for distance learning. TOSA also provided tech support for teachers with setting up their own online learning platforms, software and hardware needs. Program assistants assisted teachers with small groups instruction on zoom.
- Challenges: Overall transition to a virtual environment for all staff members.

#### Support for Pupils with Unique Needs.

- Success: English learners were provided synchronous and asynchronous instruction as well as additional support through small group instruction, Special Education services continued to be provided virtually to students according to their IEP,
- Challenge: Providing special education services for some students was challenging.

# Pupil Learning Loss

## Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
1:1 tutoring (goal1660)	13,400	0	No
Student math kits for Virtual Learning (PO21-00052,00060,00071,00149)	7,540	10,525	No
Communication devices for staff to connect to families and students	460	500	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for pupil learning loss except 1:1 tutoring due to COVID-19, however, program assistants and teachers held 1:1 and small group instruction and intervention to support student needs during instruction time.

## Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

- Successes:
  - We routinely used formative assessments throughout the year to identify learning loss.
  - In Spring 2021, all students in grades 2nd-6th grade took STAR reading and math test to identify learning loss.
- Challenges:
  - Rate of students completing assignments during asynchronous learning.

Conducting formative assessments and summative assessments in the virtual learning environment.

- Ensuring that the majority of students were assessed in STAR Reading and Math.

## Strategies

### Successes:

- Utilizing differentiation to provide additional support to students through small group instruction.
- Providing individual student math manipulative kits and learning tool pick up dates for hands-on learning and instruction.

### Effectiveness (April/May 2021)

- Math: 3rd grade has 61%, 4th grade has 38%, 5th grade has 36%, 6th grade 53% of students at or above benchmark for the district.
- Reading: 3rd grade has 51%, 4th grade has 53%, 5th grade has 39%, 6th grade 38% of students at or above benchmark for the district.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

### Successes:

- Weekly lunch bunch groups for grades 4-6th for socialization time via zoom with school counselor
- Individual and in small groups (zoom) support groups with school counselor to provide emotional support
- School counselor provided classroom presentations (zoom) on SEL related topics
- School counselor recorded and uploaded SEL videos to Youtube channel for staff and parents to use for SEL lessons at home and in the classroom
- School psychologist met with students identified as needing social and emotional support

### Challenges

- Our community has been faced with unprecedented trauma for the past 5 years (many fires, power shut off days, air quality closure days, floods, and a global pandemic). The importance of mental health and social and emotional well being is incredibly important and at times needs to be prioritized over academics.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

### Successes

- Teachers connected to students via daily live interaction
- Parents were contacted on a regular basis to provide information, direction and resources
- Teachers regularly communicated with parents and guardians regarding academic progress
- When students were not engaged we communicated with families through a student of concern document
- Held over 6 virtual meetings for varying purposes: input, reopening plan, etc.
- Outreach Worker helped communicate with families and translate meetings, communication, etc.
- Launched Parentsquare communication app that teachers, staff, principals and district office used to consistently communicate
- Launched Aeries Parent Portal for parents to view student grades, report cards, and other school information
- Conducted surveys through google forms for feedback and input

### Challenges:

- Communicating with student of concern families
- Constantly communicating with changing guidelines

## Analysis of School Nutrition

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

### Successes

- Sent Parentsquare messages weekly about grab and go meals and updates on nutrition information
- Provided grab and go meals to all students via drive through pick-up (from March 2019-June 2021)
- Provided breakfast and lunch to all students in hybrid learning model (April 2021-June 2021)

### Challenges

- Obtaining free and reduced lunch applications since all meals were free for students this year.
- Families remembering to collect their grab and go lunches each week.

# Additional Actions and Plan Requirements

## Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Additional Counseling Services to Promote Mental Health and Social/Emotional Wellbeing of Students: COUNSELOR	35,000	12,231	No
Pupil Engagement and Outreach	Improved Communication with EL Students/Families Schaefer Charter School acquired "ParentSquare" (an AERIES product) which translates all outgoing and incoming messages to facilitate effective communication during virtual learning efforts. This has allowed us to provide significantly improved support for our Spanish speaking families. The program was on-boarded in fall 2020, specifically to augment the Virtual Learning experience of English Learners and to better support their families.	1,600	1500	No
Distance Learning Program (Supports for Pupils with Unique Needs)	"Comfort Bags" for Homeless, Foster, Low Income Students 40 duffel bags were made available for homeless, foster, low income and struggling students. Distributed the first week of September 2020 out of Schaefer Elementary, these bags contained toiletries (shampoo, soap, toothbrush and toothpaste), a blanket, books, games/puzzles, coloring books and stuffed animals/toys.	500	600	No

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Distance Learning Program	Materials and equipment for teachers to work effectively in Virtual Learning	20,000	20,000	No

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

There were no substantive differences between the planned actions and budgeted expenditures except services spent on counseling to support and promote the mental health and social/emotional wellbeing of students due to budget reduction.

### Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to assess the lessons learned from in-person and distance learning programs in 2020-2021. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person’s inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). This goal will be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

Pupil learning loss will be addressed through targeted instruction and responsive teaching based on common formative and summative district assessments. All metrics in Goal 1 will be monitored and reported on during the annual update cycle. These metrics assess pupil learning loss/ learning acceleration.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

There were no substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement except reduction of services spent on counseling to support and promote the mental health and social/emotional wellbeing of students due to budget reduction.

# Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to analyze and reflect on the past two years. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person's inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). All of our goals will continually be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

## Agenda Item Summary

Action Item: **17.8 Public Hearing on the 2019-20 and 2020-21 Annual Update for the Piner-Olivet Charter School**

---

Regular Meeting of: June 9, 2021      **Action Item**      Report Format:**Oral**

---

Attachment:      **Draft of Local Control Accountability Plan**

---

**Presented by:** Kay Vang, CBO

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The annual update includes an analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP) and 2020-21 Learning Continuity Plan (LCP).

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All actions and services were implemented except activities that could not be implemented due to COVID-19 such as athletics, fieldtrips, conferences, etc...

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Success:

- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- 100% of students have instructional materials in 2019-2020

- 10% increase of 7th/8th grade students feeling teachers make an effort to know them
- 10% increase of 7th and 8th graders feeling they are a valued member in their school community
- Greater than 95% attendance rates

Challenges:

- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 2

All of the Actions/Services were implemented for in-person instruction.

### Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

#### Successes

- Our COVID-19 Safety Plan was approved by the Sonoma County Department of Public Health
- We opened for in person instruction on May 17th, 2021.

## Challenges

- Constantly changing guidelines
- Logistical challenges
- Students having multiple teachers while adhering to cohort guidelines

# Distance Learning Program

## Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Educational software and equipment to support Virtual Learning	8,800	8850	No
Technology Devices - Chromebooks, Chromebook covers, and I-Pads for students	57,700	40192	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for distance learning program.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

Continuity of Instruction

- Success: We provided daily live interaction to all students and we provided various online resources to facilitate learning online.
- Challenge: Engaging students online was a challenge.

#### Access to Devices and Connectivity

- Success: All students were provided a device to engage in distance learning.
- Challenge: At the beginning of distance learning there were a lot of technology issues to figure out and a learning curve for students, parents and teachers that was overcome. In addition, throughout the year there were various technology issues that had to be handled.

#### Pupil Participation and Progress

- Success: We developed a student of concern list that both teachers and principals contributed to and notified parents if students were not completing work or at risk of not meeting academic standards, we recorded daily participation of each student, time value met the number of instructional minutes required.
- Challenge: Developing and implementing taking attendance and communicating with student of concern families. Some students were unresponsive to phone calls and emails and school outreach.

#### Distance Learning Professional Development,

- Success: We provided professional development or collaboration time to help navigate and improve distance learning practices.
- Challenge: The stress of the situation made it challenging to process and implement professional development opportunities. The sudden onset of COVID-19 required a quick pivot in direction for professional development goal and substantial overall of our professional development plan.

#### Staff Roles and Responsibilities

- Success: Each teacher developed an online presence to communicate daily lessons and resources for distance learning. Program assistants assisted teachers with small groups instruction on zoom.
- Challenges: Overall transition to a virtual environment for all staff members.

#### Support for Pupils with Unique Needs.

- Success: English learners were provided synchronous and asynchronous instruction as well as additional support through small group instruction, Special Education services continued to be provided virtually to students according to their IEP,
- Challenge: Providing special education services for some students was challenging.

# Pupil Learning Loss

## Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
1:1 tutoring (goal1660)	10,500	0	No
Student learning materials for Virtual Learning	4,200	500	No
Communication devices for staff to connect to families and students	460	500	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented except 1:1 tutoring due to program assistants supporting students in the classroom within small groups instead..

## Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

Identifying learning loss

- Successes:
  - We routinely used formative assessments throughout the year to identify learning loss.
  - In Spring 2021, all students took STAR reading and math test to identify learning loss.
- Challenges:
  - Conducting formative assessments and summative assessments in the virtual learning environment.
  - Ensuring that the majority of students were assessed in STAR Reading and Math.

Strategies

Successes:

- Utilizing differentiation to provide additional support to students through small group instruction.
- Providing individual student support during office hours and tutorial five days a week.

Effectiveness (April/May 2021)

- Math: 7th grade has 55%, 8th grade has 67% of students at or above benchmark for the district.
- Reading: 7th grade has 36%, 8th grade has 43% of students at or above benchmark for the district.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

### Successes

- Implementation of MTSS
- Implementation of Social-emotional learning in the classroom (Restorative Circles and Community Circles)
- Counseling sessions were provided to students as needed in various ways.
- Friendship groups for students to express ideas and feelings in a small, safe, and supportive environment.
- Support Groups for students to help them find success strategies for homework completion and motivation.
- Communication with students and parents to communicate about different issues to help the parent support their child at home.
- In-person learning: individual and small group student support groups to readjust to being on campus, including covid worries, anxiety around peer relationships, and lack of confidence.

### Challenges

- Our community has been faced with unprecedented trauma for the past 5 years (many fires, power shut off days, air quality closure days, floods, and a global pandemic). The importance of mental health and social and emotional well being is incredibly important and at times needs to be prioritized over academics.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

### Successes

- Teachers connected to students via daily live interaction
- Parents were contacted on a regular basis to provide information, direction and resources
- Teachers regularly communicated with parents and guardians regarding academic progress
- When students were not engaged we communicated with families through a student of concern document
- Held over 6 virtual meetings for varying purposes: input, reopening plan, etc.
- Outreach Worker helped communicate with families and translate meetings, communication, etc.
- Launched Parentsquare communication app that teachers, staff, principals and district office used to consistently communicate
- Launched Aeries Parent Portal for parents to view student grades, report cards, and other school information
- Conducted surveys through google forms for feedback and input

**Challenges:**

- Communicating with student of concern families
- Constantly communicating with changing guidelines

## **Analysis of School Nutrition**

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

**Successes**

- Sent Parentsquare messages weekly about grab and go meals and updates on nutrition information
- Provided grab and go meals to all students via drive through pick-up (from March 2019-June 2021)
- Provided breakfast and lunch to all students in hybrid learning model (April 2021-June 2021)

**Challenges**

- Obtaining free and reduced lunch applications since all meals were free for students this year.
- Families remembering to collect their grab and go lunches each week.

# Additional Actions and Plan Requirements

## Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Additional Counseling Services to Promote Mental Health and Social/Emotional Wellbeing of Students: COUNSELOR	9,600	22587	No
Pupil Engagement and Outreach	Improved Communication with EL Students/Families POCS acquired "ParentSquare" (an AERIES product) which translates all outgoing and incoming messages to facilitate effective communication during virtual learning efforts. This has allowed us to provide significantly improved support for our Spanish speaking families. The program was on-boarded in fall 2020, specifically to augment the Virtual Learning experience of English Learners and to better support their families.	1,200	1359	No
Distance Learning Program (Supports for Pupils with Unique Needs)	"Comfort Bags" for Homeless, Foster, Low Income Students 40 duffel bags were made available for homeless, foster, low income and struggling students. Distributed the first week of September 2020 out of Schaefer Elementary, these bags contained toiletries (shampoo, soap, toothbrush and toothpaste), a blanket, books, games/puzzles, coloring books and stuffed animals/toys.	500	500	No

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Distance Learning Program	Materials and equipment for teachers to work effectively in Virtual Learning	12,000	13000	No

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

There were no substantive differences between the planned actions and budgeted expenditures except additional services spent on counseling to support and promote the mental health and social/emotional wellbeing of students.

## Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to assess the lessons learned from in-person and distance learning programs in 2020-2021. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person’s inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). This goal will be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

Pupil learning loss will be addressed through targeted instruction and responsive teaching based on common formative and summative district assessments. All metrics in Goal 1 will be monitored and reported on during the annual update cycle. These metrics assess pupil learning loss/ learning acceleration.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

There were no substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement except additional services spent on counseling to support and promote the mental health and social/emotional wellbeing of students.

# Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to analyze and reflect on the past two years. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person's inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). All of our goals will continually be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

## Agenda Item Summary

Action Item: **17.9 Public Hearing on the 2019-20 and 2020-21 Annual Update for the Northwest Prep Charter School**

---

Regular Meeting of: June 9, 2021

Action Item

Report Format: **Oral**

---

Attachment: **Draft of Local Control Accountability Plan**

---

**Presented by:** Kay Vang, CBO

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The annual update includes an analysis of its goals, measurable outcomes and actions and services from the 2019-20 Local Control and Accountability Plan (LCAP) and 2020-21 Learning Continuity Plan (LCP).

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

## Goal Analysis

A description of how funds budgeted for Actions/Services that were not implemented were used to support students, families, teachers, and staff.

All actions and services were implemented.

A description of the successes and challenges in implementing the actions/services to achieve the goal.

### Success:

- Increase of 13% of students feel welcomed at school
- Increase of 8% of students feel teachers respect students
- 14% increase of parents who believe teachers recognize kind and helpful students
- 10% increase parents believing that students are encouraged to practice good citizenship
- 100% of our teachers are appropriately assigned and credentialed in 2019-2020
- 100% of students have instructional materials in 2019-2020

### Challenges:

- 15% decrease of students feeling teacher recognize students who are kind and helpful
- 16% decrease of students say they want to do their best at school
- Identifying the direct impacts of COVID-19 in a virtual environment has proven to be very challenging.

## Goal 2

Implement teaching practices that support students in the achievement of the California Common Core Standards and the District's Student Outcomes.

State and/or Local Priorities addressed by this goal:

State Priorities: Priority 2: State Standards (Conditions of Learning)

A description of any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for in-person instruction.

### Analysis of In-Person Instructional Offerings

A description of the successes and challenges in implementing in-person instruction in the 2020-21 school year.

#### Successes

- Our COVID-19 Safety Plan was approved by the Sonoma County Department of Public Health
- Students of concern in an academic support cohort on-campus starting April 14, 2021

- We opened for in person instruction on May 17, 2021.

#### Challenges

- Constantly changing guidelines
- Logistical challenges

# Distance Learning Program

## Actions Related to the Distance Learning Program

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Educational software and equipment to support Virtual Learning	5,000	5112	No
Technology Devices - Chromebooks, Chromebook covers, and I-Pads for students (fund01)	18,000	20,000	No
Hot Spots for students	1,700	1769	No

Professional development (obj5100/5200)	1,800	2349	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for our distance learning program.

## Analysis of the Distance Learning Program

A description of the successes and challenges in implementing each of the following elements of the distance learning program in the 2020-21 school year, as applicable: Continuity of Instruction, Access to Devices and Connectivity, Pupil Participation and Progress, Distance Learning Professional Development, Staff Roles and Responsibilities, and Support for Pupils with Unique Needs.

### Continuity of Instruction

- Success: We provided daily live interaction to all students and we provided various online resources to facilitate learning online.
- Challenge: Engaging students online was a challenge.

#### Access to Devices and Connectivity

- Success: All students were provided a device to engage in distance learning. Hot spots were given to families with connectivity issues.
- Challenge: At the beginning of distance learning there were a lot of technology issues to figure out and a learning curve for students, parents and teachers that was overcome.

#### Pupil Participation and Progress

- Success: We developed a student of concern list that both teachers and principals contributed to and notified parents if students were not completing their work or were at risk of not meeting academic standards, we recorded daily participation of each student, time value met the number of instructional minutes required.
- Challenge: Developing and implementing taking attendance and communicating with student of concern families.

#### Distance Learning Professional Development

- Success: We provided professional development or collaboration time to help navigate and improve distance learning practices.
- Challenge: The stress of the situation made it challenging to process and implement professional development opportunities.

#### Staff Roles and Responsibilities

- Success: The Director of Innovative Learning and Teacher on Special Assignment (technology teacher) developed a website that had daily lessons and resources for distance learning. Program assistants assisted teachers with small groups instruction on zoom. Teachers created their own virtual learning platform and assigned lessons and assignments.
- Challenges: Overall transition to a virtual environment for all staff members.

#### Support for Pupils with Unique Needs.

- Success: English learners were provided synchronous and asynchronous instruction as well as additional support through small group instruction, Special Education services continued to be provided virtually to students according to their IEP,
- Challenge: Providing special education services for some students was challenging.

# Pupil Learning Loss

## Actions Related to the Pupil Learning Loss

Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
1:1 tutoring (goal1660)	3,500	5,000	No
Student learning kits for Virtual Learning	2,300	1080	No
Communication devices for staff to connect to families and students	460	300	No

A description of any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions.

All of the Actions/Services were implemented for pupil learning loss except student learning kits due to budget reduction.

## Analysis of Pupil Learning Loss

A description of the successes and challenges in addressing Pupil Learning Loss in the 2020-21 school year and an analysis of the effectiveness of the efforts to address Pupil Learning Loss to date.

Identifying learning loss

- Successes:
  - We routinely used formative assessments throughout the year to identify learning loss.
  - In Spring 2021, all students took STAR reading and math test to identify learning loss.
- Challenges:
  - Conducting formative assessments and summative assessments in the virtual learning environment.
  - Ensuring that the majority of students were assessed in STAR Reading and Math.

Strategies  
Successes:

- Utilizing differentiation to provide additional support to students through small group instruction.

- Mandatory academic support class for students of concern five days a week.
- Providing individual learning tool pick up dates for hands-on learning and instruction.

#### Effectiveness (May 2021)

- Star Math: 45% of 7th grade students, 45% of 8th grade students, 39% of 9th grade students, 71% of 10th grade students, 56% of 11th grade students, 70% of 12th grade students scored at or above benchmark for the district.
- Star Reading: 80% of 7th grade students, 44% of 8th grade students, 35% of 9th grade students, 53% of 10th grade students, 39% of 11th grade students, and 70% of 12th grade students scored at or above benchmark for the district.

## Analysis of Mental Health and Social and Emotional Well-Being

A description of the successes and challenges in monitoring and supporting mental health and social and emotional well-being in the 2020-21 school year.

### Successes:

- Implementation of MTSS
- Implementation of Social-emotional learning in the classroom (Sown to Grow, Restorative Circles, and Class Meetings)
- School counselor provided presentations within certain grade levels about college and career readiness,
- School counselor met with high school students individually to create their 4-year plan and to discuss their post-secondary options
- School counselor coordinated with SRJC to provide an online workshop for our students
- School counselor taught the Resilience For Youth program to all of the 7th and 8th graders
- School counselor met with students who needed emotional and academic support
- School psychologist met with students identified as needing social and emotional support

### Challenges

- Our community has been faced with unprecedented trauma for the past 5 years (many fires, power shut off days, air quality closure days, floods, and a global pandemic). The importance of mental health and social and emotional well being is incredibly important and at times needs to be prioritized over academics.

## Analysis of Pupil and Family Engagement and Outreach

A description of the successes and challenges in implementing pupil and family engagement and outreach in the 2020-21 school year.

### Successes

- Teachers connected to students via daily live interaction
- Parents were contacted on a regular basis to provide information, direction and resources
- Teachers regularly communicated with parents and guardians regarding academic progress
- When students were not engaged we communicated with families through a student of concern document
- Held over 6 virtual meetings for varying purposes: input, reopening plan, etc.
- Outreach Worker helped communicate with families and translate meetings, communication, etc.
- Launched Parentsquare communication app that teachers, staff, principals and district office used to consistently communicate
- Launched Aeries Parent Portal for parents to view student grades, report cards, and other school information
- Launched a Parent Teacher Student Organization
- Conducted surveys through google forms for feedback and input

**Challenges:**

- Communicating with student of concern families
- Constantly communicating with changing guidelines

## **Analysis of School Nutrition**

A description of the successes and challenges in providing school nutrition in the 2020-21 school year.

**Successes**

- Sent Parentsquare messages weekly about grab and go meals and updates on nutrition information
- Provided grab and go meals to all students via drive through pick-up (from March 2019-June 2021)
- Provided breakfast and lunch to all students in hybrid learning model (May 2021-June 2021)

**Challenges**

- Obtaining free and reduced lunch applications since all meals were free for students this year.
- Families remembering to collect their grab and go lunches each week.

# Additional Actions and Plan Requirements

## Additional Actions to Implement the Learning Continuity Plan

Section	Description	Total Budgeted Funds	Estimated Actual Expenditures	Contributing
Mental Health and Social and Emotional Well-Being	Additional Counseling Services to Promote Mental Health and Social/Emotional Wellbeing of Students: COUNSELOR	5,500	35,712	No
Pupil Engagement and Outreach	Improved Communication with EL Students/Families Northwest Prep Charter School acquired "ParentSquare" (an AERIES product) which translates all outgoing and incoming messages to facilitate effective communication during virtual learning efforts. This has allowed us to provide significantly improved support for our Spanish speaking families. The program was on-boarded in fall 2020, specifically to augment the Virtual Learning experience of English Learners and to better support their families.	675	500	No
Distance Learning Program (Supports for Pupils with Unique Needs)	"Comfort Bags" for Homeless, Foster, Low Income Students 40 duffel bags were made available for homeless, foster, low income and struggling students. Distance Learning Program	Materials and equipment for teachers to work effectively in Virtual Learning	5,800	6,000	No

A description of any substantive differences between the planned actions and budgeted expenditures for the additional plan requirements and what was implemented and expended on the actions.

There were no substantive differences between the planned actions and budgeted expenditures except additional services spent on counseling to support and promote the mental health and social/emotional wellbeing of students.

## Overall Analysis

An explanation of how lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to assess the lessons learned from in-person and distance learning programs in 2020-2021. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person’s inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). This goal will be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

An explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs.

Pupil learning loss will be addressed through targeted instruction and responsive teaching based on common formative and summative district assessments. All metrics in Goal 1 will be monitored and reported on during the annual update cycle. These metrics assess pupil learning loss/ learning acceleration.

A description of any substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement.

There were no substantive differences between the description of the actions or services identified as contributing towards meeting the increased or improved services requirement and the actions or services implemented to meet the increased or improved services requirement except additional services spent on counseling to support and promote the mental health and social/emotional wellbeing of students.

# Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan

A description of how the analysis and reflection on student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP.

A district Learning Loss Recovery Committee was created with all district stakeholders and convened to analyze and reflect on the past two years. This provided us with notes on success and challenges as well as highlight the essential next steps of the district through our targeted LCAP goals. For example, our LCAP Goal 2: Well-Being-Support the social-emotional and physical well-being of all and recognize each person's inherent value. It became apparent in the meeting to focus on promoting mental health and social/emotional wellbeing of students in our school. In addition, our LCAP Goal 1: Learning Experiences-Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement. The committee discussed focusing on academic support and achievement through targeted instruction and responsive teaching for EL students, low-income students and at-risk students (students who were impacted by COVID-19). All of our goals will continually be monitored using measurable outcomes specific to EL students, low-income students and at-risk students (students who were impacted by COVID-19).

## Instructions: Introduction

The Annual Update Template for the 2019-20 Local Control and Accountability Plan (LCAP) and the Annual Update for the 2020–21 Learning Continuity and Attendance Plan must be completed as part of the development of the 2021-22 LCAP. In subsequent years, the Annual Update will be completed using the LCAP template and expenditure tables adopted by the State Board of Education.

*For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education’s (CDE’s) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).*

## Instructions: Annual Update for the 2019–20 Local Control and Accountability Plan Year

### Annual Update

The planned goals, state and/or local priorities, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the approved 2019-20 Local Control and Accountability Plan (LCAP). Minor typographical errors may be corrected. Duplicate the Goal, Annual Measurable Outcomes, Actions / Services and Analysis tables as needed.

For each goal in 2019-20, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in 2019-20 for the goal. If an actual measurable outcome is not available due to the impact of COVID-19 provide a brief explanation of why the actual measurable outcome is not available. If an alternative metric was used to measure progress towards the goal, specify the metric used and the actual measurable outcome for that metric.

Identify the planned Actions/Services, the budgeted expenditures to implement these actions toward achieving the described goal and the actual expenditures to implement the actions/services.

#### Goal Analysis

Using available state and local data and input from parents, students, teachers, and other stakeholders, respond to the prompts as instructed.

- If funds budgeted for Actions/Services that were not implemented were expended on other actions and services through the end of the school year, describe how the funds were used to support students, including low-income, English learner, or foster youth students, families, teachers and staff. This description may include a description of actions/services implemented to mitigate the impact of COVID-19 that were not part of the 2019-20 LCAP.

- Describe the overall successes and challenges in implementing the actions/services. As part of the description, specify which actions/services were not implemented due to the impact of COVID-19, as applicable. To the extent practicable, LEAs are encouraged to include a description of the overall effectiveness of the actions/services to achieve the goal.

## **Instructions: Annual Update for the 2020–21 Learning Continuity and Attendance Plan**

### **Annual Update**

The action descriptions and budgeted expenditures must be copied verbatim from the 2020-21 Learning Continuity and Attendance Plan. Minor typographical errors may be corrected.

### **Actions Related to In-Person Instructional Offerings**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to in-person instruction and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for in-person instruction and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing in-person instruction in the 2020-21 school year, as applicable. If in-person instruction was not provided to any students in 2020-21, please state as such.

### **Actions Related to the Distance Learning Program**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to the distance learning program and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the distance learning program and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in implementing distance learning in the 2020-21 school year in each of the following areas, as applicable:
  - Continuity of Instruction,
  - Access to Devices and Connectivity,

- Pupil Participation and Progress,
- Distance Learning Professional Development,
- Staff Roles and Responsibilities, and
- Supports for Pupils with Unique Needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness

To the extent practicable, LEAs are encouraged to include an analysis of the effectiveness of the distance learning program to date. If distance learning was not provided to any students in 2020-21, please state as such.

## **Actions Related to Pupil Learning Loss**

- In the table, identify the planned actions and the budgeted expenditures to implement actions related to addressing pupil learning loss and the estimated actual expenditures to implement the actions. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for addressing pupil learning loss and what was implemented and/or expended on the actions, as applicable.
- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in addressing Pupil Learning Loss in the 2020-21 school year, as applicable. To the extent practicable, include an analysis of the effectiveness of the efforts to address pupil learning loss, including for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils who are experiencing homelessness, as applicable.

## **Analysis of Mental Health and Social and Emotional Well-Being**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in monitoring and supporting Mental Health and Social and Emotional Well-Being of both pupils and staff during the 2020-21 school year, as applicable.

## **Analysis of Pupil and Family Engagement and Outreach**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges related to pupil engagement and outreach during the 2020-21 school year, including implementing tiered reengagement strategies for pupils who were absent from distance learning and the efforts of the LEA in reaching out to pupils and their parents or guardians when pupils were not meeting compulsory education requirements or engaging in instruction, as applicable.

## **Analysis of School Nutrition**

- Using available state and/or local data and feedback from stakeholders, including parents, students, teachers and staff, describe the successes and challenges experienced in providing nutritionally adequate meals for all pupils during the 2020-21 school year, whether participating in in-person instruction or distance learning, as applicable.

## **Analysis of Additional Actions to Implement the Learning Continuity Plan**

- In the table, identify the section, the planned actions and the budgeted expenditures for the additional actions and the estimated actual expenditures to implement the actions, as applicable. Add additional rows to the table as needed.
- Describe any substantive differences between the planned actions and/or budgeted expenditures for the additional actions to implement the learning continuity plan and what was implemented and/or expended on the actions, as applicable.

## **Overall Analysis of the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompts are to be responded to only once, following an analysis of the Learning Continuity and Attendance Plan.

- Provide an explanation of how the lessons learned from implementing in-person and distance learning programs in 2020-21 have informed the development of goals and actions in the 2021–24 LCAP.
  - As part of this analysis, LEAs are encouraged to consider how their ongoing response to the COVID-19 pandemic has informed the development of goals and actions in the 2021–24 LCAP, such as health and safety considerations, distance learning, monitoring and supporting mental health and social-emotional well-being and engaging pupils and families.
- Provide an explanation of how pupil learning loss continues to be assessed and addressed in the 2021–24 LCAP, especially for pupils with unique needs (including low income students, English learners, pupils with disabilities served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness).
- Describe any substantive differences between the actions and/or services identified as contributing towards meeting the increased or improved services requirement, pursuant to *California Code of Regulations*, Title 5 (5 CCR) Section 15496, and the actions and/or services that the LEA implemented to meet the increased or improved services requirement. If the LEA has provided a description of substantive differences to actions and/or services identified as contributing towards meeting the increased or improved services requirement within the In-Person Instruction, Distance Learning Program, Learning Loss, or Additional Actions sections of the Annual Update the LEA is not required to include those descriptions as part of this description.

## **Overall Analysis of the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan**

The Overall Analysis prompt is to be responded to only once, following the analysis of both the 2019-20 LCAP and the 2020-21 Learning Continuity and Attendance Plan.

- Describe how the analysis and reflection related to student outcomes in the 2019-20 LCAP and 2020-21 Learning Continuity and Attendance Plan have informed the development of the 21-22 through 23-24 LCAP, as applicable.

## Agenda Item Summary

Action Item: **17.10 Public Hearing on the 2021-2022 Local Control Accountability Plan and Budget Overview for Parents for the Piner-Olivet Union School District**

---

Regular Meeting of: June 9, 2021      Action Item      Report Format: **Oral**

Attachment:      **Draft of Local Control Accountability Plan**

---

**Presented by:** Dr. Steve Charbonneau, Superintendent

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The current draft of the District LCAP includes a description of the stakeholder engagement process, goals, actions and services for all students as well as subgroups.

### **Plan**

Prior to approval of the budget under LCFF, a draft of the LCAP and the budget must be presented for public hearing. Both the LCAP and the budget are to be adopted at a subsequent meeting.

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

# LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Piner-Olivet Union School District

CDS Code: 49708700101253

School Year: 2021 – 22

LEA contact information: Kay Vang, CBO (707)522-3008 kvang@pousd.org

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2021 – 22 School Year

### Projected Revenue by Fund Source

This chart shows the total general purpose revenue Piner-Olivet Union School District expects to receive in the coming year from all sources.

The total revenue projected for Piner-Olivet Union School District is \$7,563,528.00, of which \$5,584,481.00 is Local Control Funding Formula (LCFF), \$622,542.00 is other state funds, \$994,592.00 is local funds, and \$361,913.00 is federal funds. Of the \$5,584,481.00 in LCFF Funds, \$233,987.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

# LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Piner-Olivet Union School District plans to spend for 2021 – 22. It shows how much of the total is tied to planned actions and services in the LCAP.

Piner-Olivet Union School District plans to spend \$7,807,758.00 for the 2021 – 22 school year. Of that amount, \$1,891,810.00 is tied to actions/services in the LCAP and \$5,915,948.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The total expenditures not included in the LCAP amount include such costs as overhead (ie., utilities, maintenance, legal costs, insurance, etc), contributions, and mandatory contributions. Additionally, not all employee costs are included in the LCAP such as District administrators and confidentials

## Increased or Improved Services for High Needs Students in the LCAP for the 2021 – 22 School Year

In 2021 – 22, Piner-Olivet Union School District is projecting it will receive \$233,987.00 based on the enrollment of foster youth, English learner, and low-income students. Piner-Olivet Union School District must describe how it intends to increase or improve services for high needs students in the LCAP. Piner-Olivet Union School District plans to spend \$263,469.00 towards meeting this requirement, as described in the LCAP.

# LCFF Budget Overview for Parents

## Update on Increased or Improved Services for High Needs Students in 2020 – 21

This chart compares what Piner-Olivet Union School District budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Piner-Olivet Union School District estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020 – 21, Piner-Olivet Union School District's Learning Continuity Plan budgeted \$0.00 for planned actions to increase or improve services for high needs students. Piner-Olivet Union School District actually spent \$0.00 for actions to increase or improve services for high needs students in 2020 – 21.

### Plan Summary [2021-22]

#### General Information

A description of the LEA, its schools, and its students.

Piner Olivet Union School District (POUSD) oversees four charter schools and one "district" school which is Jack London Elementary School. The data represented in this report focuses on Jack London and each school in the district that are charters (Piner Olivet Charter School, Northwest Prep, Olivet Elementary, and Morrice Schaefer) complete their own LCAP. Our district vision is: Inspiring joyful and innovative learning in an ever-changing world. Our district mission is "As a community, we engage In authentic, dynamic, and relevant learning that develops each student's academic, emotional, and social growth." The enrollment of Jack London Elementary (which is technically the same enrollment as "Piner-Olivet Union School District" in the eyese of state reporting) is 278 students, where 42% of students are considered socio-economically disadvantaged and 22% are considered English Language learners. The schools in Piner-Olivet Union School District

(POUSD) were seriously impacted by the Northern California wildfires in 2017. The Tubbs Fire destroyed over 5,500 structures and Coffey Park, a neighborhood directly across the street from our district office (one of the most densely populated areas in Santa Rosa affected by the fire). About 1,500 homes were destroyed in the small neighborhood. Many of our students and staff were directly impacted by the fires. Since then we have had Air Quality closure days where we had to close schools, PG&E power shut off days where we have had to close schools, flooding in the near by Russian River (Feb 2019), Kincade Fire (Oct 2019) that devastated a close by community to our north, COVID-19 pandemic (March 2020-ongoing) that resulted in the closure of schools and transition to distance learning and then a transition to hybrid learning, Walbridge Fire (Aug 2020) that impacted another close by community to our north, and Glass Fire (Sept 2020) that devastated a close by community to our east. Our community has been greatly impacted and social-emotional support continues to be a top priority for our district.

## Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the “Blue” or “Green” performance category were: Suspension Rate was green for the following subgroups: All Students decreased 1.3%; EL students decreased 1.1%; Hispanic, decreased 1.2%; White students, decreased 1.5%. English Learner Progress was at the "High Level" with 61% of students making progress towards English Language proficiency. All local indicators on the 2019 CA Dashboard "met" the standard.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the “Red” or “Orange” performance category were: Red Performance Color for Chronic Absenteeism Rate for "all students" which increased 4.4% to 10.4%; Orange Performance Color for English-Language Arts decreased 5.6 points to 21 points below standard. These data points were pre-COVID and the Chronic Absenteeism rate is not able to be compared for 2019-2020 and the 2020-2021 school year. We anticipate an increase in attendance rates as students come back to school in-person 5 days a week after not being able to be in-person for over a year.

To improve Chronic Absenteeism rates and English Language Arts scores we believe all of new LCAP Goals will help to engage our learners and ensure they are on campus and continue to attend their courses:

- LCAP Goal 1: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.
- LCAP Goal 2: Support the social-emotional and physical well-being of all and recognize each person’s inherent value.
- LCAP Goal 3: Strengthen our community by embracing change and cultivating a growth mindset.

There were no local indicators where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. There were no state indicators for which performance for any student group was two or more performance levels below the “all student” performance.

## LCAP Highlights

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

- The superintendent presented the LCAP to the Parent Advisory Committee (known as PTO) for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the parent advisory committee
- The superintendent presented the LCAP to the English Learner Parent Advisory Committee for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the English Learner Parent Advisory Committee
- The superintendent notified members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP using the most efficient method of notification possible (does not need to be printed or mailed)
- School Plans: N/A the LCAP serves as the School Plan as it is a single school LEA.
- The superintendent consulted with its special education local plan area administrator in May 2021 to determine that specific actions for individuals with exceptional needs are included and are consistent with strategies included in the annual assurances support plan for the education of individuals with exceptional needs.
- The governing board held one public hearing (June 2, 2021) to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. (The agenda for the public hearing was posted at least 72 hours before the public hearing and included the location where the local control and accountability plan or annual update to the local control and accountability plan was available for public inspection. The public hearing was held at the same meeting as the public hearing for Budget Adoption)
- The governing board adopted the LCAP in a public meeting (June 16, 2021). This meeting was held after, but not on the same day as, the public hearing. This meeting was the same meeting that the governing board adopted a budget.

- Teachers provided input on LCAP in the following ways: staff meeting, future-focused professional development process, survey, local bargaining unit (May 2019, April 2021)
- Administrators provided input on the LCAP in the following ways: Leadership Team Meeting, Cabinet Meetings (May 5, 2020; June 5, 2020)
- Students provided input on the LCAP in the following ways: surveys, meetings, discussions
- Classified provided input on the LCAP in the following ways: surveys, local bargaining unit (May 2019, April 2021)
- Site Councils provided input on the LCAP (April/May 2021)

A summary of the feedback provided by specific stakeholder groups.

The "Design Team" utilized feedback from all stakeholder groups to finalize the goals and actions during the 2019-2020 school year (before COVID). It is important to note that LCAP Goal 2 "Support the social-emotional and physical well-being of all and recognize each person's inherent value" of our LCAP is particularly important to our community as we have experienced significant emotional strain over the past 4 years. The goals and actions were then reviewed prior to the 2021-2022 adoption to ensure that these goals and actions continued to be relevant in a post-COVID environment.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

All LCAP Goals and Actions were revamped during the 2019-2020 school year for the 2020-2021 LCAP cycle. However, these goals and actions were not officially put into place until the 2021-2022 LCAP cycle (current cycle) due to the LCAP cycle being put on pause for the 2020-2021 school year. All stakeholders were important in the development of our goals and actions. Out of extensive future focus professional development and discussion we collaboratively developed the goals and actions listed in this LCAP. All stakeholder groups reviewed and approved the plan.

# Goals and Actions

## Goal

Goal #	Description
1	Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of exceptional learning experiences: Priority 1 – Basics (Teachers, Instructional Materials), Priority 2 – Implementation of Academic Standards, Priority 4 – Performance on Standardized Tests, Priority 5 – Pupil Engagement , and Priority 7 – Access to a Broad Course of Study. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for providing learning experiences that increase students achievement, engagement and preparedness for their future.

## Goal

Goal #	Description
2	Well-Being: Support the social-emotional and physical well-being of all and recognize each person's inherent value.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. All of our stakeholders want to prioritize social-emotional support and physical well-being. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of a well rounded educational program: Priority 5 – Pupil Engagement, and Priority 6 – School Climate. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for ensuring the healthy well-being of our students.

# Goals and Actions

## Goal

Goal #	Description
3	Community: Strengthen our community by embracing change and cultivating a growth mindset.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. All of our stakeholders wanted to prioritize strengthening our community. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value community: Priority 3 – Parent Engagement, Priority 5 – Pupil Engagement, and Priority 6 – School Climate. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for ensuring a school culture beneficial to our students.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Parent Engagement (Local Indicator)	"Met" (see local indicators for detailed report)				
% of staff who feel like a valued member of school community	91%				
% of staff who feel PD is important to educational growth	82%				
% of staff work in a collaborative manner	91%				
% of students have access to a technology device	100%

# Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
9.71%	233,987

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

## Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

### PRINCIPALLY DIRECTED TO SERVE ENGLISH LEARNERS

#### Needs, Conditions, Circumstances:

- 24% of our school community are English Language Learners (66 students)
- 71% of the English Learners have a primary language of Spanish.
- 61% of English Learners are making progress towards English Language Proficiency according to the CA 2019 Dashboard.
- Only 1 English Learner (out of 62) was considered LTEL (Long Term English Learner) in 2019-2020.
- We reclassified (RFEP's) 8 students in 2020-2021 and 13 students in 2019-2020,
- On the 2019 CA Dashboard for ELA Academic Indicator (grades 3-8,11): English Learners were 39 points below standard compared to 21 points below standard for "all students"; however, compared to the state we are doing better as state data has English Learners at 45 points below standard.
- We want to increase the educational outcomes and opportunities of our English Learners

#### Actions

- Professional development to support providing designated and integrated ELD and to identify and implement a core set of practices.

#### Expected Outcomes

- Maintain a small number of LTEL (Long Term English Learner) students each year
- At least 65% of students are making making progress on the ELPAC as determined by the "English Learner Progress Indicator"

## PRINCIPALLY DIRECTED TO SERVE LOW-INCOME AND FOSTER YOUTH STUDENTS

### Needs, Conditions, Circumstances:

- The demographics of our school community are: 44% low-income (123 students), 1.8% Foster Youth (5 students)
- On the 2019 CA Dashboard for ELA Academic Indicator (grades 3-8,11): low income students were 37 points below standard compared to 21 points below standard for "all students"; when compared to the state low incomes students are at 30 points below standard.
- Low-income students were disproportionately impacted by COVID-19
- Low-income students have additional needs related to health and wellness, nutrition, social-emotional wellbeing, and academic support.

### Actions

- Provide counseling services: social-emotional, behavioral, self-regulation, and positive social relationships.
- Provide multiple tiers of intervention (academic, behavioral) and Professional development for targeted instruction to build proficiency in CCSS and RTI support for students who need academic intervention

### Expected Outcomes

- Low-income students maintain an attendance rate of 96% or above.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Piner-Olivet Union School District is utilizing LCFF supplemental funds to improve student achievement that principally meets the needs of low income, EL and foster youth at the school site, and ensuring that funds are spent to benefit these subgroups of students. Based on staff and stakeholder feedback and research on effective practices we are implementing more than 10 LCAP Action/Services to improve services for the low income, English learner and foster youth including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs, and site stakeholder input.

The services for foster youth, low-income and EL students has increased in quality as demonstrated by the following data points:

On the 2019 CA Dashboard:

- 61% of English learners are making progress towards English Language Proficiency (which is considered "High" and well above the state average of 48%)
- English Learners improved from orange to green for the suspension rate, and orange to yellow for mathematics.
- English Learners improved 1.5 points on English Language Arts (and were 6 points better than state data for English learners)
- Low-income students improved 12 points on Mathematics (and were 3 points better than the state)

- The suspension rate of low-income students declined by 0.7%.
- We reclassified 21 students in the past two years.

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations, Title 5 [5 CCR] Section 15496(b)* in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC Section 306*, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

## **For School Districts Only:**

### **Actions Provided on an LEA-Wide Basis:**

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

### **Actions Provided on a Schoolwide Basis:**

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## Agenda Item Summary

<b>Action Item: 17.11 Public Hearing on the 2021-2022 Local Control Accountability Plan and Budget Overview for Parents for the Olivet Elementary Charter School</b>
--

Regular Meeting of: June 9, 2021	Action Item	Report Format: <b>Oral</b>
Attachment:	<b>Draft of Local Control Accountability Plan</b>	

**Presented by:** Dr. Steve Charbonneau, Superintendent

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The current draft of the Olivet LCAP includes a description of the stakeholder engagement process, goals, actions and services for all students as well as subgroups.

### **Plan**

Prior to approval of the budget under LCFF, a draft of the LCAP and the budget must be presented for public hearing. Both the LCAP and the budget are to be adopted at a subsequent meeting.

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

# LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Olivet Charter School

CDS Code: 49708706066344

School Year: 2021 – 22

LEA contact information: Kay Vang, CBO (707)522-3008 kvang@pousd.org

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2021 – 22 School Year

### Projected Revenue by Fund Source

This chart shows the total general purpose revenue Olivet Charter School expects to receive in the coming year from all sources.

The total revenue projected for Olivet Charter School is \$3,059,107.00, of which \$2,845,078.00 is Local Control Funding Formula (LCFF), \$134,432.00 is other state funds, \$10,170.00 is local funds, and \$69,427.00 is federal funds. Of the \$2,845,078.00 in LCFF Funds, \$238,406.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

# LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Olivet Charter School plans to spend for 2021 – 22. It shows how much of the total is tied to planned actions and services in the LCAP.

Olivet Charter School plans to spend \$3,720,783.00 for the 2021 – 22 school year. Of that amount, \$1,609,947.00 is tied to actions/services in the LCAP and \$2,110,836.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The total expenditures not included in the LCAP amount include such costs as overhead (i.e, utilities, maintenance, legal costs, insurance, etc.) contributions, and mandatory contributions.

## Increased or Improved Services for High Needs Students in the LCAP for the 2021 – 22 School Year

In 2021 – 22, Olivet Charter School is projecting it will receive \$238,406.00 based on the enrollment of foster youth, English learner, and low-income students. Olivet Charter School must describe how it intends to increase or improve services for high needs students in the LCAP. Olivet Charter School plans to spend \$246,162.00 towards meeting this requirement, as described in the LCAP.

# LCFF Budget Overview for Parents

## Update on Increased or Improved Services for High Needs Students in 2020 – 21

This chart compares what Olivet Charter School budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Olivet Charter School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020 – 21, Olivet Charter School's Learning Continuity Plan budgeted \$0.00 for planned actions to increase or improve services for high needs students. Olivet Charter School actually spent \$0.00 for actions to increase or improve services for high needs students in 2020 – 21.

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

The school motto of Olivet Elementary Carter is "Small School, Big Heart". Our district vision is: Inspiring joyful and innovative learning in an ever-changing world. Our district mission is "As a community, we engage in authentic, dynamic, and relevant learning that develops each student's academic, emotional, and social growth." There are 337 students currently enrolled at our school. Twenty-three percent of our students are English Learners and 42% of our students are socioeconomically disadvantaged. Olivet Charter School and Piner-Olivet Union School District (POUSD) were seriously impacted by the Northern California wildfires in 2017. The Tubbs Fire destroyed over 5,500 structures and Coffey Park, a neighborhood directly across the street from our district office (one of the most densely populated areas in Santa Rosa affected by the fire). About 1,500 homes were destroyed in the small neighborhood. Many of our students and staff were directly impacted by the fires. Since then we have had Air Quality closure days where we had to close schools, PG&E power shut off days where we have had to close schools, flooding in the near by Russian River (Feb 2019), Kincade Fire (Oct 2019) that devastated a close by community to our north, COVID-19 pandemic (March 2020-ongoing) that resulted in the closure of schools and transition to distance learning and then a transition to hybrid learning, Walbridge Fire (Aug 2020) that impacted another close by community to our north, and Glass Fire (Sept 2020) that devastated a close by community to our east. Our community has been greatly impacted and social-emotional support continues to be a top priority for our district.

## Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the “Blue” or “Green” performance category were: Suspension Rate was green for the following subgroups: All Students maintained less than 1%; Hispanic, decreased 0.7%; Socio-economically disadvantaged students decreased by 1% (blue performance level). English Language Arts was "blue" for the following subgroups: All local indicators on the 2019 CA Dashboard "met" the standard.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the “Red” or “Orange” performance category were: Orange Performance Color for Chronic Absenteeism Rate: All Students: increased 2% to 13.5%. There were no indicators at the Red Performance Color. These data points were pre-COVID and are not able to be compared for 2019-2020 and the 2020-2021 school year. We anticipate a decrease in chronic absenteeism rate as students come back to school in-person 5 days a week after not being able to be in-person for over a year.

To improve each of the areas above we believe all of new LCAP Goals will help to fully engage our learners:

- LCAP Goal 1: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.
- LCAP Goal 2: Support the social-emotional and physical well-being of all and recognize each person’s inherent value.
- LCAP Goal 3: Strengthen our community by embracing change and cultivating a growth mindset.

There were no local indicators where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. There were no state indicators for which performance for any student group was two or more performance levels below the “all student” performance.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

Goal 1: Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

- Classroom Environment & Culture
- Student Engagement

- Dynamic Learning Experiences
- Curriculum and Pedagogy
- Assessment for Student Learning
- Professional Learning
- Leadership Development
- Family & Community Engagement

Goal 2: Well-Being: Support the social-emotional and physical well-being of all and recognize each person’s inherent value.

- Whole Child Nurturance
- Lifelong Wellness
- Tools for Families
- Safe Environment

Goal 3: Community: Strengthen our community by embracing change and cultivating a growth mindset.

- Community Partnerships
- After School Engagement
- Technology
- School Culture

## Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

### Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

### Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

### Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

- The superintendent presented the LCAP to the Parent Advisory Committee (known as PTO) for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the parent advisory committee
- The superintendent presented the LCAP to the English Learner Parent Advisory Committee for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the English Learner Parent Advisory Committee
- The superintendent notified members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP using the most efficient method of notification possible (does not need to be printed or mailed)
- School Plans: N/A the LCAP serves as the School Plan as it is a single school LEA.
- The superintendent consulted with its special education local plan area administrator in May 2021 to determine that specific actions for individuals with exceptional needs are included and are consistent with strategies included in the annual assurances support plan for the education of individuals with exceptional needs.
- The governing board held one public hearing (June 2, 2021) to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. (The agenda for the public hearing was posted at least 72 hours before the public hearing and included the location where the local control and accountability plan or annual update to the local control and accountability plan was available for public inspection. The public hearing was held at the same meeting as the public hearing for Budget Adoption)
- The governing board adopted the LCAP in a public meeting (June 16, 2021). This meeting was held after, but not on the same day as, the public hearing. This meeting was the same meeting that the governing board adopted a budget.

\*items above are required by CA Education Code 52062

- Design Team (Nov 15-16, 2018; Jan 16-17, 2019; March 28-19, 2019; Sept 26-27, 2019; Nov 8, 2019)
- Teachers provided input on LCAP in the following ways: staff meeting, future-focused professional development process, survey, local bargaining unit (May 2019, April 2021)
- Administrators provided input on the LCAP in the following ways: Leadership Team Meeting, Cabinet Meetings (May 5, 2020; June 5, 2020)
- Students provided input on the LCAP in the following ways: surveys, meetings, discussions
- Classified provided input on the LCAP in the following ways: surveys, local bargaining unit (May 2019, April 2021)
- Site Councils provided input on the LCAP (April/May 2021)

A summary of the feedback provided by specific stakeholder groups.

The "Design Team" utilized feedback from all stakeholder groups to finalize the goals and actions during the 2019-2020 school year (before COVID). It is important to note that LCAP Goal 2 "Support the social-emotional and physical well-being of all and recognize each person's inherent value" of our LCAP is particularly important to our community as we have experienced significant emotional strain over the past 4 years. The goals and actions were then reviewed prior to the 2021-2022 adoption to ensure that these goals and actions continued to be relevant in a post-COVID environment.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

All LCAP Goals and Actions were revamped during the 2019-2020 school year for the 2020-2021 LCAP cycle. However, these goals and actions were not officially put into place until the 2021-2022 LCAP cycle (current cycle) due to the LCAP cycle being put on pause for the 2020-2021 school year. All stakeholders were important in the development of our goals and actions. Out of extensive future focus professional development and discussion we collaboratively developed the goals and actions listed in this LCAP. All stakeholder groups reviewed and approved the plan.

# Goals and Actions

## Goal

Goal #	Description
1	Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of exceptional learning experiences: Priority 1 – Basics (Teachers, Instructional Materials), Priority 2 – Implementation of Academic Standards, Priority 4 – Performance on Standardized Tests, Priority 5 – Pupil Engagement, and Priority 7 – Access to a Broad Course of Study. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for providing learning experiences that increase students achievement, engagement and preparedness for their future.

# Goals and Actions

## Goal

Goal #	Description
2	Well-Being: Support the social-emotional and physical well-being of all and recognize each person's inherent value.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. All of our stakeholders want to prioritize social-emotional support and physical well-being. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of a well rounded educational program: Priority 5 – Pupil Engagement, and Priority 6 – School Climate. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for ensuring the healthy well-being of our students.

# Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
9.15%	238,406

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

## Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

### PRINCIPALLY DIRECTED TO SERVE ENGLISH LEARNERS

#### Needs, Conditions, Circumstances:

- 23% of our school community are English Language Learners (78 students)
- 84% of the English Learners have a primary language of Spanish.
- 53% of English Learners are making progress towards English Language Proficiency according to the CA 2019 Dashboard.
- 2 out of 78 English Learners were considered LTEL (Long Term English Learner) in 2019-2020.
- We reclassified (RFEP's) 8 students in 2020-2021
- On the 2019 CA Dashboard for ELA Academic Indicator, English Learners increased 23 points.
- On the 2019 CA Dashboard for Mathematics Indicator, English Learners increased 14 points.
- On the 2019 CA Dashboard for Chronic Absenteeism, English Learners decreased by 0.7%
- We want to increase the educational outcomes and opportunities of our English Learners

#### Actions

- Professional development to support providing designated and integrated ELD and to identify and implement a core set of practices.

#### Expected Outcomes

- Maintain a low number of LTEL students (Long Term English Learner)
- At least 65% of students are making making progress on the ELPAC as determined by the "English Learner Progress Indicator"
- Increase academic indicator results in mathematics and English Language Arts.

## PRINCIPALLY DIRECTED TO SERVE LOW-INCOME AND FOSTER YOUTH STUDENTS

### Needs, Conditions, Circumstances:

- The demographics of our school community are: 42% low-income (142 students), 0% Foster Youth (0 students)
- On the 2019 CA Dashboard for ELA Academic Indicator, low income students increased 24 points.
- On the 2019 CA Dashboard for Mathematics Indicator, low income students increased 28 points.
- On the 2019 CA Dashboard for Suspension Rate, low-income students decreased by 1% (0.6% of low-income students were suspended)
- On the 2019 CA Dashboard for Chronic Absenteeism, low-income students had a 16.5% chronically absent rate (and increased by 0.9%)
- Low-income students were disproportionately impacted by COVID-19
- Low-income students have additional needs related to health and wellness, nutrition, social-emotional wellbeing, and academic support.

### Actions

- Provide counseling services: social-emotional, behavioral, self-regulation, and positive social relationships.
- Provide multiple tiers of intervention (academic, behavioral). and Professional development for targeted instruction to build proficiency in CCSS and RTI support for students who need academic intervention

### Expected Outcomes

- Decrease the percent of chronically absent low-income students
- Increase academic indicator results in mathematics and English Language Arts.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Olivet Charter is utilizing LCFF supplemental funds to improve student achievement that principally meets the needs of low income, EL and foster youth at the school site, and ensuring that funds are spent to benefit these subgroups of students. Based on staff and stakeholder feedback and research on effective practices we are implementing more than 10 LCAP Action/Services to improve services for the low income, English learner and foster youth including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs, and site stakeholder input.

The services for foster youth, low-income and EL students has increased in quality as demonstrated by the following data points:

On the 2019 CA Dashboard:

- 53% of English learners are making progress towards English Language Proficiency (which is considered "Medium" and above the state average of 48%)
- We reclassified 8 students last year

- On the 2019 CA Dashboard for ELA Academic Indicator, low income students increased 24 points.
- On the 2019 CA Dashboard for Mathematics Indicator, low income students increased 28 points.
- On the 2019 CA Dashboard for ELA Academic Indicator, English Learners increased 23 points.
- On the 2019 CA Dashboard for Mathematics Indicator, English Learners increased 14 points.

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA’s final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA’s diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations, Title 5 [5 CCR] Section 15496(b)* in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC Section 306*, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

## **For School Districts Only:**

### **Actions Provided on an LEA-Wide Basis:**

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

### **Actions Provided on a Schoolwide Basis:**

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## Agenda Item Summary

Action Item: **17.12 Public Hearing on the 2021-2022 Local Control Accountability Plan and Budget Overview for Parents for the Schaefer Charter School**

---

Regular Meeting of: June 9, 2021      Action Item      Report Format: **Oral**

Attachment:      **Draft of Local Control Accountability Plan**

---

**Presented by:** Dr. Steve Charbonneau, Superintendent

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The current draft of the Schaefer LCAP includes a description of the stakeholder engagement process, goals, actions and services for all students as well as subgroups.

### **Plan**

Prior to approval of the budget under LCFF, a draft of the LCAP and the budget must be presented for public hearing. Both the LCAP and the budget are to be adopted at a subsequent meeting.

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

# LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Morrice Schaefer Charter School

CDS Code: 49-70870-61-09144

School Year: 2021 – 22

LEA contact information: Kay Vang, CBO (707) 522-3008 kvang@pousd.org

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2021 – 22 School Year

### Projected Revenue by Fund Source

This chart shows the total general purpose revenue Morrice Schaefer Charter School expects to receive in the coming year from all sources.

The total revenue projected for Morrice Schaefer Charter School is \$3,323,048.00, of which \$3,082,607.00 is Local Control Funding Formula (LCFF), \$142,175.00 is other state funds, \$657.00 is local funds, and \$97,609.00 is federal funds. Of the \$3,082,607.00 in LCFF Funds, \$306,084.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

# LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Morrice Schaefer Charter School plans to spend for 2021 – 22. It shows how much of the total is tied to planned actions and services in the LCAP.

Morrice Schaefer Charter School plans to spend \$4,133,031.00 for the 2021 – 22 school year. Of that amount, \$1,879,208.00 is tied to actions/services in the LCAP and \$2,253,823.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The total expenditures not included in the LCAP amount include such costs as overhead (ie., utilities, maintenance, legal costs, insurance, etc.), contributions, and mandatory contributions.

## Increased or Improved Services for High Needs Students in the LCAP for the 2021 – 22 School Year

In 2021 – 22, Morrice Schaefer Charter School is projecting it will receive \$306,084.00 based on the enrollment of foster youth, English learner, and low-income students. Morrice Schaefer Charter School must describe how it intends to increase or improve services for high needs students in the LCAP. Morrice Schaefer Charter School plans to spend \$310,087.00 towards meeting this requirement, as described in the LCAP.

# LCFF Budget Overview for Parents

## Update on Increased or Improved Services for High Needs Students in 2020 – 21

This chart compares what Morrice Schaefer Charter School budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Morrice Schaefer Charter School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020 – 21, Morrice Schaefer Charter School's Learning Continuity Plan budgeted \$0.00 for planned actions to increase or improve services for high needs students. Morrice Schaefer Charter School actually spent \$0.00 for actions to increase or improve services for high needs students in 2020 – 21.

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Our district vision is: Inspiring joyful and innovative learning in an ever-changing world. Our district mission is "As a community, we engage In authentic, dynamic, and relevant learning that develops each student's academic, emotional, and social growth." Morrice Schaefer Charter School has 357 students currently enrolled at our school . Twenty-six percent of our students are English Learners and 41% of our students are socioeconomically disadvantaged. Morrice Schaefer Charter School and Piner-Olivet Union School District (POUSD) were seriously impacted by the Northern California wildfires in 2017. The Tubbs Fire destroyed over 5,500 structures and Coffey Park, a neighborhood directly across the street from our district office (one of the most densely populated areas in Santa Rosa affected by the fire). About 1,500 homes were destroyed in the small neighborhood. Many of our students and staff were directly impacted by the fires. Since then we have had Air Quality closure days where we had to close schools, PG&E power shut off days where we have had to close schools, flooding in the near by Russian River (Feb 2019), Kincade Fire (Oct 2019) that devastated a close by community to our north, COVID-19 pandemic (March 2020-ongoing) that resulted in the closure of schools and transition to distance learning and then a transition to hybrid learning, Walbridge Fire (Aug 2020) that impacted another close by community to our north, and Glass Fire (Sept 2020) that devastated a close by community to our east. Our community has been greatly impacted and social-emotional support continues to be a top priority for our district.

### Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the "Blue" or "Green" performance category were: Suspension Rate was green for the following subgroups: All Students decreased 0.7%; Socio-economically disadvantaged students decreased by 0.5%; and White students, decreased 0.4%. All local indicators on the 2019 CA Dashboard "met" the standard.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

There were no state indicators on the 2019 CA Dashboard for which overall performance was in the “Red” or “Orange” performance category. There were no local indicators where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. There were no state indicators for which performance for any student group was two or more performance levels below the “all student” performance.

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

- The superintendent presented the LCAP to the Parent Advisory Committee (known as PTO) for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the parent advisory committee
- The superintendent presented the LCAP to the English Learner Parent Advisory Committee for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the English Learner Parent Advisory Committee
- The superintendent notified members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP using the most efficient method of notification possible (does not need to be printed or mailed)
- School Plans: N/A the LCAP serves as the School Plan as it is a single school LEA.
- The superintendent consulted with its special education local plan area administrator in May 2021 to determine that specific actions for individuals with exceptional needs are included and are consistent with strategies included in the annual assurances support plan for the education of individuals with exceptional needs.
- The governing board held one public hearing (June 2, 2021) to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. (The agenda for the public hearing was posted at least 72 hours before the public hearing and included the location where the local control and accountability plan or annual update to the local control and accountability plan was available for public inspection. The public hearing was held at the same meeting as the public hearing for Budget Adoption)
- The governing board adopted the LCAP in a public meeting (June 16, 2021). This meeting was held after, but not on the same day as, the public hearing. This meeting was the same meeting that the governing board adopted a budget.

- Design Team (Nov 15-16, 2018; Jan 16-17, 2019; March 28-19, 2019; Sept 26-27, 2019; Nov 8, 2019)
- Teachers provided input on LCAP in the following ways: staff meeting, future-focused professional development process, survey, local bargaining unit (May 2019, April 2021)
- Administrators provided input on the LCAP in the following ways: Leadership Team Meeting, Cabinet Meetings (May 5, 2020; June 5, 2020)
- Students provided input on the LCAP in the following ways: surveys, meetings, discussions
- Classified provided input on the LCAP in the following ways: surveys, local bargaining unit (May 2019, April 2021)
- Site Councils provided input on the LCAP (April/May 2021)

A summary of the feedback provided by specific stakeholder groups.

The "Design Team" utilized feedback from all stakeholder groups to finalize the goals and actions during the 2019-2020 school year (before COVID). It is important to note that LCAP Goal 2 "Support the social-emotional and physical well-being of all and recognize each person's inherent value" of our LCAP is particularly important to our community as we have experienced significant emotional strain over the past 4 years. The goals and actions were then reviewed prior to the 2021-2022 adoption to ensure that these goals and actions continued to be relevant in a post-COVID environment.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

All LCAP Goals and Actions were revamped during the 2019-2020 school year for the 2020-2021 LCAP cycle. However, these goals and actions were not officially put into place until the 2021-2022 LCAP cycle (current cycle) due to the LCAP cycle being put on pause for the 2020-2021 school year. All stakeholders were important in the development of our goals and actions. Out of extensive future focus professional development and discussion we collaboratively developed the goals and actions listed in this LCAP. All stakeholder groups reviewed and approved the plan.

# Goals and Actions

## Goal

Goal #	Description
1	Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of exceptional learning experiences: Priority 1 – Basics (Teachers, Instructional Materials), Priority 2 – Implementation of Academic Standards, Priority 4 – Performance on Standardized Tests, Priority 5 – Pupil Engagement, and Priority 7 – Access to a Broad Course of Study. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for providing learning experiences that increase students achievement, engagement and preparedness for their future.

Goal #	Description
2	Well-Being: Support the social-emotional and physical well-being of all and recognize each person's inherent value.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. All of our stakeholders want to prioritize social-emotional support and physical well-being. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of a well rounded educational program: Priority 5 – Pupil Engagement, and Priority 6 – School Climate. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for ensuring the healthy well-being of our students.

# Goals and Actions

## Goal

Goal #	Description
3	Community: Strengthen our community by embracing change and cultivating a growth mindset.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. All of our stakeholders wanted to prioritize strengthening our community. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value community: Priority 3 – Parent Engagement, Priority 5 – Pupil Engagement, and Priority 6 – School Climate. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for ensuring a school culture beneficial to our students.

## Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Parent Engagement (Local Indicator)	"Met" (see local indicators for detailed report)				
% of staff who feel like a valued member of school community					
% of staff who feel PD is important to educational growth					
% of staff work in a collaborative manner					
% of students have access to a technology device

# Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
11.02%	306,084

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

## Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

### PRINCIPALLY DIRECTED TO SERVE ENGLISH LEARNERS

#### Needs, Conditions, Circumstances:

- 27% of our school community are English Language Learners (93 students)
- 76% of the English Learners have a primary language of Spanish.
- 39% of English Learners are making progress towards English Language Proficiency according to the CA 2019 Dashboard.
- 5 of the 93 English learners were considered LTEL (Long Term English Learner) in 2019-2020.
- We reclassified (RFEP's) 10 students in 2020-2021 and 4 students in 2019-2020,
- On the 2019 CA Dashboard for ELA Academic Indicator (grades 3-6): English Learners outperformed "all students" by 3 points and increased by 14 points from 2018.
- We want to increase the educational outcomes and opportunities of our English Learners

#### Actions

- Professional development to support providing designated and integrated ELD and to identify and implement a core set of practices.

#### Expected Outcomes

- Decrease each year in the percent of LTEL students (Long Term English Learner)
- 3% increase each year of students who are making making progress on the ELPAC as determined by the "English Learner Progress Indicator"

## PRINCIPALLY DIRECTED TO SERVE LOW-INCOME AND FOSTER YOUTH STUDENTS

### Needs, Conditions, Circumstances:

- The demographics of our school community are: 41% low-income (143 students), 0% Foster Youth (0 students)
- On the 2019 CA Dashboard for ELA Academic Indicator (grades 3-6): low income students increased by 15 points. However, low-income students are not scoring as well as "all students" for the school and not scoring as well as low-income students for the state.
- Low-income students were disproportionately impacted by COVID-19
- Low-income students have additional needs related to health and wellness, nutrition, social-emotional wellbeing, and academic support.

### Actions

- Provide counseling services: social-emotional, behavioral, self-regulation, and positive social relationships.
- Provide multiple tiers of intervention (academic, behavioral). and Professional development for targeted instruction to build proficiency in CCSS and RTI support for students who need academic intervention

### Expected Outcomes

- Low-income students maintain an attendance rate of 96% or above.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Scafefer Charter School is utilizing LCFF supplemental funds to improve student achievement that principally meets the needs of low income, EL and foster youth at the school site, and ensuring that funds are spent to benefit these subgroups of students. Based on staff and stakeholder feedback and research on effective practices we are implementing more than 10 LCAP Action/Services to improve services for the low income, English learner and foster youth including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs, and site stakeholder input.

The services for foster youth, low-income and EL students has increased in quality as demonstrated by the following data points:  
On the 2019 CA Dashboard:

- English Learners improved 14 points on English Language Arts and 4 points on Mathematics.
- Low-income students improved 26 points on Mathematics (and were 3 points better than the state)
- The suspension rate of low-income students declined by 0.6% and of English learners declined by 1.5%.
- We reclassified 14 students in the past two years.

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations, Title 5 [5 CCR] Section 15496(b)* in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC Section 306*, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **For School Districts Only:**

#### **Actions Provided on an LEA-Wide Basis:**

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

#### **Actions Provided on a Schoolwide Basis:**

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## Agenda Item Summary

Action Item: **17.13 Public Hearing on the 2021-2022 Local Control Accountability Plan and Budget Overview for Parents for the Piner-Olivet Charter School**

---

Regular Meeting of: June 9, 2021	Action Item	Report Format: <b>Oral</b>
Attachment :	<b>Draft of Local Control Accountability Plan</b>	

---

**Presented by:** Dr. Steve Charbonneau, Superintendent

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The current draft of the Piner-Olivet Charter School LCAP includes a description of the stakeholder engagement process, goals, actions and services for all students as well as subgroups.

### **Plan**

Prior to approval of the budget under LCFF, a draft of the LCAP and the budget must be presented for public hearing. Both the LCAP and the budget are to be adopted at a subsequent meeting.

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

# LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Piner-Olivet Charter School

CDS Code: 49-70870-61-13492

School Year: 2021 – 22

LEA contact information: Kay Vang, CBO (707)522-3008 kvang@pousd.org

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2021 – 22 School Year

### Projected Revenue by Fund Source

This chart shows the total general purpose revenue Piner-Olivet Charter School expects to receive in the coming year from all sources.

The total revenue projected for Piner-Olivet Charter School is \$2,078,542.00, of which \$1,782,542.00 is Local Control Funding Formula (LCFF), \$245,936.00 is other state funds, \$2,286.00 is local funds, and \$47,778.00 is federal funds. Of the \$1,782,542.00 in LCFF Funds, \$150,148.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

# LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Piner-Olivet Charter School plans to spend for 2021 – 22. It shows how much of the total is tied to planned actions and services in the LCAP.

Piner-Olivet Charter School plans to spend \$2,180,302.00 for the 2021 – 22 school year. Of that amount, \$161,994.00 is tied to actions/services in the LCAP and \$2,018,308.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The total expenditures not included in the LCAP amount include such costs as overhead (ie., utilities, maintenance, legal costs, insurance, etc.), contributions, and mandatory contributions.

## Increased or Improved Services for High Needs Students in the LCAP for the 2021 – 22 School Year

In 2021 – 22, Piner-Olivet Charter School is projecting it will receive \$150,148.00 based on the enrollment of foster youth, English learner, and low-income students. Piner-Olivet Charter School must describe how it intends to increase or improve services for high needs students in the LCAP. Piner-Olivet Charter School plans to spend \$217,264.00 towards meeting this requirement, as described in the LCAP.

# LCFF Budget Overview for Parents

## Update on Increased or Improved Services for High Needs Students in 2020 – 21

This chart compares what Piner-Olivet Charter School budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Piner-Olivet Charter School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020 – 21, Piner-Olivet Charter School's Learning Continuity Plan budgeted \$0.00 for planned actions to increase or improve services for high needs students. Piner-Olivet Charter School actually spent \$0.00 for actions to increase or improve services for high needs students in 2020 – 21.

# Local Control Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

## Plan Summary [2021-22]

### General Information

A description of the LEA, its schools, and its students.

Piner Olivet Charter School (POCS) is a collaborative, supportive community which nurtures the academic, social, and emotional growth of the individual through engagement in the process of inquiry-based problem solving, reflection, and communication. POCS serves a student population of about 208 students in grades 7-8. Twenty percent of our students are English Learners, 34% of our students are socio-economically disadvantaged. Piner Olivet Charter School and Piner-Olivet Union School District (POUSD) were seriously impacted by the Northern California wildfires in 2017. The Tubbs Fire destroyed over 5,500 structures and Coffey Park, a neighborhood directly across the street from our district office (one of the most densely populated areas in Santa Rosa affected by the fire). About 1,500 homes were destroyed in the small neighborhood. Many of our students and staff were directly impacted by the fires. Since then we have had Air Quality closure days where we had to close schools, PG&E power shut off days where we have had to close schools, flooding in the near by Russian River (Feb 2019), Kincade Fire (Oct 2019) that devastated a close by community to our north, COVID-19 pandemic (March 2020-ongoing) that resulted in the closure of schools and transition to distance learning and then a transition to hybrid learning, Walbridge Fire (Aug 2020) that impacted another close by community to our north, and Glass Fire (Sept 2020) that devastated a close by community to our east. Our community has been greatly impacted and social-emotional support continues to be a top priority for our district.

### Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the "Blue" or "Green" performance category were: Suspension Rate was green for the following subgroups: All Students decreased 3.1%; Hispanic, decreased 3.2%; Socio-economically disadvantaged students decreased by 3.5%; and White students, decreased 10.4%. English Language Arts was "blue" for the following subgroups: All students increased 24.4 points (blue), white students increased 32 points (blue), English Learners increased 19 points (green), Hispanic increased 26 points (green); and Socio-economically disadvantaged increased 19 points (green), . English Learner

Progress was at the "Very High Level" with 79% of students making progress towards English Language proficiency. All local indicators on the 2019 CA Dashboard "met" the standard.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

There were no the state indicators on the 2019 CA Dashboard for which overall performance was in the "Red" or "Orange" performance category. There were no local indicators where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. There were no state indicators for which performance for any student group was two or more performance levels below the "all student" performance.

## LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

Goal 1: Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

- Classroom Environment & Culture
- Student Engagement
- Dynamic Learning Experiences
- Curriculum and Pedagogy
- Assessment for Student Learning
- Professional Learning
- Leadership Development
- Family & Community Engagement

Goal 2: Well-Being: Support the social-emotional and physical well-being of all and recognize each person's inherent value.

- Whole Child Nurturance
- Lifelong Wellness
- Tools for Families
- Safe Environment

Goal 3: Community: Strengthen our community by embracing change and cultivating a growth mindset.

- Community Partnerships
- After School Engagement
- Technology
- School Culture

# Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

## Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

## Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

## Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

- The superintendent presented the LCAP to the Parent Advisory Committee (known as PTO) for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the parent advisory committee
- The superintendent presented the LCAP to the English Learner Parent Advisory Committee for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the English Learner Parent Advisory Committee
- The superintendent notified members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP using the most efficient method of notification possible (does not need to be printed or mailed)
- School Plans: N/A the LCAP serves as the School Plan as it is a single school LEA.
- The superintendent consulted with its special education local plan area administrator in May 2021 to determine that specific actions for individuals with exceptional needs are included and are consistent with strategies included in the annual assurances support plan for the education of individuals with exceptional needs.
- The governing board held one public hearing (June 2, 2021) to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. (The agenda for the public hearing was posted at least 72 hours before the public hearing and included the location where the local control and accountability plan or annual update to the local control and accountability plan was available for public inspection. The public hearing was held at the same meeting as the public hearing for Budget Adoption)
- The governing board adopted the LCAP in a public meeting (June 16, 2021). This meeting was held after, but not on the same day as, the public hearing. This meeting was the same meeting that the governing board adopted a budget.

- Teachers provided input on LCAP in the following ways: staff meeting, future-focused professional development process, survey, local bargaining unit (May 2019, April 2021)
- Administrators provided input on the LCAP in the following ways: Leadership Team Meeting, Cabinet Meetings (May 5, 2020; June 5, 2020)
- Students provided input on the LCAP in the following ways: surveys, meetings, discussions
- Classified provided input on the LCAP in the following ways: surveys, local bargaining unit (May 2019, April 2021)
- Site Councils provided input on the LCAP (April/May 2021)

A summary of the feedback provided by specific stakeholder groups.

The "Design Team" utilized feedback from all stakeholder groups to finalize the goals and actions during the 2019-2020 school year (before COVID). It is important to note that LCAP Goal 2 "Support the social-emotional and physical well-being of all and recognize each person's inherent value" of our LCAP is particularly important to our community as we have experienced significant emotional strain over the past 4 years. The goals and actions were then reviewed prior to the 2021-2022 adoption to ensure that these goals and actions continued to be relevant in a post-COVID environment.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

All LCAP Goals and Actions were revamped during the 2019-2020 school year for the 2020-2021 LCAP cycle. However, these goals and actions were not officially put into place until the 2021-2022 LCAP cycle (current cycle) due to the LCAP cycle being put on pause for the 2020-2021 school year. All stakeholders were important in the development of our goals and actions. Out of extensive future focus professional development and discussion we collaboratively developed the goals and actions listed in this LCAP. All stakeholder groups reviewed and approved the plan.

# Goals and Actions

## Goal

Goal #	Description
1	Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of exceptional learning experiences: Priority 1 – Basics (Teachers, Instructional Materials), Priority 2 – Implementation of Academic Standards, Priority 4 – Performance on Standardized Tests, Priority 5 – Pupil Engagement, and Priority 7 – Access to a Broad Course of Study. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for providing learning experiences that increase students achievement, engagement and preparedness for their future.

# Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2021-22]

Percentage to Increase or Improve Services	Increased Apportionment based on the Enrollment of Foster Youth, English Learners, and Low-Income students
9.20%	150,148

**The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.**

## Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

### PRINCIPALLY DIRECTED TO SERVE ENGLISH LEARNERS

#### Needs, Conditions, Circumstances:

- 20% of our school community are English Language Learners (42 students)
- 88% of the English Learners have a primary language of Spanish.
- 79% of English Learners are making progress towards English Language Proficiency according to the CA 2019 Dashboard.
- On the 2019 CA Dashboard the percent students who were chronically absent decreased by 4.1%,
- 10 out of 42 English Learners were considered LTEL (Long Term English Learner) in 2019-2020.
- We reclassified (RFEP's) 22 students in 2020-2021 and 4 students in 2019-2020
- We want to increase the educational outcomes and opportunities of our English Learners

#### Actions

- Professional development to support providing designated and integrated ELD and to identify and implement a core set of practices.

#### Expected Outcomes

- Decrease the number of LTEL students (Long Term English Learner)
- At least 65% of students are making making progress on the ELPAC as determined by the "English Learner Progress Indicator"
- Increase academic indicators for English Learners.

### PRINCIPALLY DIRECTED TO SERVE LOW-INCOME AND FOSTER YOUTH STUDENTS

#### Needs, Conditions, Circumstances:

- The demographics of our school community are: 34% low-income (72 students), 1% Foster Youth (20 students)
- On the 2019 CA Dashboard the percent of low-income students suspended decreased by 3.5%, students who were chronically absent decreased by 2.4%
- Low-income students improved 22 points on Mathematics (and were 22 points better than state data for English learners)
- Low-income students improved 19 points on English Language Arts (and were 29 points better than state data for English learners)
- Low-income students were disproportionately impacted by COVID-19
- Low-income students have additional needs related to health and wellness, nutrition, social-emotional wellbeing, and academic support.

#### Actions

- Provide counseling services: social-emotional, behavioral, self-regulation, and positive social relationships.
- Provide multiple tiers of intervention (academic, behavioral). and Professional development for targeted instruction to build proficiency in CCSS and RTI support for students who need academic intervention

#### Expected Outcomes

- Continue to decrease the percent of Low-income students who are chronically absent.
- Increase academic indicators for low income students

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Piner-Olivet Union School District is utilizing LCFF supplemental funds to improve student achievement that principally meets the needs of low income, EL and foster youth at the school site, and ensuring that funds are spent to benefit these subgroups of students. Based on staff and stakeholder feedback and research on effective practices we are implementing more than 10 LCAP Action/Services to improve services for the low income, English learner and foster youth including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs, and site stakeholder input.

The services for foster youth, low-income and EL students has increased in quality as demonstrated by the following data points:

On the 2019 CA Dashboard:

- 79% of English learners are making progress towards English Language Proficiency (which is considered "High" and well above the state average of 48%)
- English Learners improved 18 points on English Language Arts (and were 38 points better than state data for English learners)
- English Learners improved 26 points on English Language Arts (and were 32 points better than state data for English learners)
- Low-income students improved 22 points on Mathematics (and were 22 points better than state data for English learners)
- Low-income students improved 19 points on English Language Arts (and were 29 points better than state data for English learners)

- On the 2019 CA Dashboard the percent of low-income students suspended decreased by 3.5%, students who were chronically absent decreased by 2.4%
- The suspension rate of low-income students declined by 3.5%.
- We reclassified 26 students in the past two years.

For additional questions or technical assistance related to the completion of the LCAP template, please contact the local COE, or the California Department of Education's (CDE's) Local Agency Systems Support Office by phone at 916-319-0809 or by email at [lcff@cde.ca.gov](mailto:lcff@cde.ca.gov).

## Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA’s final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity’s budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA’s diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496(b) in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC* Section 306, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **For School Districts Only:**

#### **Actions Provided on an LEA-Wide Basis:**

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

#### **Actions Provided on a Schoolwide Basis:**

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## Agenda Item Summary

Action Item: **17.14 Public Hearing on the 2021-2022 Local Control Accountability Plan and Budget Overview for Parents for the Northwest Prep Charter School**

---

Regular Meeting of: June 9, 2021	Action Item	Report Format: <b>Oral</b>
----------------------------------	-------------	----------------------------

---

Attachment : **Draft of Local Control Accountability Plan**

---

**Presented by:** Dr. Steve Charbonneau, Superintendent

### **Background**

The Local Control Funding Formula (LCFF) legislation was signed into law by the Governor and took effect on July 1, 2013. Under the LCFF, school districts are required to develop, adopt, and annually update a three-year Local Control Accountability Plan (LCAP), beginning on July 1, 2014. According to Ed Code 52060, school districts are required to consult with staff, students, parents, and the community in developing the LCAP.

The current draft of the Northwest Prep LCAP includes a description of the stakeholder engagement process, goals, actions and services for all students as well as subgroups.

### **Plan**

Prior to approval of the budget under LCFF, a draft of the LCAP and the budget must be presented for public hearing. Both the LCAP and the budget are to be adopted at a subsequent meeting.

### **Fiscal Impact**

None at this time

### **Recommendation**

Hold the Public Hearing as Required by Law

# LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: Northwest Prep Charter School

CDS Code: 49-70870-01-06344

School Year: 2021 – 22

LEA contact information: Kay Vang, CBO (707)522-3008 kvang@pousd.org

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

## Budget Overview for the 2021 – 22 School Year

### Projected Revenue by Fund Source

This chart shows the total general purpose revenue Northwest Prep Charter School expects to receive in the coming year from all sources.

The total revenue projected for Northwest Prep Charter School is \$1,063,820.00, of which \$975,141.00 is Local Control Funding Formula (LCFF), \$52,394.00 is other state funds, \$4,500.00 is local funds, and \$31,785.00 is federal funds. Of the \$975,141.00 in LCFF Funds, \$78,361.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

# LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Northwest Prep Charter School plans to spend for 2021 – 22. It shows how much of the total is tied to planned actions and services in the LCAP.

Northwest Prep Charter School plans to spend \$1,189,195.00 for the 2021 – 22 school year. Of that amount, \$579,278.00 is tied to actions/services in the LCAP and \$609,917.00 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The total expenditures not included in the LCAP amount include such costs as overhead (ie., utilities, maintenance, legal costs, insurance, etc.), contributions, and mandatory contributions.

## Increased or Improved Services for High Needs Students in the LCAP for the 2021 – 22 School Year

In 2021 – 22, Northwest Prep Charter School is projecting it will receive \$78,361.00 based on the enrollment of foster youth, English learner, and low-income students. Northwest Prep Charter School must describe how it intends to increase or improve services for high needs students in the LCAP. Northwest Prep Charter School plans to spend \$132,940.00 towards meeting this requirement, as described in the LCAP.

# LCFF Budget Overview for Parents

## Update on Increased or Improved Services for High Needs Students in 2020 – 21

This chart compares what Northwest Prep Charter School budgeted last year in the Learning Continuity Plan for actions and services that contribute to increasing or improving services for high needs students with what Northwest Prep Charter School estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2020 – 21, Northwest Prep Charter School's Learning Continuity Plan budgeted \$0.00 for planned actions to increase or improve services for high needs students. Northwest Prep Charter School actually spent \$0.00 for actions to increase or improve services for high needs students in 2020 – 21.

### Plan Summary [2021-22]

#### General Information

A description of the LEA, its schools, and its students.

Northwest Prep Charter School (NWP) is a public charter school in the Piner-Olivet Union School District in Santa Rosa, California. NWP's Project-Based Learning program focuses on providing a personalized and meaningful education for approximately 80 students in grades 7-12 by using an integrated, multi-disciplinary Project-Based Program of Inquiry. Northwest Prep also offers a K-12 Homestudy program serving approximately 44 student focused on providing 1:1 support for students, offering individualized curriculum and schedule flexibility, as well as accommodating various learning styles. 16% of our students are English Learners and 46% are socioeconomically disadvantaged. Much effort is given at NWP to support effective instructional practices which provide our students with a child-centered, standards-based education that also incorporates our seven district student outcomes of Personal Integrity, Productive Collaboration, Critical and Creative Thinking, Effective Communication, Reflective Learning, Citizenship and Global Responsibility, and Resiliency and Drive. Northwest Prep and the Piner-Olivet Union School District (POUSD) were seriously impacted by the Northern California wildfires in 2017. The Tubbs Fire destroyed over 5,500 structures and Coffey Park, a neighborhood directly across the street from our district office (one of the most densely populated areas in Santa Rosa affected by the fire). About 1,500 homes were destroyed in the small neighborhood. Many of our students and staff were directly impacted by the fires. Since then we have had Air Quality closure days where we had to close schools, PG&E power shut off days where we have had to close schools, flooding in the near by Russian River (Feb 2019), Kincade Fire (Oct 2019) that devastated a close by community to our north, COVID-19 pandemic (March 2020-ongoing) that resulted in the closure of schools and transition to

distance learning and then a transition to hybrid learning, Walbridge Fire (Aug 2020) that impacted another close by community to our north, and Glass Fire (Sept 2020) that devastated a close by community to our east. Our community has been greatly impacted and social-emotional support continues to be a top priority for our district.

## Reflections: Successes

A description of successes and/or progress based on a review of the California School Dashboard (Dashboard) and local data.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the “Blue” or “Green” performance category were: Suspension Rate was green for the following subgroups: All Students decreased 6.5%; Socio-economically disadvantaged students decreased by 3.1%; and White students, decreased 17.4% (blue). English Language Arts was “blue” for the following subgroups: All students increased 24.4 points (blue), white students increased 32 points (blue), English Learners increased 19 points (green), Hispanic increased 26 points (green); and Socio-economically disadvantaged increased 19 points (green), . English Learner Progress was at the “Very High Level” with 80% of students making progress towards English Language proficiency. All local indicators on the 2019 CA Dashboard “met” the standard.

## Reflections: Identified Need

A description of any areas that need significant improvement based on a review of Dashboard and local data, including any areas of low performance and significant performance gaps among student groups on Dashboard indicators, and any steps taken to address those areas.

On the 2019 CA Dashboard, the state indicators for which overall performance was in the “Red” or “Orange” performance category were: Orange Performance Color for Chronic Absenteeism Rate: All Students: increased 0.6% to 12%; English Language Arts: declined 23 points to 33points below standard (please note this in only grades 7-8,11). There were no indicators at the Red Performance Color. These data points were pre-COVID and are not able to be compared for 2019-2020 and the 2020-2021 school year. We anticipate a decrease in chronic absenteeism rate and suspension rates as students come back to school in-person 5 days a week after not being able to be in-person for over a year.

To improve each of the areas above we believe all of these new LCAP Goals will help to fully engage our learners:

- LCAP Goal 1: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.
- LCAP Goal 2: Support the social-emotional and physical well-being of all and recognize each person’s inherent value.
- LCAP Goal 3: Strengthen our community by embracing change and cultivating a growth mindset.

There were no local indicators where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. There was only one state indicators for which performance for any student group was two or more performance levels below the “all student” performance: Suspension Rate: Hispanic Students were at the Orange performance level (increased 0.9% to 4.4%) which was two below the green indicator for all students.

# LCAP Highlights

A brief overview of the LCAP, including any key features that should be emphasized.

Goal 1: Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

- Classroom Environment & Culture

# Stakeholder Engagement

A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.

- The superintendent presented the LCAP to the Parent Advisory Committee (known as PTO) for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the parent advisory committee
- The superintendent presented the LCAP to the English Learner Parent Advisory Committee for review and comment in May 2021, the superintendent then responded, in writing, to comments received from the English Learner Parent Advisory Committee
- The superintendent notified members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP using the most efficient method of notification possible (does not need to be printed or mailed)
- School Plans: N/A the LCAP serves as the School Plan as it is a single school LEA.
- The superintendent consulted with its special education local plan area administrator in May 2021 to determine that specific actions for individuals with exceptional needs are included and are consistent with strategies included in the annual assurances support plan for the education of individuals with exceptional needs.
- The governing board held one public hearing (June 2, 2021) to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP. (The agenda for the public hearing was posted at least 72 hours before the public hearing and included the location where the local control and accountability plan or annual update to the local control and accountability plan was available for public inspection. The public hearing was held at the same meeting as the public hearing for Budget Adoption)
- The governing board adopted the LCAP in a public meeting (June 16, 2021). This meeting was held after, but not on the same day as, the public hearing. This meeting was the same meeting that the governing board adopted a budget.

- Design Team (Nov 15-16, 2018; Jan 16-17, 2019; March 28-19, 2019; Sept 26-27, 2019; Nov 8, 2019)
- Teachers provided input on LCAP in the following ways: staff meeting, future-focused professional development process, survey, local bargaining unit (May 2019, April 2021)
- Administrators provided input on the LCAP in the following ways: Leadership Team Meeting, Cabinet Meetings (May 5, 2020; June 5, 2020)
- Students provided input on the LCAP in the following ways: surveys, meetings, discussions
- Classified provided input on the LCAP in the following ways: surveys, local bargaining unit (May 2019, April 2021)
- Site Councils provided input on the LCAP (April/May 2021)

A summary of the feedback provided by specific stakeholder groups.

The "Design Team" utilized feedback from all stakeholder groups to finalize the goals and actions during the 2019-2020 school year (before COVID). It is important to note that LCAP Goal 2 "Support the social-emotional and physical well-being of all and recognize each person's inherent value" of our LCAP is particularly important to our community as we have experienced significant emotional strain over the past 4 years. The goals and actions were then reviewed prior to the 2021-2022 adoption to ensure that these goals and actions continued to be relevant in a post-COVID environment.

A description of the aspects of the LCAP that were influenced by specific stakeholder input.

All LCAP Goals and Actions were revamped during the 2019-2020 school year for the 2020-2021 LCAP cycle. However, these goals and actions were not officially put into place until the 2021-2022 LCAP cycle (current cycle) due to the LCAP cycle being put on pause for the 2020-2021 school year. All stakeholders were important in the development of our goals and actions. Out of extensive future focus professional development and discussion we collaboratively developed the goals and actions listed in this LCAP. All stakeholder groups reviewed and approved the plan.

# Goals and Actions

## Goal

Goal #	Description
1	Learning Experiences: Promote learning experiences that inspire inquiry, engagement, collaboration, innovation, and academic achievement.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of exceptional learning experiences: Priority 1 – Basics (Teachers, Instructional Materials), Priority 2 – Implementation of Academic Standards, Priority 4 – Performance on Standardized Tests, Priority 5 – Pupil Engagement , and Priority 7 – Access to a Broad Course of Study. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for providing learning experiences that increase students achievement, engagement and preparedness for their future.

# Goals and Actions

## Goal

Goal #	Description
2	Well-Being: Support the social-emotional and physical well-being of all and recognize each person's inherent value.

An explanation of why the LEA has developed this goal.

The goal was developed based on stakeholder input and ensuring state priorities are met. The Design Team developed this goal and actions based on stakeholder feedback. All of our stakeholders want to prioritize social-emotional support and physical well-being. The state of California has set eight priority areas they would like schools to focus on related to a "Whole Child" model (<https://www.cde.ca.gov/eo/in/lcff1sys-resources.asp>). The following priority areas align with the stakeholder value of a well rounded educational program: Priority 5 – Pupil Engagement, and Priority 6 – School Climate. If completed and achieved, the actions and metrics grouped together demonstrate all the component necessary for ensuring the healthy well-being of our students.

The Budgeted Expenditures for Actions identified as Contributing may be found in the Increased or Improved Services Expenditures Table.

## Required Descriptions

For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.

### PRINCIPALLY DIRECTED TO SERVE ENGLISH LEARNERS

#### Needs, Conditions, Circumstances:

- 16% of our school community are English Language Learners (19 students)
- 91% of the English Learners have a primary language of Spanish.
- 80% of English Learners are making progress towards English Language Proficiency according to the CA 2019 Dashboard.
- 4 out of 17 English Learners were considered LTEL (Long Term English Learner) in 2019-2020.
- We reclassified (RFEP's) 2 students in 2020-2021
- We want to increase the educational outcomes and opportunities of our English Learners

#### Actions

- Professional development to support providing designated and integrated ELD and to identify and implement a core set of practices.

#### Expected Outcomes

- Maintain a low number of LTEL students (Long Term English Learner)
- At least 65% of students are making making progress on the ELPAC as determined by the "English Learner Progress Indicator"

### PRINCIPALLY DIRECTED TO SERVE LOW-INCOME AND FOSTER YOUTH STUDENTS

#### Needs, Conditions, Circumstances:

- The demographics of our school community are: 46% low-income (50 students), 0% Foster Youth (0 students)
- On the 2019 CA Dashboard the percent of low-income students suspended decreased by 3.2%
- Low-income students were disproportionately impacted by COVID-19
- Low-income students have additional needs related to health and wellness, nutrition, social-emotional wellbeing, and academic support.

#### Actions

- Provide counseling services: social-emotional, behavioral, self-regulation, and positive social relationships.
- Provide multiple tiers of intervention (academic, behavioral) and Professional development for targeted instruction to build proficiency in CCSS and RTI support for students who need academic intervention

#### Expected Outcomes

- Low-income students maintain an attendance rate of 96% or above.

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.

Northwest Prep is utilizing LCFF supplemental funds to improve student achievement that principally meets the needs of low income, EL and foster youth at the school site, and ensuring that funds are spent to benefit these subgroups of students. Based on staff and stakeholder feedback and research on effective practices we are implementing more than 10 LCAP Action/Services to improve services for the low income, English learner and foster youth including using a portion of the LCFF Supplemental dollars for site allocations based on the number of unduplicated youth served to allow sites to implement site specific solutions based on unique site needs, and site stakeholder input.

The services for foster youth, low-income and EL students has increased in quality as demonstrated by the following data points (please note that due to the small school some of subgroups show on the dashboard as not numerically significant to provide performance data):

On the 2019 CA Dashboard:

- 80% of English learners are making progress towards English Language Proficiency (which is considered "Very High" and well above the state average of 48%)
- On the 2019 CA Dashboard the percent of low-income students suspended decreased by 3.2%

# Introduction and Instructions

The Local Control Funding Formula (LCFF) requires LEAs to engage their local stakeholders in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have ten state priorities). LEAs document the results of this planning process in the Local Control and Accountability Plan (LCAP) using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning (California *Education Code* [EC] 52064(e)(1)). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. Local educational agencies (LEAs) should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Stakeholder Engagement:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful stakeholder engagement (EC 52064(e)(1)). Local stakeholders possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because aspects of the LCAP template require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
  - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC 52064(b)(4-6)).
  - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC 52064(b)(1) & (2)).

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC 52064(b)(7)*).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which should: (a) reflect comprehensive strategic planning (b) through meaningful engagement with stakeholders that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a stakeholder engagement tool.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2021–22, 2022–23, and 2023–24 school years reflects statutory changes made through Assembly Bill 1840 (Committee on Budget), Chapter 243, Statutes of 2018. These statutory changes enhance transparency regarding expenditures on actions included in the LCAP, including actions that contribute to meeting the requirement to increase or improve services for foster youth, English learners, and low-income students, and to streamline the information presented within the LCAP to make adopted LCAPs more accessible for stakeholders and the public.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing, but also allow stakeholders to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse stakeholders and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and stakeholder engagement functions:

Given present performance across the state priorities and on indicators in the California School Dashboard, how is the LEA using its budgetary resources to respond to student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics or a set of actions that the LEA believes, based on input gathered from stakeholders, research, and experience, will have the biggest impact on behalf of its students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP itself. Additionally, information is included at the beginning of each section emphasizing the purpose that each section serves.

# Plan Summary

## Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to provide a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included in the subsequent sections of the LCAP.

## Requirements and Instructions

**General Information** – Briefly describe the students and community. For example, information about an LEA in terms of geography, enrollment, or employment, the number and size of specific schools, recent community challenges, and other such information as an LEA wishes to include can enable a reader to more fully understand an LEA's LCAP.

**Reflections: Successes** – Based on a review of performance on the state indicators and local performance indicators included in the Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, and any other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying specific examples of how past increases or improvements in services for foster youth, English learners, and low-income students have led to improved performance for these students.

**Reflections: Identified Need** – Referring to the Dashboard, identify: (a) any state indicator for which overall performance was in the “Red” or “Orange” performance category or any local indicator where the LEA received a “Not Met” or “Not Met for Two or More Years” rating AND (b) any state indicator for which performance for any student group was two or more performance levels below the “all student” performance. What steps is the LEA planning to take to address these areas of low performance and performance gaps? Other needs may be identified using locally collected data including data collected to inform the self-reflection tools and reporting local indicators on the Dashboard.

**LCAP Highlights** – Identify and briefly summarize the key features of this year's LCAP.

**Comprehensive Support and Improvement** – An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

- **Schools Identified:** Identify the schools within the LEA that have been identified for CSI.
- **Support for Identified Schools:** Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.
- **Monitoring and Evaluating Effectiveness:** Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

# Stakeholder Engagement

## Purpose

Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.

This section is designed to reflect how stakeholder engagement influenced the decisions reflected in the adopted LCAP. The goal is to allow stakeholders that participated in the LCAP development process and the broader public understand how the LEA engaged stakeholders and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Statute and regulations specify the stakeholder groups that school districts and COEs must consult when developing the LCAP: teachers, principals, administrators, other school personnel, local bargaining units of the LEA, parents, and students. Before adopting the LCAP, school districts and COEs must share it with the Parent Advisory Committee and, if applicable, to its English Learner Parent Advisory Committee. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP. Statute requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and students in developing the LCAP. The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals and actions.

Information and resources that support effective stakeholder engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the following web page of the CDE's website: <https://www.cde.ca.gov/re/lc/>.

## Requirements and Instructions

Below is an excerpt from the 2018–19 *Guide for Annual Audits of K–12 Local Education Agencies and State Compliance Reporting*, which is provided to highlight the legal requirements for stakeholder engagement in the LCAP development process:

### Local Control and Accountability Plan:

For county offices of education and school districts only, verify the LEA:

- a) Presented the local control and accountability plan to the parent advisory committee in accordance with Education Code section 52062(a)(1) or 52068(a)(1), as appropriate.
- b) If applicable, presented the local control and accountability plan to the English learner parent advisory committee, in accordance with Education Code section 52062(a)(2) or 52068(a)(2), as appropriate.

- c) Notified members of the public of the opportunity to submit comments regarding specific actions and expenditures proposed to be included in the local control and accountability plan in accordance with Education Code section 52062(a)(3) or 52068(a)(3), as appropriate.
- d) Held at least one public hearing in accordance with Education Code section 52062(b)(1) or 52068(b)(1), as appropriate.
- e) Adopted the local control and accountability plan in a public meeting in accordance with Education Code section 52062(b)(2) or 52068(b)(2), as appropriate.

**Prompt 1:** “A summary of the stakeholder process and how the stakeholder engagement was considered before finalizing the LCAP.”

Describe the stakeholder engagement process used by the LEA to involve stakeholders in the development of the LCAP, including, at a minimum, describing how the LEA met its obligation to consult with all statutorily required stakeholder groups as applicable to the type of LEA. A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with stakeholders. A response may also include information about an LEA’s philosophical approach to stakeholder engagement.

**Prompt 2:** “A summary of the feedback provided by specific stakeholder groups.”

Describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

**Prompt 3:** “A description of the aspects of the LCAP that were influenced by specific stakeholder input.”

A sufficient response to this prompt will provide stakeholders and the public clear, specific information about how the stakeholder engagement process influenced the development of the LCAP. The response must describe aspects of the LCAP that were influenced by or developed in response to the stakeholder feedback described in response to Prompt 2. This may include a description of how the LEA prioritized stakeholder requests within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP. For the purposes of this prompt, “aspects” of an LCAP that may have been influenced by stakeholder input can include, but are not necessarily limited to:

- Inclusion of a goal or decision to pursue a Focus Goal (as described below)
- Inclusion of metrics other than the statutorily required metrics
- Determination of the desired outcome on one or more metrics
- Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
- Inclusion of action(s) or a group of actions
- Elimination of action(s) or group of actions
- Changes to the level of proposed expenditures for one or more actions
- Inclusion of action(s) as contributing to increased or improved services for unduplicated services
- Determination of effectiveness of the specific actions to achieve the goal
- Determination of material differences in expenditures

- Determination of changes made to a goal for the ensuing LCAP year based on the annual update process
- Determination of challenges or successes in the implementation of actions

## Goals and Actions

### Purpose

Well-developed goals will clearly communicate to stakeholders what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal should be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to stakeholders and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

### Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs should consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard in determining whether and how to prioritize its goals within the LCAP.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- **Focus Goal:** A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
- **Broad Goal:** A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- **Maintenance of Progress Goal:** A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

At a minimum, the LCAP must address all LCFF priorities and associated metrics.

### ***Focus Goal(s)***

**Goal Description:** The description provided for a Focus Goal must be specific, measurable, and time bound. An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach. The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA has chosen to prioritize this goal. An explanation must be based on Dashboard data or other locally collected data. LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with stakeholders. LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

### ***Broad Goal***

**Goal Description:** Describe what the LEA plans to achieve through the actions included in the goal. The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal. The goal description organizes the actions and expected outcomes in a cohesive and consistent manner. A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

**Explanation of why the LEA has developed this goal:** Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

### ***Maintenance of Progress Goal***

**Goal Description:** Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP. Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP. The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with stakeholders, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

**Explanation of why the LEA has developed this goal:** Explain how the actions will sustain the progress exemplified by the related metrics.

### ***Measuring and Reporting Results:***

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes. LEAs are encouraged to identify metrics for specific student groups, as appropriate, including expected outcomes that would reflect narrowing of any existing performance gaps.

Include in the baseline column the most recent data associated with this metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2019 Dashboard for the baseline of a metric only if that data represents the most recent available (e.g. high school graduation rate).

Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. Because final 2020–2021 outcomes on some metrics may not be computable at the time the 2021–24 LCAP is adopted (e.g. graduation rate, suspension rate), the most recent data available may include a point in time calculation taken each year on the same date for comparability purposes.

The baseline data shall remain unchanged throughout the three-year LCAP.

Complete the table as follows:

- **Metric:** Indicate how progress is being measured using a metric.
- **Baseline:** Enter the baseline when completing the LCAP for 2021–22. As described above, the baseline is the most recent data associated with a metric. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 1 Outcome:** When completing the LCAP for 2022–23, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 2 Outcome:** When completing the LCAP for 2023–24, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above.
- **Year 3 Outcome:** When completing the LCAP for 2024–25, enter the most recent data available. Indicate the school year to which the data applies, consistent with the instructions above. The 2024–25 LCAP will be the first year in the next three-year cycle. Completing this column will be part of the Annual Update for that year.
- **Desired Outcome for 2023-24:** When completing the first year of the LCAP, enter the desired outcome for the relevant metric the LEA expects to achieve by the end of the 2023–24 LCAP year.

Timeline for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023-24)

Enter information in this box when completing the LCAP for <b>2022–23</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2023–24</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2024–25</b> . Leave blank until then.	Enter information in this box when completing the LCAP for <b>2021–22</b> .

The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant self-reflection tool for local indicators within the Dashboard.

**Actions:** Enter the action number. Provide a short title for the action. This title will also appear in the expenditure tables. Provide a description of the action. Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the summary expenditure tables. Indicate whether the action contributes to meeting the increase or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No. (Note: for each such action offered on an LEA-wide or schoolwide basis, the LEA will need to provide additional information in the Increased or Improved Summary Section to address the requirements in *California Code of Regulations, Title 5 [5 CCR] Section 15496(b)* in the Increased or Improved Services Section of the LCAP).

**Actions for English Learners:** School districts, COEs, and charter schools that have a numerically significant English learner student subgroup must include specific actions in the LCAP related to, at a minimum, the language acquisition programs, as defined in *EC Section 306*, provided to students and professional development activities specific to English learners.

**Actions for Foster Youth:** School districts, COEs, and charter schools that have a numerically significant Foster Youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to Foster Youth students.

**Goal Analysis:**

Enter the LCAP Year

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures do not need to be addressed, and a dollar-for-dollar accounting is not required.
- Describe the effectiveness of the specific actions to achieve the articulated goal as measured by the LEA. In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal. When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for stakeholders. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.

## **Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students**

### **Purpose**

A well-written Increased or Improved Services section provides stakeholders with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improved services for its unduplicated students as compared to all students and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

### **Requirements and Instructions**

This section must be completed for each LCAP year.

When developing the LCAP in year 2 or year 3, copy the "Increased or Improved Services" section and enter the appropriate LCAP year. Using the copy of the section, complete the section as required for the relevant LCAP year. Retain all prior year sections for each of the three years within the LCAP.

**Percentage to Increase or Improve Services:** Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

**Increased Apportionment based on the enrollment of Foster Youth, English Learners, and Low-Income Students:** Specify the estimate of the amount of funds apportioned on the basis of the number and concentration of unduplicated pupils for the LCAP year.

**Required Descriptions:**

**For each action being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the goals for these students.**

For each action included in the Goals and Actions section as contributing to the increased or improved services requirement for unduplicated pupils and provided on an LEA-wide or schoolwide basis, the LEA must include an explanation consistent with 5 CCR Section 15496(b). For any such actions continued into the 2021–24 LCAP from the 2017–2020 LCAP, the LEA must determine whether or not the action was effective as expected, and this determination must reflect evidence of outcome data or actual implementation to date.

**Principally Directed and Effective:** An LEA demonstrates how an action is principally directed towards and effective in meeting the LEA’s goals for unduplicated students when the LEA explains how:

- It considers the needs, conditions, or circumstances of its unduplicated pupils;
- The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and
- The action is intended to help achieve an expected measurable outcome of the associated goal.

As such, the response provided in this section may rely on a needs assessment of unduplicated students.

Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient. Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increase or improve services standard because enrolling students is not the same as serving students.

For example, if an LEA determines that low-income students have a significantly lower attendance rate than the attendance rate for all students, it might justify LEA-wide or schoolwide actions to address this area of need in the following way:

After assessing the needs, conditions, and circumstances of our low-income students, we learned that the attendance rate of our low-income students is 7% lower than the attendance rate for all students. (Needs, Conditions, Circumstances [Principally Directed])

In order to address this condition of our low-income students, we will develop and implement a new attendance program that is designed to address some of the major causes of absenteeism, including lack of reliable transportation and food, as well as a school

climate that does not emphasize the importance of attendance. Goal N, Actions X, Y, and Z provide additional transportation and nutritional resources as well as a districtwide educational campaign on the benefits of high attendance rates. (Contributing Action(s))

These actions are being provided on an LEA-wide basis and we expect/hope that all students with less than a 100% attendance rate will benefit. However, because of the significantly lower attendance rate of low-income students, and because the actions meet needs most associated with the chronic stresses and experiences of a socio-economically disadvantaged status, we expect that the attendance rate for our low-income students will increase significantly more than the average attendance rate of all other students. (Measurable Outcomes [Effective In])

**COEs and Charter Schools:** Describe how actions included as contributing to meeting the increased or improved services requirement on an LEA-wide basis are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above. In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

### **For School Districts Only:**

#### **Actions Provided on an LEA-Wide Basis:**

**Unduplicated Percentage > 55%:** For school districts with an unduplicated pupil percentage of 55% or more, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities as described above.

**Unduplicated Percentage < 55%:** For school districts with an unduplicated pupil percentage of less than 55%, describe how these actions are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the actions **are the most effective use of the funds** to meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

#### **Actions Provided on a Schoolwide Basis:**

School Districts must identify in the description those actions being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis.

**For schools with 40% or more enrollment of unduplicated pupils:** Describe how these actions are principally directed to and effective in meeting its goals for its unduplicated pupils in the state and any local priorities.

**For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils:** Describe how these actions are principally directed to and how the actions are the most effective use of the funds to meet its goals for foster youth, English learners, and low-income students in the state and any local priorities.

**“A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.”**

Consistent with the requirements of 5 CCR Section 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to the services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are included in the Goals and Actions section as contributing to the increased or improved services requirement. This description must address how these action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students for the relevant LCAP year.

## Expenditure Tables

Complete the Data Entry table for each action in the LCAP. The information entered into this table will automatically populate the other Expenditure Tables. All information is entered into the Data Entry table. Do not enter data into the other tables.

The following expenditure tables are required to be included in the LCAP as adopted by the local governing board or governing body:

- Table 1: Actions
- Table 2: Total Expenditures
- Table 3: Contributing Expenditures
- Table 4: Annual Update Expenditures

The Data Entry table may be included in the LCAP as adopted by the local governing board or governing body, but is not required to be included.

In the Data Entry table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All", or by entering a specific student group or groups.
- **Increased / Improved:** Type "Yes" if the action is included as contributing to meeting the increased or improved services; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services.
- If "Yes" is entered into the Contributing column, then complete the following columns:

- **Scope:** The scope of an action may be LEA-wide (i.e. districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.
- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools”. If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year”, or “2 Years”, or “6 Months”.
- **Personnel Expense:** This column will be automatically calculated based on information provided in the following columns:
  - **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
  - **Total Non-Personnel:** This amount will be automatically calculated.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e. base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.

## Agenda Item Summary

Action Item: **17.16 Approval of Resolution #551 Declaring Indefinite Salaries for 2021-2022**

---

Regular Meeting of: June 9, 2021

Action Item

Report Format: Oral

---

Attachment: **Resolution**

---

**Presented by:** Kay Vang, CBO

**Background**

SCOE received information from a California legal firm, Atkinson, Andelson, Loya, Ruud & Romo, that Article 11, Section 10 of the California Constitution prohibits public agencies from granting extra compensation to officers or employees after service has been rendered. This would prohibit the District granting retroactive salary adjustments. Courts have held that public employers may retroactively pay employees in situations where the adjusted salary rates were made retroactive to a date when the salary rates were indefinite and subject to future determination.

**Issue(s)**

The District has opener language that should cover any salary increases including retroactive amounts for POEA and POCA unit members. The District does not have any language that would cover unrepresented employees.

**Plan/Discussion/Detail**

The resolution included in the packet is recommended by the legal firm as well as by SCOE. This resolution should be adopted by the Board each year prior to July 1.

**RESOLUTION OF THE GOVERNING BOARD OF THE PINER-OLIVET UNION SCHOOL DISTRICT DECLARING INDEFINITE SALARIES**

WHEREAS Education Code Section 45032 provides that salaries can be set at any time during the year; and

WHEREAS the Constitution (Article XI, Section 10) prohibits officers or employees from receiving additional compensation for services already rendered; and

WHEREAS the Public Employee Relations Board, case law, the Attorney General, and the County Counsel all establish the Board of Education's authority to set salaries for school district employees; and

WHEREAS if the Board of Education declares that salaries are indefinite, whether subject to future review, negotiation, financial condition, or other factors, such action will suffice to permit retroactive salary finalization;

NOW THEREFORE BE IT RESOLVED that the Board of Education does hereby declare that salaries for management, represented and unrepresented employees of the School District are indefinite for the 2021-2022 fiscal year.

The foregoing resolution was duly and regularly adopted by the Board of Education on the date specified below.

The foregoing Resolution was moved by Board Member \_\_\_\_\_, seconded by Board Member \_\_\_\_\_, and adopted on roll call vote of the members of the Governing Board of the Piner-Olivet Union School District.

**MEMORANDUM OF UNDERSTANDING  
RINCON VALLEY UNION SCHOOL DISTRICT  
BETWEEN AND AMONG THE FOLLOWING PARTNER DISTRICTS FOR  
PRE-SCHOOL AND MODERATE TO SEVERE SPECIAL EDUCATION PROGRAMS:**

**Bennett Valley Union School District  
Kenwood Elementary School District  
Mark West Union Elementary School District  
Piner-Olivet Union Elementary School District**

**Rincon Valley Union School District  
Roseland Elementary School District  
Wright Elementary School District**

This Memorandum of Understanding ("MOU"), is entered into this 1<sup>st</sup> day of July, 2021 by and between the above listed Sonoma County school districts (hereinafter referenced individually as "Partner" or "party," and collectively as "Partners" or "parties").

**WHEREAS**, each party to this MOU is a public school district under the jurisdiction of a governing board; and

**WHEREAS**, it is to the mutual programmatic and financial benefit of the Partners to join together as Partner Districts for the provision of specific special education and student services for the students of the Partners; and

**WHEREAS**, the parties desire to set forth the understanding between the Partners regarding the administration, programs, and funding of the Partnership;

**NOW, THEREFORE, THE PARTNERS AGREE AS FOLLOWS:**

1. PARTNERSHIPS

Partners in this agreement are either full or partial. Full Partners support and have access to all Partner programs. Partial Participants select the Partnership program(s) they support and access. Partners intending to change their level of participation must adhere to the notification timelines outlined in Section 11.

*Partnership Options and Definitions*

**Full Partnership:** The Partner participates in the preschool speech, preschool special day class, preschool inclusion program, school age (K-6) SH (severely handicapped) and K-3 SELP special day class programs to the extent that the Partner has students who would be appropriately placed in these programs and is not operating a district class in those categories. Partners contribute their share toward housing and administrative expenses per the Partnership agreements.

**Partial Partnership:** The Partner has been a full Partner, but elects to start a district run program and not to participate in one or more of the Partnership programs. It is understood by all parties that Partner districts shall not subsidize non-member districts who elect to use the

Partnership programs and that districts desiring to be partial Partners shall adhere to the SELPA timeline for program transfer. Partial Partners continue to have the housing obligation for the Partnership programs in which they participate.

Partial Partners pay a rate for the programs in which they choose to participate that includes fees to cover direct costs for the students served in the program as well as a proportional share of the administrative and housing costs plus RVUSD's initial cost rate for human resources, billing, and IEP related costs. Depending on the program, the fee shall be up to but not exceeding the SCOE budgeted (initial) rate for the year. In kind costs such as providing housing beyond obligation may count toward the cost of the program pending fiscal analysis by RVUSD.

Partial Partnership Options:

- 1) Preschool Speech and Preschool Special Day Class
- 2) Preschool Inclusion Program
- 3) School Age Special Day Class (Transitional Kindergarten through 6<sup>th</sup> Grade -SH)
- 4) TK-3 SELP Special Day Class ( Social Emotional Learning Program)

Partial Partners who would like to use a program for which they are not a member, as an appropriate IEP placement for a child, may do so at the SCOE budgeted (initial) rate pending space availability and IEP team placement. Partial Partners must indicate their desire to be Partial Partners and in what programs by November 15 of each year for the subsequent year. Partial Partners may apply for reinstatement of full Partnership by notifying RVUSD by March 1<sup>st</sup> of the year prior to the fiscal year in which the partner wants to be readmitted. Readmittance must be approved by RVUSD which shall impose a re-admittance fee.

Non Partner Rates:

Any SELPA member district may utilize available Partnership programs appropriate for their students at the SCOE rate pending space availability, IEP team placement and confirmed by an MOU with RVUSD.

## 2. PARTNERSHIP PROGRAMS AND SERVICES

For the 2021-2022 school year, RVUSD intends to offer the following Programs:

- 1) Preschool Speech (PSP)
- 2) Preschool Special Day Class (PK SDC)
- 3) Preschool Inclusion Program
- 4) School Age (TK-6) Special Day Class (SH SDC)
- 5) TK-3 Social Emotional Learning Program (SELP)

Other Programs may be offered if mutually agreed to by the District and Partners.

RVUSD, in consultation with Partner districts, shall determine all Program/class locations, considering the residency of the students in the program/class and other appropriate factors.

### 3. PARTNER RESPONSIBILITIES

- a. Partners are responsible for compliance with the RVP Housing Policy, incorporated herein by reference. Partners are promptly responsible for addressing any concerns raised by RVUSD regarding failure to comply with the Housing Policy. Partners that fail to address concerns in a timely manner may be barred from membership in subsequent years, pursuant to Paragraph 11.
- b. Site Principal's Roles and Responsibilities:
  - 1) Provide for the health and safety of the students.
  - 2) Student discipline pending the arrival of the Program Manager or other RVP administrator.
  - 3) Facilitate mainstreaming.
  - 4) Ensure compliance with any applicable RVUSD collective bargaining agreement as it relates to Program staff.
- c. Calendar/Extended Year Program: Programs/services shall follow the school calendar of the Rincon Valley Union School District. If an extended school year is appropriate, it shall be specifically noted in the student's Individualized Education Plan (IEP). Costs for extended school year programs will be billed separately from the regular school year fee for service.
- d. Partners are responsible for expenses as set forth in Section 4 below.
- e. Partners acknowledge that the amount of RVUSD's required set-asides for economic uncertainty and routine restricted maintenance accounts may be increased due to its expenditures on behalf of the Partnership. It is the intent of the Partners that this increase be allocated among all Partners through appropriate accounting procedures in order to avoid an undue financial burden on RVUSD. Therefore, the Partners agree to fully cooperate with and support RVUSD, as well as local or state education officials as applicable, in establishing and maintaining accounting procedures necessary to ensure that the set-aside increases are allocated among the Participants based on expenses paid.

### 4. FINANCE

The Partnership shall be funded and expenses allocated as follows:

- a. Special Education funding for the Partners shall flow to each Partner district via current SELPA policies. RVUSD will claim all ADA for students attending Partnership programs as required by the California Education Code. RVUSD will determine the amount of revenue generated by the additional Partnership ADA and return these funds to each Partner district after the P-2 attendance reporting period. Due to the way in which the LCFF funding mechanism calculates

revenues, the amount of funds generated by these students may be less than what they would generate if claimed by their home district.

- b. Each Partner shall pay a fixed fee for each program (fee for service) as determined by RVUSD. This fee will be determined no later than June of the preceding year and reviewed in January after the December 1st count is complete. The fee for service will cover the following expenses:
- 1) Program administration, including salary and benefits for the Program Manager, Office manager, Program Specialist time
  - 2) Psychologists and behaviorist services
  - 3) Salary and benefits for RVUSD teachers assigned to Programs;
  - 4) Salary and benefits for RVUSD instructional assistants assigned to Programs;
  - 5) Related services provided by RVUSD based on students' IEP including, but not limited to, OT, Speech, nursing program support (not one-on-one) and APE; and
  - 6) Materials, supplies and equipment costs as necessary to operate Program(s).

Items not included:

- 1) One-on-One aides, Individual nursing or other individual supports
- 2) Transportation
- 3) Out of District placement or services
- 4) Physical Therapy services will be charged directly to the partners based on students' recommended frequency and duration, as set forth in the IEP.

The District will provide a pupil count in December to Partners. By January, Partners shall be billed by RVUSD for the number of students served and for the estimated days they will be served during the fiscal year. The fee for service amount shall be multiplied by the projected enrollment of pupil in each program, based on the December 1<sup>st</sup> pupil count, to determine the amount to be billed. A final calculation shall be made in June of each year to allocate actual expenses based on the actual number of days each student is enrolled. Payment must be made within 30 days of receiving any invoice.

Partner districts with no students enrolled in a given year shall pay a flat fee of \$3,500 per year.

- c. Costs for Temporary Support Assistants or other individualized special services required by a student's IEP shall be borne directly by the district of residence.

- d. Housing and other necessary site administrative costs shall follow the Partnership Housing Policy. Districts that provide office space to Partnership staff outside their main office space shall be included in this policy.
- e. Each Partner shall be responsible for the scheduling and cost of transporting its resident students to a Partnership program, and shall indemnify other Partners from any claims or liability arising from such scheduling and transporting of its resident students, except to the extent that such claims or liability arises from contributory negligence by another Partner.
- f. RVUSD will charge non-partner districts the current SCOE rate for the same service. As a condition of receiving services from the Partnership, any such non-partnership district must agree in writing to indemnify, defend, and hold harmless RVUSD, as the lead agency, and all Partners against any and all liability arising from the provision of such services to that non-partnership district.
- g. When a student has custodial parents living in different districts of responsibility, the cost of providing a Program for that student, shall be shared equally between the resident districts.
- h. RVUSD will collect Medi-Cal funds (LEA/MAA) for services provided to eligible students and families. The revenue generated from students enrolled in a Program will be used within that Program. Specifically, the funds will be used for staff training, classroom materials and translation services or other related expenses as determined by the RVUSD Medi-Cal Collaborative.

5. LEGAL FEES

- a. Partnership legal services: During the course of operation it is anticipated that the Partnership will need legal services either to address particular questions and/or to receive training on special education laws, case rulings and best practices from a legal perspective. Accordingly, RVUSD shall contract, separately from the Partner districts, for a specified number of legal service hours per fiscal year for the Partnership. The RVUSD superintendent or designee shall approve use of such retained hours.
- b. Use of legal services:
  - 1) Legal services are to be used in a preventative/proactive approach – in other words, if possible, before a dispute develops. Questions may be initiated from the site administrator, Program teachers as well as from other staff. Before seeking legal services, all questions should initially be directed to the RVUSD Assistant Superintendent for Student Services or

the Program Manager. The RVUSD Assistant Superintendent for Student Services or the Program Manager may directly or otherwise designate a staff member to seek legal counsel for a particular situation. However, it is expected that the Program Manager shall seek initial assistance from the RVUSD Assistant Superintendent for Student Services, the SELPA Director, or other SELPA staff as appropriate.

- 2) Legal services may also be used to address legal concerns of the Partnership, other than special education, such as personnel, contracts, etc. The Partnership pool of hours shall be paid for jointly by the Partner districts *pro rata* based on resident student enrollment. The Partnership shall annually contract for 10 hours of service. If, in the determination of RVUSD, additional hours are necessary, the Partnership will contract for additional hours, and Partner districts will be billed for their *pro rata* portion of the costs.

c. Legal services for particular cases: In the event that a parent/guardian files for a due process hearing and is represented by an advocate or attorney, or in the event that the Partnership files for a due process hearing, the following shall apply to use of legal services:

- 1) The RVUSD Assistant Superintendent for Student Services shall meet with legal counsel to determine who the appropriate parties to the matter are and to assess Partner liability and indemnity obligations. This may include the district providing service to a student as well as the district of residence.
- 2) In the event that two or more Partners are respondents in a special education dispute, those Partners shall meet to determine how to allocate potential expenses which may include, but are not limited to, the following:
  - a) Attorney fees for parent;
  - b) Compensatory services;
  - c) Increased cost of FAPE;
  - d) Outside assessment fees and other reimbursements; and
  - e) Attorney fees for involved school agencies.
- 3) When two or more Partners are involved in the litigation, each party may select its own separate legal counsel at its own expense. Alternatively, the Partners may choose to share attorney services in such case, provided there is no conflict of interest barring such joint representation, and shall be directly billed for such shared services as mutually agreed upon.

- d. Uniform complaints filed against a member that requires internal investigation: Based on the nature of some complaints, the state requires that a school district conduct an internal review. In those situations, the named district shall be responsible for undertaking the review and issuing a report. Program staff shall cooperate fully in the review and investigation of the matter and may consult with the named district in developing an appropriate response. To the extent that the complaint actually involves allegations of non-compliance by the Program or Program staff, the named Partner may seek reimbursement for some or all of its legal expenses from the Partnership.
- e. Collective Bargaining. Program staff are employees of RVUSD. Partners that house Program staff are responsible for ensuring adherence to the applicable collective bargaining agreements pertaining to campus and classroom safety.

In the event a grievance or unfair labor practice is filed, the following procedures shall apply:

- 1) The RVUSD Assistant Superintendent for Student Services shall meet with legal counsel to determine who the appropriate parties to the matter are and to assess Partner liability and indemnity obligations.
- 2) In the event that two or more Partners are respondents, those Partners shall meet to determine how to allocate potential expenses including, but not limited to, attorney fees.
- 3) When two or more Partners are involved, each party may select its own separate legal counsel at its own expense. Alternatively, the Partners may choose to share attorney services in such case, provided there is no conflict of interest barring such joint representation, and shall be directly billed for such shared services as mutually agreed upon.

6. DURATION:

The MOU and the obligations assumed hereunder shall become effective on July 1, 2021 and remain in effect until June 30, 2023, unless amended pursuant to Section 8, below.

7. CONTRACTUAL OBLIGATION; LIMITATION ON LIABILITY:

This MOU shall constitute a legally binding agreement among the Partners. Its terms may be enforced by any of the Partners in any court of competent jurisdiction in Sonoma County. The mutual promises and agreements in this MOU constitute the consideration for the duties imposed upon each Partner. Except to the extent of the financial contributions expressly agreed to in this MOU, no Partner shall be liable for any claims in tort or contract made against any or all other Partner(s). The Partners expressly deny the creation of any relationship of surety or

joint and several liability between and among the Partners based solely upon membership in the Partnership. Nothing in this MOU is intended to confer greater or additional liability on the RVUSD.

Participant agrees to defend, indemnify, and hold harmless the other Partners and RVUSD against any and all claims or legal actions against the Partnership or its Partners, arising from the delivery of special education services pursuant to this MOU, and to contribute its proportionate share of the costs of such defense and ruling or judgment, subject to the provisions set forth herein. Notwithstanding the foregoing, each Partner is solely responsible for any and all liability or cost arising from its acts or omissions in circumstances within its sole control, including, but not limited to, inappropriate placement of a student or a dangerous condition on that Partner's property, and shall defend, indemnify and hold harmless the other Partners, including RVUSD, their governing boards, employees and agents, against any and all such claims or legal actions, except to the extent such liability or costs arises from the contributory negligence or willful misconduct of another Partner.

#### 8. AMENDMENTS

The Superintendents of the Partner districts shall meet at least twice annually, once in the fall and once in the spring of each year. At this meeting, the Partner districts shall discuss changes to the services provided under this MOU, as well as discuss any proposed change to the MOU proposed by any Partner. This MOU may be amended by a two-thirds majority vote of the entire Partnership, subject to ratification by sixty percent (60%) of the governing boards of Partners, provided that any amendment must further the purpose of this MOU. Any such amendment shall be effective on the date of its ratification by the sixty percent (60%) of the governing boards of the Partner districts. If a Partner governing board has not taken action within a 45-day period, it shall be deemed to have ratified the amendment(s) approved by the Partner Superintendents. Notwithstanding the foregoing, an amendment to the MOU which would impose additional responsibility or increased cost to the RVUSD shall be void and inoperative unless RVUSD, acting through its governing board, consents in writing to such additional responsibility or increased costs.

#### 9. ADDITIONAL PARTIES

From time to time, additional school districts may wish to become parties to this MOU and members of the Partnership. RVUSD, at its sole discretion, may approve such agreements. Any new Partner shall be subject to the same conditions and obligations as the current Partners. New Partners shall be required to pay a membership fee, which shall be determined at the time of admission by RVUSD. The fee shall be proportionally shared by current Partners to reduce overall costs in the year in which the fee was paid.

#### 10. FULL OR PARTIAL WITHDRAWAL FROM PARTNERSHIP

Should a Partner choose to withdraw from the Partnership in full or partially, and from participation in this MOU, that Participant must first notify the RVUSD Superintendent in writing no later than February 1, a year and seven months prior to the year in which it intends to withdraw. Final notice to withdraw must be provided by the following November 15, the year prior to actual withdrawal. The withdrawal of that Partner shall be effective July 1 of that year. The notice must include the program(s) the Partner is withdrawing from. The withdrawal of that Partner shall be effective July 1 of that year. Notwithstanding the foregoing, any outstanding debt, obligations, or liability under this MOU shall survive and be enforceable past the effective date of withdrawal. The withdrawing Partner shall adhere to the Sonoma County SELPA policy and timelines for taking back programs.

11. UNILATERAL REMOVAL OF PARTNER

In the event a Partner fails to meet their obligations under this Agreement, RVUSD has the right to unilaterally remove that Partner from the Partnership for the subsequent year. Readmittance to the Partnership may occur after no less than one (1) school year has passed after removal, and shall be pursuant to Paragraph 12, below.

12. READMITTANCE AS A PARTNERSHIP PARTNER

Former Partners shall follow the SELPA timeline for readmittance. A former Partner that wishes to be readmitted as a Partnership member must complete a Readmittance Application and submit it to the RVUSD Superintendent no later than March 1 of the year prior to the fiscal year in which that former Partner wishes to be readmitted. Readmittance must be approved by RVUSD which shall impose a readmittance fee, which shall be determined at the time of readmittance by RVUSD. The fee shall be proportionally shared by current Partners to reduce overall costs in the year in which the fee was paid.

13. REPRESENTATION BY COUNSEL

The Partners to this MOU are currently advised and represented by School and College Legal Services of California ("SCLSC"), and the Superintendent of each Partner district listed above has Executed a conflict waiver, consenting to joint representation by SCLSC for drafting this MOU. Each Participant is advised that it may seek independent legal counsel to review this MOU on its behalf. In the event of any dispute arising between two or more Partners, it is understood that SCLSC must withdraw and may not represent any of the parties to that dispute with respect to that dispute.

14. SEVERABILITY

If any portion, term, condition or provision of the MOU is found to be in conflict with any law of the State of California, or to be otherwise rendered unenforceable or ineffectual, the remaining portions terms, conditions and provisions of the MOU shall continue to be in full force and effect.

15. GOVERNING LAW

This MOU is governed by California law and venue shall be in the County of Sonoma, State of California.

16. SUCCESSORS AND ASSIGNS

The provisions hereof shall inure to the benefit of, and be binding upon, the successors, assigns, heirs, executors and administrators of the parties hereto.

17. COUNTERPARTS

This MOU may be executed in any number of counterparts, each of which shall be considered an original, and all of which together shall constitute a single instrument.

18. ENTIRE AGREEMENT

This MOU, including the exhibit attached hereto and incorporated herein, constitutes the entire agreement between the Participants with respect to the Partnership, and supersedes all prior agreements or understandings, oral or written, between the Partners and this regard.

19. STUDENT DISCIPLINE AND STUDENT REMOVAL FROM THE RINCON VALLEY PARTNERSHIP

- a. Any change of a special education student's placement requires compliance with the Individuals with Disabilities Education Act ("IDEA") and its implementing regulations, including 34 C.F.R. § 300.530 et seq.
- b. The Rincon Valley Partnership may implement suspension up to ten (10) school days per year in accord with Education Code and Rincon Valley's student discipline Board Policy and Administrative Regulation. The Rincon Valley Partnership must notify the Program Manager and the District of Residence within twenty-four (24) hours of any suspension of a Sending District student.
- c. The District of Residence is responsible for determining if another placement is warranted no later than (1) after a student receives ten (10) school days of suspensions, and/or (2) upon notification from the Rincon Valley Partnership that a student engaged in conduct that lead the program to consider whether the student should be exited from the Rincon Valley Partnership Program.
- d. The Rincon Valley Partnership may request an IEP meeting to determine if a student needs to be exited from an RVP Program.
- e. The Rincon Valley Partnership and District of Residence understand and acknowledge that parents/guardians of special education students have a right to

invoke the "Stay Put" provisions of the IDEA, 20 U.S.C. § 1415(j), which may require the Rincon Valley Partnership to continue the student's placement in its RVP Program upon a determination by the Office of Administrative Hearings and/or a higher court that the parent/guardian is entitled to remain in the RVP Program during the pendency of a dispute regarding the student's receipt of FAPE and to implement this Agreement.

- f. The Rincon Valley Partnership will notify the District of Residence within twenty-four (24) hours of any behavior that could lead to expulsion under California's Education Code, whether the expulsion is permissive or mandatory. Any behavior that meets the criteria established in Education Code section 48915 must be immediately reported to the District of Residence. The Rincon Valley Partnership does not have authority to expel a student from the District of Residence, and will work with the District of Residence to complete any necessary disciplinary procedures.

**IN WITNESS WHEREOF**, this Memorandum of Understanding is hereby executed and effective as of the date first written above.

Reimbursable lunches will be billed at the rate of three dollars (\$3.00) each for elementary, NOT including milk, and three dollars and twenty-five cents (\$3.25) each for secondary, NOT including milk.

- (4) Assume all liability for proper use and protection of surplus commodities assigned to DISTRICT. Commodities will only be used for the preparation of lunch meals and may not be sent to sites for snacks. Provide District with a monthly menu one week prior to the beginning of the month covered by said menu.
- (5) Maintain all necessary records on the nutritional components of the lunches and the number of lunches delivered to and make said records available for inspection by the State and Federal authorities upon request.
- (6) Shelf-stable meals will be provided in the event your District is open on a scheduled CITY SCHOOLS holiday.
- (7) CITY SCHOOLS shall charge for a minimum of fifteen (15) lunches at any given site. Fewer lunches may be received, but CITY SCHOOLS will not charge less for a regularly scheduled stop. This charge will be waived during COVID school closures and a hybrid learning schedule.
- (8) Sack lunches can be provided for field trips with ten (10) working days' notice to the site providing lunches.
- (9) Assume all liability for proper use and protection of surplus commodities assigned to DISTRICT. Commodities will only be used for the preparation of lunch meals and may not be sent to sites for snacks.
- (10) Provide District with a monthly menu one week prior to the beginning of the month covered by said menu.
- (11) Maintain all necessary records on the nutritional components of the lunches and the number of lunches delivered to and make said records available for inspection by the State and Federal authorities upon request.
- (12) Shelf-stable meals will be provided in the event your District is open on a scheduled CITY SCHOOLS holiday.

- (13) Assume all liability for proper use and protection of surplus commodities assigned to DISTRICT. Commodities will only be used for the preparation of lunch meals and may not be sent to sites for snacks.
- (14) Provide District with a monthly menu one week prior to the beginning of the month covered by said menu.
- (15) Maintain all necessary records on the nutritional components of the lunches and the number of lunches delivered to and make said records available for inspection by the State and Federal authorities upon request.
- (16) Shelf-stable meals will be provided in the event your District is open on a scheduled CITY SCHOOLS holiday.

DISTRICT SHALL:

- (1) **Orders must be placed by 9:30 AM five days in advance** to ensure we will have the number of lunch choices available and the efficient operation of services. Shelf-stable meals are available to purchase as a backup supply, should you ever need additional meals.
- (2) Ensure that adequate storage shall be provided for the lunches from the time of delivery until served to the student in accordance with Health and Safety Codes.
- (3) Ensure that lunches are heated to 165 degrees in accordance with Health and Safety Code #27601.
- (4) Ensure that an employee is available at sites each school day to verify the quality and quantity of said lunches. Errors in count called in shall be the responsibility of DISTRICT.
- (5) Ensure that lunches are delivered and served at sites approved on the DISTRICT National School Lunch Agreement.

Failure to comply shall constitute adequate reason for CITY SCHOOLS to cease providing lunches under this AGREEMENT immediately.

- (6) Provide CITY SCHOOLS with school calendars. Each site shall give notice to CITY SCHOOLS Central Kitchen Manager of calendar changes. **THIS NOTICE MUST BE GIVEN TWO (2) WORKING DAYS BEFORE SAID SCHEDULE CHANGE.**
- (7) Provide personnel to serve lunches, clean the serving and eating areas, assemble and deliver transport baskets by Santa Rosa City Schools delivery the next day.
- (8) Establish collection procedures according to State and Federal regulations relating to the overt identification of needy students and keep accurate records of the number of free, the reduced price paid, and adult lunches served daily.
- (9) Prepare all claims for reimbursement under its own agreement number, receive and approve all free and reduced-price meal applications, and maintain all necessary records to substantiate the above items.
- (10) Assign to CITY SCHOOLS one hundred percent (100%) of the commodities to which DISTRICT is entitled and the responsibility for proper use of such commodities. If there is a shortfall of commodities, cash-in-lieu of commodities shall be given to CITY SCHOOLS. Commodities may not be sent to school sites except as they appear on the listed menu.
- (11) Pay CITY SCHOOLS within 60 days of invoice, or a fee of 1% will be charged on the balance due.

TERM

This AGREEMENT becomes effective this day, September 30, 2021, and will continue until June 30, 2022. This AGREEMENT may be renegotiated and renewed as revised and agreed upon by both parties. This AGREEMENT is valid through June 30, 2022.

TERMINATION/INDEMNIFICATION

Termination

CITY SCHOOLS may terminate this AGREEMENT, with or without cause, upon 30 days' written notice to DISTRICT.

Indemnification

To the fullest extent permitted by law, each party shall defend, indemnify, and hold the other party, its Governing Board, officers, agents, and employees harmless from and against any and all liability, loss, expense (including reasonable attorney's fees), or claims for injury or damages arising out of the performance of this AGREEMENT but only in proportion to and to the extent such liability, loss, expense, or claims for injury or damages are caused by or result from the willful or intentional misconduct or negligent acts or omissions of the indemnified party, its officers, employees, volunteers, or agents.

Each party to this agreement understands and is aware that the School and College Legal Services, Sonoma County Office of Education, provides legal advice and services to each of the parties on this and other matters. Each party has no objections to the representation of the other parties by the same legal counsel.
